In the Book of Daniel, YHVH revealed to the Prophet that in the Last Generation, 'Knowledge' would increase. In the Context of the Dialog, this increase was specifically about the Word of the LORD, i.e., the Bible. But with such Increase, what has led to that reality now is the advent of Technology, mainly the Internet Revolution and now the A.I. Revolution. With A.I., the amount of Human Knowledge being processed is unimaginable.

With Quantum Computing, the Theories of working interdimensional are now a reality also. As this Information Revelation and Revolution has arrived, it has forever changed the Dynamic of how Humans Learn. For example, A.I. is now being allowed to be incorporated and used for University Learning. But like any other Tool, it will be used and abused. It will be like the Tree of the Knowledge of Good and Evil but goes with any New Technology.

As it pertains to Biblical Prophecy, A.I. will most certainly be used to keep track of all 8+ Billion People's 'Buying and Selling'. This is why the Push will be to 'Chip' or implant every Human Body so that the Luciferian A.I. 'Gods' can know every facet of one's Existence, Preferences, Likes, Politics, Religion and Buying and Selling Habits. Knowledge will be King and whomever controls A.I., will control the World and every Human. It will to such a Degree that the Economic Activities of 'Buying and Selling' will have been reduced to an 'Act of Worship'. And that Worship will be extracted through and by utilizing A.I. to do just that.

But for example, one was asked, indirectly, if a summary could be made of a really 'Good' and informative Online Video about the Red Heifers. And the Answer is 'Yes'. Using an A.I. Online Site called 'YouLearn', one just puts in any Photo, Document, Video, etc., and the A.I. can do Flash Cards, Summaries, and Notes about it. It took **3 Seconds** to do a 1-Page Summary of the Video. It included a 2-Page Review divided into Chapters. The Entire Video was **35 Minutes** long made by a Pastor named [Robert Breaker](#) about the Red Heifers.

Their experiences in Shiloh highlight the convergence of teachings and beliefs with tangible reality over the past Millennium.

## **Temple and Sacrifice**

The rebuilding of the Jewish Temple in Israel requires the Ashes of the Red Heifer to purify the Altar for Sacrificial Rites. While some Rabbis suggest that only a few of the current Red Heifers qualify, Jewish Tradition holds that Moses hid Original Ashes, which could be mixed with any New Offerings. This Ancient Belief prompts renewed interest in the significance of these Ashes after 1000s of Years.

## **Discovery of Ancient Ashes**

A recently uncovered Cave, revealed through the Copper Scroll, holds potential Significance. It instructs to dig on The North Side for original Ashes. Three Scenarios arise: the Ashes may not be found, or they could be discovered and mixed, or perhaps a new Lineage is born.

## **Cultural and Religious Context**

The Rabbi leading the Exploration of Red Heifers in Israel is closely involved in both Ancient Discoveries and the management of these Cows, signifying a blend of Tradition and Modernity. Discussions about the site for Sacrificial Practices point towards the Mount of Olives, while potential discoveries linked to the Tabernacle's Historical Location in Shiloh could reshape Religious Narratives. The Speaker expresses a profound Belief that Significant Events concerning the Tabernacle may unfold soon, reflecting a Transformative Period in Israel's Spiritual Journey.

## **Evil Exposure and Current Events**

The unexpected Revelation of Evil has been highlighted since October 7, with Protests openly calling for Violence against Jews, underscoring the Prominence of Israel in Global Discourse. The Discussion of Red Heifers serves as a Metaphor for unveiling Hidden Truths within Creation, reflecting the Belief that the Purification Process reveals deeper understandings of both Evil and GOD's Plan. An Insight from a Rabbi connects the Female Red Heifer to the Birth and Potential of Israel, suggesting that it symbolizes a Pivotal Moment for recognizing Historical and Spiritual Truths.

## **Personal Reflections**

In Nature, the interdependence of Male and Female is evident, and this Principle resonates with the Insights gained from observing Red Heifers in Israel. Personal Experiences and Discussions highlight the surprise corrections to initial Assumptions about Divine Revelations and the Exposure of Evil. Visiting Shiloh brought the Deep History of the area alive, allowing for a tangible Connection to important Biblical Figures and the Significance of Red Heifers.

---

One would like to remind the Readers that the Primary Reason and Cause for the Muslim Hamas Attack into Israel on October 7, 2023 was precisely because Israel brought over these Red Heifers. The Spokesman for Hamas publicly made that Statement as they know that it is just the next Prophetic Step in seeing the 3rd Temple be rebuilt. It will happen. As one has discussed, in some way or form, the Abrahamic Accords will forge the Fragile Union of the 3 Abrahamic Faiths. And the Temple will be

the Center of it all. It will serve as the End Times Tower of Nimrod that will rally the how World around. And the 'Nimrod' will be what the Bible teaches will be the AntiChrist. He will be the Jewish Messiah whom the Reconstituted Sanhedrin will identify and rather accept than Jesus who came and is to come.
