

AQUARIUS 7-PLANET ALIGNMENT

PROPHETIC PICTURE OF THE COMING RAPTURE

The Latest Possible Time before it is Too Late

'Where do You want us to prepare it? they asked. He answered, When you enter the City, a Man carrying a Jug of Water will meet you. Follow him to the House he enters, and say to the Owner of that House, the Teacher asks: Where is the Guest Room, where I may eat the Passover with My disciples?' -Luke 22:9-11

Speaking of the Year 2025 appearing to be the Year of the Number 7 converging in many ways, here is another Factor to consider, Astronomically. This occurred on the Last Day of February, the 28th. There was, Astronomically, a 7-Planet Alignment. It occurred as one looked toward the Sunset in the South, just above the Horizon. The Chart linked below for a Visual illustration, will focus on this Segment of the 7-Planet Alignment. It occurred, primarily in the 11th House, that of Aquarius and the 12th House, Pisces. It was in this Celestial Area of the Night Sky that one will focus on, to suggest a Rapture Typology was being 'broadcast', perhaps.

It is part of how YHVH uses the Sun, Moon and the Stars as 'Signs' to foretell Events to yet take place. In this case, the Rapture of the 'Fish', etc. And as one often states, the 'Sign is the Event', it is a Guiding Principle to note that the Event is yet in the Future. The following Assessment of the Astronomy is based on one's Interpretation of the 7-Planet Alignment and where it took place, and perhaps why, Prophetically. Based on the Research of E.W. Bullinger, one will comment on the Biblical Inferences of the 3 Signs in Segment in question: Aquarius, Pisces and Pegasus.

What is Astronomically Significant is that this 7-Planet Alignment is reported to not take place again until the Year 2040, 15 Years from 2025 (7+7+1). In the Expanse of the Sky from Aquarius to Pisces, the Sun will be in Aquarius, followed by Saturn, the Moon in its New Phase, Mercury and then Venus. In total, the 7 Planets in the Alignment are as follows. Based on the Alignment, one suggests that the 7-Planets could be seen as corresponding to the 7-Branch Menorah Pattern. In that case, it is Venus who is the Center or Servant Stem.

- 1 Saturn
- 2 Mercury
- 3 Neptune
- 4 VENUS
- 5 Uranus
- 6 Jupiter
- 7 Mars

It is About Time

This 4th Position, also when considered and superimposing the 7 Feasts of YHVH, corresponds to Pentecost. As one has a Bias for a Pentecost New Wine Rapture Timing, could this be broadcasting when this 11th Hour Rapture Event is to take place at? Pentecost? Nonetheless, Venus is a Biblical Euphemism for Jesus, the 'Greater Aquarius', as that is what He called Himself in the Book of Revelation 22:16, the 'Bright and Morning Star', etc. How one attributes this Segment of the 7-Planet Alignment to a 'Rapture Picture' is based on what the Signs or Houses mean.

Consider the following, Astronomically. The 11th Sign or House of Aquarius is known as the Water Bearer. He is a Servant, a Man carrying a Jar of Water that is poured-out on the Fish. It is indicative of Jesus, the Prophetic Type of how the Son of GOD came to be born of a Woman, and as a Servant, poured-out His Life-Giving Water for the Fish. The Fish are all those Humans on Earth that Believe and Follow Jesus' Gospel Message and are waiting for His Return. The Water can be seen as a Type of Judgment that Jesus took upon Himself, for the Fish to save them at the Cross of Calvary. In that regard Aquarius has given His Life for the Fish, although presently on Earth the Fish are being held back by the Band.

However, it is a Mutual Restraint. But the Lowly Fish retrain Cetus, the Sea Monster, and a Motif for Lucifer. But 1 Day, The Greater Aquarius will come and cut the Bands to let-lose the Fish bound in Lucifer's World. For the Bride of Christ 'Fish', this will occur at the Rapture Event. It will also be at the '11th Hour', of when the Church Age 'Time' comes to its end or its Time is up. The Sun, being at this place in Aquarius, is where the Water Motif is being poured-out. It speaks of the Judgment that is to come 'Down' upon the 'Fish' of the Earth. While at the same Time, in the 12th of Pisces, the Prophetic Picture of Israel and the Bride of Christ, the Bride of Christ 'Fish' escapes 'Up'.

The Meaning of Pisces is, 'The Blessings Quickly Coming'. And? It is the Fish, along the Ecliptic that 'Escapes'. It is 'Snatched-Away', swept-away as it goes up. It rides upon the Back of the Winged Pegasus, in Swift Flight bound for Heaven. One has argued that this Pegasus Motif is the Celestial Picture of the Rapture Event. And this 7-Planet Alignment was perhaps signaling that it is occurring at the 11th Hour, Prophetically. How so? Consider that in terms of Astronomical Time, the Houses, of which there are 12 of them, follow the Sequence of a Clock. This is to say that Aquarius corresponds to the 11th House and the 11th Hour.

Then Pisces, would be the Last Hour, on the Hour, being the 12th House, signifies the 'End of Time' or a Period of Rime coming to its Fulfilment. How about the Present Age...as in the Church Age? Perhaps. Thus, this is how one is insinuating that this Astronomical Depiction, accented by the 7-Planet Alignment was signaling, Astronomically, the Rapture Event that will close-out the Church Age. Is this Alignment signaling that it will occur in 2025? It will remain to be seen. So, when is the Rapture Event to occur? As noted, consider the fact that this 7-Planet Alignment is not to occur again until 2040, and that is something to take note of. Thus, if one goes by the Notion of what the **'11th Hour'** means. This is Key prophetically.

It is defined as, **'The Latest Possible Time before it is too Late'**. And is that not what the Rapture is all about? It is the Escape of the 'Fish' that will be whisked 'Up' to Flight. They will rendezvous with Jesus in the Clouds the 'Greater Aquarius'. It is He who gave His very Life, His Living Water to the Fish. Such will be Snatched-up', at the 'Late Minute'. It is before the Wrath of Water, Prophetically is to be poured Down upon the Inhabitants on Earth.

As the Month of March in 2025? It usually starts the Yearly Watch for the High Rapture Days. Nonetheless, perhaps this 7-Planet Alignment, in the 11th House, is indicative of the Nearness of the Rapture Event itself. And perhaps that it could be signaling that it occurs in the Time Period to follow, in which the Church Age will have come to its fulfillment, its Time. So, as to the Wrath, as depicted by the Water coming Down upon the World begins, it is because the Fish that is slated to Escape is 'Raptured-Up'.
