

THE CHOSEN

LUCIFERIAN OCCULT ORIGINS

Incorporating the Loyola Spirit

by Luis B. Vega

vegapost@hotmail.com

www.PostScripts.org

The Question was asked if, 'Have any...watched the Chosen Series? It is in regard to Part 2 of Season 5. It was described by one that had that Experience seeing it in a Theatre. It was described where, *'It is crazy and impactful to really sit back and absorb what Jesus felt and what He truly did for us. What God did put of His most abundant love for us. It is OVERWHELMING'*.

The Chosen had been discussed prior, a few Years ago and it is pretty much a Hot Topic and has become Divisive in some Circles within the Professing Church. As one who has studied the Occult and Freemasonry, one will share one's Point of View and Perspective of how The Chosen is rooted in the Luciferian Occult, subtly. The Series has an Agenda that one will try to divulge. One will rely heavily on the Documentary that, ironically, has been released to perhaps coincide with the Timing of the Passover.

One will speak about how one is convinced, that The Chosen is a Prime Example of Predictive Programming. It is about manipulating the Mind and Emotions of People, that in this case, is to steer the Protestants back to the Mother Harlot Roman Church. What? As one who has a Masters in Counseling, the Psychology of the Mind is being utilized through the Visual Arts that targets the Left Side of the Brain in People.

In an oversimplification, in Humans, there is the Left Brain and the Right Brain. The Left Brain is the Seat of Emotion and Experience. It is where Reality is suspended and Perception and Meaning become Relative. As opposed to the Right Brain, that side is the Seat of Logic and Reason. The Ideal is to have a Balance because skewing towards 1 or the other will lead to a Psychotic Distortion. Case in point is seen in the Polarization of Politics in the USA, in particular with the Left and the Right, politically.

Those in the Left, base their Decisions on Emotion, Experience and suspend what is Truth and Reality. Or in other Words, Morality, Truth and Reality is suspended and is defined or rather redefined. Such is the case where a Woman can no longer be defined. Men can become Pregnant, lactate, menstruate, etc. A Woman can become a Man and a Man can become a Woman. Now, having said all that, one does not want to diminish nor demean a Person's Experience, as one respects that. It is after all, to be Human.

But one is opposed to The Chosen is that it has been designed, intentionally to accomplish just that, manipulate the Mind. In terms of a Balanced Response, one would say that Jesus Christ can use any means to bring People to Himself. At Times, it has been the case that Salvation or Revelation comes about through Unlikely Sources.

Poetic License

For example, consider the Prophet Elijah. A Raven, which is an Unclear Animal and a Destitute Widow are what YHVH used to provide for him. Or there is the Musical, 'Jesus Christ Superstar', 1971. One has known People, personally, that stated that they 'Got Saved' by watching it. But one's Point is that the Holy Spirit has used such means despite it, not because of it. What one will proceed to expose, in terms of the Luciferian Roots and Foundation of The Chosen, is serious. One wrote 3 Books on the Occult, of how the Occult uses such Means as Numbers, and Places to advance their Agenda and beguile Humanity like with Eve.

Eve was and is the Prime Example of how Lucifer targets the Left Side of the Brain. Why? Because it suspends Truth and Reality. Lucifer appeals to one's Emotion and Experience. Consider the Dynamic of the Man and Woman and the 'Battle of the Sexes'. Women are more Left Brain, Men are more Right Brain, generally speaking. Again, the Ideal Balance is what is healthy. YHVH created both and is a Divine Reelection of His 'Image and Likeness'. So, Women are 'Chaos', Men are 'Order' etc.

And what is Lucifer's ultimate Goal and Agenda? It is ultimately to steal as many Souls from becoming aware of their Eternity and their need for Redemption that is only attainable in the Jesus of the Bible. This is the Key. What? The Problem with The Chosen is that they admit that they do not follow the Gospels to the Letter. They employ Poetic License. And? In the Visual Arts or Cinematography such is the nature of Film. But what the Question should be, and asked is what is that Poetry about and coming from.

This is what the latest Documentary about The Chosen brought to light. The Link to the YouTube Video will be in the End Notes, along with prior Articles and Resources. As noted, the Luciferian Agenda is to divert People from coming to Jesus and becoming Redeemed. Now before going into the Details and Discrepancies about The Chosen and how it is founded upon Jesuit and Freemasonry, one has to give a Disclaimer.

As one does not have a TV, for the very Reasons of guarding one's Mind and Heart against such Programming, one has not seen any of the Series. One has only gone off the Cuts portrayed in Video Critiques of others. One can remember 1 of the Scenes where it was Insinuated, in how Jesus took Mary Magdalene as His Wife. This is clearly a Gnostic Teaching. But as one who has studied the Occult, what one has seen and heard, thus far of The Chosen. confirms one's worst Expectations about its Secret and Not-so-Secret Nefarious Intent, in one's Estimation. As to its Jesuit Influence? One has studied abroad at a Jesuit University. This occurred in the Spring Semester in 1993.

One was at the Comillas Pontifical University of Madrid, Spain. It was a Jesuit Order. In part, one enrolled to see, 1st-Hand the Inner-Workings of the Order that Martyred so many Protestants and Persecute them to this Day around the World. In the End Notes, one will also provide the Oath they Take to eradicate any that dare leave the Harlot Roman Church. Here now are the Factors of why The Chosen is founded on the Jesuit and Freemason Orders, as corroborated in the Documentary, Behind the Scenes of The Chosen: The Hidden Influence Guiding Jonathan Roumie by Little Light Studios.

Spirit of Baphomet

The Portrayer of Jesus is the Actor Jonathan Roumie. And? He is a Knights Templar. It is a Luciferian Order. The Knights Templar are those who have become the Modern Jesuits. The Jesuits run the Vatican as the Pope, currently a Jesuit. The Vatican is False Christianity. See and hear how they sing to Lucifer in the Vatican.

POPE FRANCIS DECLARES THAT LUCIFER IS THE GOD OF THE CATHOLIC CHURCH

Now The End Begins

<https://www.youtube.com/watch?v=YjJmIRoziRc>

Realize that this World belongs presently to Lucifer. And as the 'God of this World', he is whom the Templars, the Jesuits and the Freemasons worship as the True God. This is corroborated by their Grand Master, Albert Pike. He is the one who wrote Morals and Dogma where in Page 321, he states that Lucifer is essentially their God. The Original Source for the Roman Catholic Religion is based on Mystery Babylon. It is about the Fish God Dagon of whom the Modern Roman Priests still wear its Fish Mitre. And?

Realize that the Knights Templars, although thought to have originated for the purpose of protecting the Christian Pilgrims against the Muslims in Jerusalem, worshiped the Idol of Baphomet. It is the Goat God that later Eliphas Levi became the most prominent Illustrator of Baphomet. This is an Evil Principality that is the Spirit of Trans-Genderism. It is what has been unleashed in the USA since 2010.

It has been the Rise of the Trans Movement across the Land. And how has it been inculcated into the Teens? It has been through the Arts, Cinema, Education and Universities. Statues of Baphomet also were on display, all over the Nation. And particularly how 1 has been placed prominently in front of the Arkansas Capitol Building, etc. See here what the German Soccer Fans invoked? The Team is known as the 'Red Devils' but what was invoked, Lucifer, is actually theologically incorrect.

Lucifer's Modus Operandi has been, 'If you cannot beat them, join them'. Lucifer is not in the Abyss. Lucifer is the God of this World and is 'Alive and Well' on Planet Earth. However, it does hear People and he does accept Human's Souls. And to that end, Lucifer utilizes Secret Societies and ones Not-so-Secret like Freemasonry that is the Jewish Kabbalah for the Gentiles. Here is what the Banner stated.

'Exaudi Nos, Lucifer, Et Surge Ex Abyss, Sume Animas Nostras.' This means: Hear us, Lucifer, rise from the Abyss and accept our Souls'.

A Human Soul is the Prize. Lucifer thus uses Religion to do that as through the Arts, Cinema and Education. In the 300s AD, Constantine, the Roman Emperor, overnight decreed that Christianity was to be the only State Religion. This was called the Edict of Milan. With it, Lucifer acquired and controlled Counterfeit Christianity. And when the Protestants broke-away, he used overt and covert means to destroy them. He used 3 Military Factions: the Society of Jesus or the Jesuits, the Knights Templars, and the Knights of Columbus. And?

Battle for the Mind

In the case of the Actor that plays Jesus in The Chosen, he is directly initiated in all 3 Factions who have sworn to Destroy and Murder Protestants if they do not recant and return to the Mother Church of Rome, etc. Realize that to the Vatican, Protestants are still considered to be under the Auspices and Domain of the Roman Catholic Church. Realize that the Roman Catholic Church sees Protestants as just 'Reformed Catholics', which technically they are. Some Protestant Denominations have actually returned to the Vatican in recent Years.

So, as Research shows, a Knights Temple is equal to a 33 Degree Mason. Freemasonry is the Religion of Lucifer. As noted, this is what Albert Pike stated in their Protocols for their Secret Society, Morals and Dogma where in Page 321, he states that Lucifer is their God. One of their Tenets is that they 'Love Death' and utilize various Motifs to disguise it. Such is the Skull Icon that other Secret Societies like the Skull and Bones use. They invoke the Axiom of 'Memento Mori', which is Latin for 'Remember your Death'. It is not only a Freemasonry Axiom, but also what the Knights Templars are bound by, as is the Roman Catholic Church.

Here is a Principle of Luciferianism. They use Numbers, Names to Conceal and Reveal. The Issue is that they also use other Mediums like the Arts and Cinema to do just that. They also use Architecture. What one is suggesting is that the Overt Definition and Meaning of 'Memento Mori' is said to help contemplate one's Humanity and Mortality. But it is also an Oath of Secrecy on the Pain of Death if one reveals the Secrets of the Luciferian Orders: the Knights Templars, the Society of Jesus and the Freemasons, etc.

For example, it has been brought to Light that the Knights Templars worship Baphomet, the Goat God of Sex and Perversion. It is divulged that in their Secret Rituals and Imitations, they performed Homosexuality Acts. The Skull and Bone Motifs employ the Number 322? And? It is associated with Calvary, which means 'Skull' in Latin. It is a reference to the Site where Jesus was crucified. It is a Mockery of Jesus' Crucifixion.

Thus, the Battle is for the Body, Mind and Soul of a Human. And as it pertains to the Actor that portrays Jesus in The Chosen, he is used or 'Chosen' to be the spokesman for the Hallow Prayer App. It is really a Roman Catholic Methodology based on the Jesuit Order and the Spiritism of the Luciferian Mystic, Ignatius of Loyola. He was mandated to lead the Military Wing of the Roman Church, with a Passion to persecute Protestants. His Oath and that of the Society of Jesus is to destroy Protestantism, by any means. It is based on the Military Doctrine of 'Full Spectrum Dominance'.

It is not only Open Warfare, like in the Saint Bartholomew's Massacre, 1572, where in 1 Day, most of France's Protestants were butchered in the Streets. One's Warning, as one who was in 2 Militaries understand how Warfare is used in other Mediums, such as the Arts, Literature and Education. This is the Full Spectrum Dominance. The Prayer App is designed to guide a Person in what is described as a 'Contemplative Prayer'. What could go Wrong? It is wholly founded on the Prescription of Ignatius Loyola's Spirituality. And that is? It is to get a Person into an Alpha State of Consciousness.

Full Spectrum Dominance

This is why it has been researched that watching TV and Movies have been shown to be the Time where one lets one's Guard Down. And by Meditation, it is where the Mind is 'Cleaned-Out' to become a 'Clean Slate'. The issue is what will fill it? It is the Spirit of Loyola, not the Holy Spirit in the case of the Hallow Prayer App. From the Research done by the Little Light Studio Documentary, it noted how on the Tucker Carlson Podcast, Rumi admitted that the Core Foundation on which The Chosen Series is predicated upon is exactly that, founded on the Spirit of Loyola. And the Issue is?

One must ask, leaving one's Mind to be 'Cleared', what is then projected onto it or is filled with? This is where the Jesuit Ploy to utilize the Arts and Cinema, and the App come in. It is all designed to literally fill it with Extra-Scriptural Scenes in the Production of the Gospels. They employ 'Imagination' to 'fill-in' what is not divulged in the Gospels, etc. And that is based on manipulating one's Emotion and Experience. Sure, Movies, Plays and Dramas utilize this Poetic License to present their 'Interpretation'. But when it comes to the Gospels, The Chosen has incorporated Gnostic Inferences, etc.

And one's Point is that Believers and Followers of the Real Jesus of the Bible need to be aware of these Luciferian Tactics. This is done through the manipulation of the Mind to instill Emotion and Experience to have an inroad to one's Soul. It is done through the Mind, to eventually possess all the Faculties of a Person. Or in other words, one will now be more accessible, palpable and persuaded to pursue all that the Messaging is being Programmed. One is not saying that just because one watches The Chosen, one will have some irresistible urge to attend a Roman Catholic Mass.

But that is the Programming. It is really about Psychology of Humans and Mind Control Methodology. And with the Advent of Social Media and Platforms, it has been researched that it is literally changing or rewiring Humanity's Brain. So, as a Believer and Follower of Jesus, what should one do about this? Well, one personally, for those very Reasons, as mentioned does not own a TV. There is a Reason why they call such Entertainment, 'Programs'. That is exactly what they are designed to do.

If one wishes to continue seeing The Chosen, just be aware of what the Spirit is behind it. And Test what is being projected and programmed against Scripture. The only way an Experienced Bank Teller knows how to distinguish Counterfeit Bills is to handle and train on a Daily Basis with the Real Bills. That is the Principle that should be applied to one's Knowledge and Discernment of the Gospels. If one is so saturated with the True Account of the Gospels, then one will and can distinguish what is not Theologically Sound nor Biblical. This goes for any Information that is presented to one's Mind.

Ask from what Point of View and Source is The Chosen coming from? As it has been exposed, it is Jesuit = Freemasonry = Babylon = Luciferian. In terms of this Psychological Technique, the Objective is to put the Audience in a Meditative State, using Imagination. Thus, in the case of The Chosen, a Person is manipulated by Emotion and Experience to be so malleable, that they can then push in their Loyola Spirit that, one is convinced is not Biblical, but in actuality, Anti-Biblical.

Cui Bono?

In Psychology, it is recognized that operating under or by Emotion is the most Powerful Influence to accomplish the takeover of one's Mind. This is why Predictive Programming works, or Subliminal Messaging and Hypnosis, etc. Really? So you are saying that just because one sees or views a certain TV Program or Movie in a Theatre, one is susceptible to being Brain-Washed? Yes. The Jesus Actor, Roumie of the Passion admits that he employs the Art Craft of 'Method Acting'.

It is when Actors purposely 'empty' themselves to be possessed by the Muse. This is where the Word, 'Music' comes from, for example. The Muse are believed to be a Type of Jinn or Wandering Spirits of North Africa, whom the Muslims believed such 'Jinn' possessed People. They give the Possessed Person Amazing Abilities to make and play Music, for example.

But it was and is at a Cost. And that is? It will cost one's Soul. Bottom Line is that what The Passion is all about is the Legacy of the Jesuit Order. Its Military Mission is countering the Protestant Reformation through Story-Telling and Emotion, rather than on Intellect and Reason. And if so, it traces its Source right down to Lucifer and his Agenda to ensnare, enslave and condemn as many Souls to Hell with him.

It is through the Loyola Spiritual Protocols used and implemented in the Scenes that mesmerizes a Viewer into an Alpha State of Consciousness to then be indoctrinated by Emotion and Irresistible Appeal. This is then how the Roman Catholic Church redirects the Minds and Hearts back to Harlot Church that has martyred Millions of Jesus Believers and Followers. As the Little Light Studio Documentary pointed-out, this has even been publicly stated in the Jesuit Publication under: Jesuit Theatre and School Drama. An Excerpt states,

*'Soon after the Society of Jesus was founded in 1540 to combat the 'Heresies' of the Reformation, it was realized that **Theatre** could be an excellent means of glorifying the Roman Catholic Church and showing the Evils of Free Thought'.*

Does one not see the Ultimate Aim in such an Endeavor of The Chosen? It is to discourage and combat the 'Free Thought and Speech' of Protestants that dare complain or contradict the Mother Church. The Protestant Movement is to be infiltrated and silenced, by any Means. It is also done through Censorships as such Institutions do not foster nor support Free Speech nor what one Thinks. Realize that one cannot be Free nor Sovereign if you are a Roman Catholic. It is much the same Principle employed by the Present Day Democrats of the USA.

Worse, is that such Luciferian Tactics have been employed in the Professing Church. How so? Consider the 'Seeker Friendly' Church Model. The Pastors abandoned the 'Right Side of the Brain, Logic, Reason, Truth. Instead they catered to the Left Side of the Brain, Emotion and Experience. And what has that brought? So, to that end, 1 of the Primary Tools employed by the Roman Church to Destroy Protestantism, is to use the Arts, Cinema and Prayer to accomplish just that. As the Little Light Studio Documentary pointed-out, the Objective of such TV Programs like The Chosen, is:

*'To be virtually hypnotized by a concerted attack of all **known theatrical devices**, until [a Person] **surrenders the entire Being to the Drama's Spiritual Message...**shrewdly disguised it **under the colorful cloak of splendid entertainment**'. - Academic Article by Henry Schnitzler for the John Hopkins University Press.*

And what would then be a 'Message' or Manipulation that The Chosen is attempting to impose on an Emotional and Entertained Person? Consider what Jon Root of Turning Point USA posted on X, asking the Chosen, 'Why the Camera Crews had the LGBT Pride Flag on their Attire and flying on the Set of the Production?' The Chosen replied on their X Account, stating the following.

*'Just like with our hundreds of cast and crew who have different beliefs or no belief at all, then **we will work with anyone on our show who helps us portray or honor the authentic Jesus**. We ask that audiences let the show speak for itself and **focus on the message** not the messenger because we'll always let you down'. -The Chosen, X Account*

Thus, to the Producers of The Chosen, the Gospels of the Bible do not really portray nor honor the 'Authentic Jesus'. In their 'Left Brain' Mentality, Jesus is Pro-LGBT. Period. Do deny this is to deny their Reality. One must realize that it is the Old Play-Book Devise of 'Problem-Reaction-Solution'. So, if you 'Love' The Chosen, then you must accept the LGBT Lifestyle. And it has worked. It is estimated in the latest Survey Polls that the Professing Church in the USA, nearly 60% now sees no Problem in the LGBT Lifestyle, and not being Sinful.

16. RELIGION AND VIEWS ON LGBTQ ISSUES AND ABORTION

Pew Research Center

<https://www.pewresearch.org/religion/2025/02/26/religion-and-views-on-lgbtq-issues-and-abortion/>

Most of the Mainline Protestant Churches fly Rainbow Flags and do not Preach the 'Pauline' Doctrines, because they are 'Hateful' and not 'Loving', etc. Most Denominations, now ordain Homosexual Clergy who extoll the Virtues of Abortion and Same Sex Marriage. Female Clergy has stated from the Pulpit how they are Proud of having had multiple Abortions.

Can one not see how Lucifer has infected the Church with the End Times Warning of Jesus to the 7 Churches of Asia to rid themselves of the Spirit of Jezebel and the Nicolaitans? The Sleeping Professing Church has not recognized the Spirit of Baphomet, let loose upon the Land that has ravaged these Last Generation of Lost Adolescents. To be Gay is now a Fade, as it is polled how nearly 50% of all Teenagers consider themselves to be Gay or Affirm and Celebrate the Gay Lifestyle.

1 IN 4 HIGH SCHOOL STUDENTS IDENTIFIES AS LGBTQ

The Hill

<https://thehill.com/homenews/education/3975959-one-in-four-high-school-students-identify-as-lgbtq>

Worse is that concertedly, they have been Indoctrinated to Hate Jesus and Christians with Violence and a Passion. Did not Jesus warn that 1 of the Signs of the End Times was that Deception would be rampant and ramped-up? Remember, to be Deceived means that one does not recognize that one is. Thus, one is to keep and guard one's Gates, Physically and Theologically. One must guard what goes into one's Body or House. But one must also Test the Spirits to see what is seeking to enter one's Mind to control the Soul or influence it.

If one is 'OK' with subjecting one's Mind to The Chosen. Go ahead. But if one has been Emotionally Manipulated to the point of Adulating The Chosen, then Mission Accomplished. Realize that according to the Producer's own words, the Target Audience is whom? Adult Single or Married Evangelical Women. Coincidence? No. So, do realize that it is done in Love and to warn other Brethren that perhaps are in this Situation. Perhaps some are aware of all that one pointed out that is 'Luciferian' about it. So, one's Intention was as 'Iron sharpening Iron'. Ultimately, one is not telling others what to think or do or to 'Not See it'. But rather, one should not see it and one has attempted to disclose why, precisely.

What about the Gospel Discrepancies? As noted, there was that Scene where Demons are exercised from Mary Magdalene. But she is called Lilith. Clearly, that is not Scriptural. And that is one's Point, that the Luciferians are not overtly going to announce they are deceiving. Rather, like with Eve, it is a Subtle Twist, here-and-there, enough to not even notice it. There is Poetic License to embellish the Imagination and Details, but the Point is that Gnostic Teaching is being infused into the Gospels that are not consistent with the Content. How so?

Here is a Prime Example of infusing the Gnostic Notion of how Adam's 1st Wife was Lilith and not Eve. She lost her Child and in Bitterness, became a Vagabond Spirit that wails at Night and takes the Lives of Newborns, etc. And as far as the Knights Templars and their direct connection to Mary Magdalene? If one has read the Book, the Priory of Sion, they are the Guardians of the 'Holy Grail', who have become the Descendants of Jesus and Mary Magdalene, who she and Child escaped to Southern France with.

In essence, they are guarding the Bloodline of the coming AntiChrist Figure they are anticipating, etc. However, in The Chosen, Mary Magdalene is raped by Roman Soldiers. In another Epoxide when being interviewed for the writing-down of the Gospel, she infers that Jesus made a Sexual Pass at her in the Tavern or Bar by putting His Hands on her. Then she suggested that part of her Experience should not be noted down. It insinuates that Jesus was no different in acting and thinking like some Sailor out on the Town seeking Female Company and acting on His Manly Lust, as no different than a Sinner, etc.

'But because I speak the Truth, you do not believe Me! Which of you can prove Me guilty of Sin? If I speak the Truth, why do you not believe Me? Whoever belongs to GOD hears the Words of GOD. The Reason you do not hear is that you do not belong to GOD'. -John 8:45-47

So, are these Examples not going beyond the Consistency and Context of the Mission and Person of who Jesus really was? The YouTube Channel below is dedicated to pointing-out the Gospel Discrepancies, but again, one is only going off of their Reviews, having not seen the Series. However, from what the Cuts do portray, one is convinced of the whole.
