As a Political Scientist, the following study will be about President Trump's Middle East Trip to Saudi Arabia which occurred in May of 2025. One found it rather telling how he met in Saudi Arabia to make Business Billion Dollar Deals instead of celebrating Israel's 77th Year Anniversary in Israel. It is about Prophecy and 7's as Trump is the Man of 7's, some would say. And some do say that the USA is interwoven with the Fate of Israel, Prophetically. Consider that to the Orthodox Jews that are looking for their 'Cyrus' to build them their 3rd Temple, Donald Trump is that Man of Prophecy.

Is it mere Coincidence that Trump was born exactly 700 Days before the founding of Israel on May 14, 1948. Then on Trump's 1st Day in Office, he was exactly 70 Years, 7 Months and 7 Days Old during his 1st Presidency. Trump was elected on Prime Minister Netanyahu's 7th Year, 7th Month and 7th Day in office. Is there something 'Prophetic' going on here? Will Trump thus, facilitate the Abrahamic Accords to include Saudi Arabia and now Syria too? In terms of Geo-Politics, what occurred in Saudi Arabia in May of 2025 was intriguing and fascinating to consider. These are one's Thoughts.

One will attempt to tie-in this Geo-Economic and Political Milestone with Biblical Prophecy that incorporates the Destruction of Damascus of Isaiah 17, the absence of Syria in the Gog-Magog War of Ezekiel 38 and the 'Covenant' that will be 'confirmed' according to Daniel 9:27. Many End Times Students of the Bible presume it to be the Abrahamic Accords. Now, what one will say will be controversial to some and will verge on the conspiratorial. Such is the case with Biblical Prophecy and World Politics.

But what is going on in the Middle East is a Chess Game, full of complexity, just like President Trump is. One will first present some Historical Background and Political Science Interpretation to set the Tone for one's Political Science Assessment. Prophecy is occurring and will as it pertains to what is to transpire soon after the Church Age ends with the Rapture. So, as to the May 2025 Deal with the Saudis in May of 2025? One would say, 'What is Trump doing?' Why is he making 'Deals with the Devil?'

The U.S. has made 'Deals' with 'Devils' before and with the Saudis in terms of selling Weapons. So what is the Big Deal? This is different. It felt like a 'Bait-and-Switch' Tactic on the part of the Crown Prince Mohammed bin Salman in introducing the current Jihadist Leader of Syria, now known as Ahmed al-Sharaa. And? He shook the Hands of the Syrian ISIS Leader that slaughtered U.S. Servicemen, and murdered countless Syrian Christians, Alawites, and Druze, all in the Name of Islamic 'Toleration and Peace'. Was Trump set-up and played by Prince Mohammed bin Salman Al Saud?

A Standing Ovation

So, in the Meeting with Mohammed bin Salman Al Saud, MBS in Saudi Arabia, it so happened that the New Syrian Leader, now named Ahmed al-Sharaa was there, waiting. He was formerly known as Abu Mohammed al-Golani (Julani). His Handlers cannot seem to get his Branding right. He was and still is the Leader of the Jihadist Insurgency that toppled Syria's Assad Government that ruled Syria for over 50 years. As the Senior al-Qaeda Commander, in his early 40's, he had split from al-Aqeda to form his own competing Muslim Terror Group, named Hayat Tahrir al-Sham (HTS).

So, the Powers-that-Be gave him a 'Make-Over and is now depicting him as Champion of Secular Pluralism. All the while, his Troops massacred the Alawites, Druze and Christian out in the Open Streets and in Broad Daylight. The Media Creators of this new Assad 2.0 in a Business Suit is one that the USA had offered \$10 Million Dollars info enabling his capture. So, Trump made a Deal with this Devil in enabling Economic Sanctions to be lifted from Syria at the bequest of MBS.

The Saudi's applauded and gave Trump a Standing Ovation due to declaring that the Economic Sanctions against Syria was lifted. And? It was a 'Reward' bestowed to the Tenets of Islam. It was demonstrating that the Jihadist Goal will eventually prevail, etc. Syrians poured-out into the Streets of Damascus. But who did they give credit to? Trump? No. The credit was given to the Saudi Prince Mohammed bin Salman Al Saud. If one could crossover and make a Biblical Correlation, this would follow.

Trump is about making Peace, and the 'Art of the Deal'. This was a case in point example of what that looked like. And that is setting-up the World for the True Biblical AntiChrist Man of Peace that will come and make a Covenant that will be Strengthened or Implemented. After all, Trump is not a Politician. He is a Businessman who has done Deals with the Devils of New York. This knows who they are as they run the World. They are just letting him play in their 'Sandbox'. No Real Estate Mogul could do what Trump has done and not deal with all the Mafias: Irish, Jewish, Russian, Italian, Masonic, etc.

So, as the Mafia Movie truly communicated 1 of their Strategies, 'Keep your Friends close, but keep your enemies closer'. The Geo-Politics of the Middle East, at its core, is Religious. The Issue is Israel as in the Promised Land, Jerusalem and the Temple Mount. It is 'Ground Zero' for what and how the World will 'End' for Humanity. It is Biblical and those vying for its Control is what Jesus called the Synagogue of Satan. How so?

Consider that In 2007, U. S. General Wesley Clark, who was then a U.S. Presidential Candidate, gave a Speech at the Commonwealth Club of California, an influential US Think Tank. Clark was the former Commander of NATO's forces in Europe. He was the one who supervised NATO's Bombing Campaign against Christian Serbia for reclaiming Kosovo in 1999. They used Depleted Uranium that has caused numerous Birth Defects and Cancers in the Population since then. Clark claims he met a Senior Military Officer in Washington who told him the Bush Administration was planning to overthrow 7 Nations, militarily if need be. This is what the Synagogue of Satan wanted and still does.

The Plan

He recounted how, 10 Days after the Muslim Terrorist Attacks of September 11, 2001, he learned of the Pentagon's Plan to invade 7 Muslim Countries in the Middle East. It would be under the guise of 'Fighting Terrorism'. He spoke of how it was all a 'Political coup' by Neocons: Donald Rumsfeld, Paul Wolfowitz and Dick Cheney. These are really who had run the USA, using George W. Bush was no more than a 'Useful Idiot'. Here are those 7 Muslim Nations that Israel wants conquered and controlled.

1. *Iraq*
2. *Syria*
3. *Lebanon*
4. *Libya*
5. *Iran*
6. *Somalia*
7. *Sudan*

One's Political Science and Prophecy Student Question is, is this what 'They' are also doing with Trump? Who is the 'They?' They are the Synagogue of Satan who are essentially responsible for moving the Chess-Board. However, as a Prophecy Student, one must realize that the World is not 'Falling Apart' but 'Falling into Place'. Such Events, Deals and Milestones have to be achieved as they push the Prophetic Needle close to the End of the Church Age.

That Commission and Period of Grace will be concluded by the Rapture Event. It is only after that, that the True Deal Maker of the Millennia will come on the Scene to secure a False Sense of 'Peace and Security'. In a sense, the Syria Campaign to oust Assad had been achieved. It took 14 Years, but it was accomplished. Clarke stated that the White House had devised a 5-Year Plan, using the 'Excuse' of 9/11 to change the Map of the Middle East. It was essentially Israel's directive to have the USA fight their Wars for them and have the U.S. Servicemen and Servicewomen die instead of theirs.

It is Israel that will actually make a 'Deal with the Devil'. And this Trump Deal with the Enemy of Christianity that has Blood of Jesus' Martyrs is just a forerunner to what will occur after the Rapture. It is no secret that the CIA, the FBI, the State Department and the Pentagon are full of Masons, Jews, Mormons, Jesuits and Satanists. They fomented 9-11. '9-11 was an Inside Job'. You had Muslims attack the USA in its Home Soil. You have Jews running the Government and Controlling the Nation.

And then you have the Clueless Christians voting them into Political Office And? Then they Madate their Untested Vaccines, Poisoned Food, Water, Air and Mandatory Masking and Lock-Downs. So, on 9-11, not only did you have Palestinians come-out dancing in the Streets of Gaza when the Twin Towers were detonated, but you had recorded MOSSAD Provocateurs dancing as the Towers fell also. You had an Israeli Camera Crew who were hired to record the Demolition go on an Israeli Talk-Show and disclose just that in Public. This Incident had been referred to as the 'Dancing Israelis'. There were 5 Israeli men, Sivan Kurzberg, Paul Kurzberg, Oded Ellner, Yaron Shimuel and Omar Marmari, who set-up Cameras on the Twin Tower on that Day.

The Art of the Devil Deal

Also realize that no Jew was killed that worked on in the Towers. They were all 'Given the Memo' not to show up for Work. Only the Goyim got slaughtered, offered as a Holocaust Sacrifice, etc. They were arrested on September 11, 2001 after they were reported to be acting in a 'Celebratory Manner' as the attacks took place in New York City. An FBI Investigation of the 5 Men found that 2 were connected to MOSSAD, Sivan Kurzberg and Paul Kurzberg.(1) All were ultimately released without charge. Coincidence? No.

All this is to show that there is an 'Invisible Hand', the Black Hand as some call it. Others use the Term, the 'Deep State'. It is real and deadly. It is thoroughly Luciferian to the Core. And it is orchestrating the Middle East to be subject to the Jewish World Order where their False Messiah will rule the World, from Israel, from Jerusalem, from the Temple. That is the Goal. And as to this new Syrian Leader that has had a Make-Over? What happened to the 10 Million Bounty the FBI had on him?

One must realize that Trump is not a Politician. He's a Businessman. Trump is also a Pragmatist. He will work with what he has. He has already proven that during his 1st Term in Office. He is a Master Negotiator, The Art of the Deal. But he is also an Actor, The Apprentice, Home Alone, etc. So, he knows how to cater to the Crowds. And such Deals with the Devil is also contributing to his Personal Financial Gain, for him and his Family. President Trump is a deal maker and sometimes you have to make deals with questionable leaders.

The World is just getting a dress-rehearsal. If Syria signs-off on the Abrahamic Accord and 'normalizes' relations with Israel, that would be astonishing. But one who has studied the Occult and Islam has to then warn the World that as the Syrian Civil War took 14 Years to overthrow Assad, Lucifer's Long-Term Game-Plan has been implemented since Eden. So, how is Trump making a 'Deal with the Devil?' Consider that the Saudi Prince set-up the Meeting between Trump and Sharaa.

It was the 1st Encounter between the 2 Nations' Leaders in 25 Years. He is responsible for the beheading of Americans. Then the 1.2 trillion deal with Qatar is with a Nation that has Bank-Rolled Hamas, who is holding Hostage a U.S. Citizen as of this study still. Is Syria seeking to normalize Relations with Israel? Perhaps, but one highly doubts it. It could be a Muslim Rouse. The Syria Leader is Jihadist who just got a Haircut and new Western Style Clothes. As they say, a 'Leopard does not change its Spots'. He allowed the Massacre of Alawites, Druze and Christians. There were a lot of Christians in Syria.

They are the oldest Christian group that goes back to the Times of Jesus and they speak Aramaic. They have suffered tremendously under the Muslims. What this Meeting with Sharaa has done is that Trump appeared to legitimize Syria's Leader to the World. And in so doing, Trump lifted Sanctions on Syria for the Saudi Prince, not Syria. It is MBS that is being ascribed the Credit. But this was also an 'Art of the Deal', in how he facilitated the Trillions in the Arms Deal in exchange for bringing Syria back into the Sunni Fold. Why? The Saudis in Arabia seek a Counter-Balance to the Shi'ite Triangle.

The Enemy of my Enemy is my Friend

And they cannot overcome all the Islamic Tenets. They are, after all, the Center of Islam. Sharaa is still ISIS to the Core. And their Islamic Quest is still to annihilate Israel. In Islam, they are the Masters in playing the Long-Game with 'Infidels'. Lucifer is not going to allow Syria to ever love the Jews enough to have Peace. Yet, consider that in Ezekiel 38, during the Gog and Magog War against Israel, Syria is not mentioned. Could it be that Israel and Syria are at peace? Or rather, that Syria has been Nuked out of the Equation. So, perhaps Trump is being deceived with the Taqiyya.

It is the Provision of the Muslims that are allowed to lie to achieve their End Goal. And that is? It is the Islamic Domination of the World. Other End Times Students of Prophecy are seeing the King of the North being Fulfilled. The Rise of this New Syrian Leader could be what is the foreshadowing of the coming AntiChrist. How so? Consider that 1 of the many Aspects about the AntiChrist, is that he is called the Assyrian. Certainly, one would accept that this Set-Up of Sharaa has to do with the Spirit of AntiChrist. It is through the Facade of attempting to make 'Peace' with Trump part of the Deception.

It will be if Trump, in some Grand Fashion, allows Syria to be part of the Abraham Accords. That would be wild. Is the World seeing and experiencing the Birth Pangs now? Well, here is where it gets surreal about this Assad 2.0 in a Business Suit. Al Sharaa is just a Puppet as was Assad, Biden and Obama. One must realize that it was the CIA, under Obama, that armed and trained ISIS. They were put in place by the USA. Realize that Sharaa, formally known as Abu Mohammad al-Julani, was arrested in Iraq at a Military Base by the USA for 6 Years for his Acts of Terrorism.

The Make-Over of Sharaa is just that. It is for Social Media consumption and to deceive the Naïve Westerners. The Power-that-be are applying Western Logic to the Middle East in their attempt to see you as just another Façade and excuse to do what they have always done, 'Kill, Steal and Destroy'. Take, for example, the Leftists/ Liberals in both the USA and Israel. They thought that if they just give the Gazans/ Palestinians 'their' Land, a better Economy they would 'Make Nice' with the Jews. No.

Now consider the Frankenstein they have created in how the Gen Zer's practically worship Hamas and champion their Genocide and Gaslighting of what their ultimate Jihadist Goal is? 'From the River to the Sea, Palestine will be Free'. It is the Jihadist that have coded Real Genocide in their Mandate. October 7, 2023 still happened and it showed that Islam will never overcome Radical Muslim Thoughts against the Jews. Why not? It is a Spiritual Battle and Quest of 'All or Nothing'.

It is about taking Control and Possessing what YHVH covenanted to the Jews: the Promised Land, Jerusalem and the Temple. The Western Liberal in both the USA and Europe are Naïve. They refuse to see that the Muslims have a Religious Agenda. It is to conquer the Western Civilization when they could not do it militarily. They are now doing it through 'Democracy' and Immigration.

Friend or Foe?

The Islamist Rebels under the former Name of the Syrian Leader, Abu Mohammad al-Julani made their Jihadist Intentions clear and known to the Jews from a Mosque in Damascus. Footage from the Main Mosque in Damascus was shown on Hebrew Media of the Syrian Rebels vowing to march on Jerusalem. In December 2024, Footage showed Syrian Rebels who entered Damascus vowing to do the following.

'This is the Land of Islam, this is Damascus, the Muslim Stronghold. From here to Jerusalem. We are coming for Jerusalem. Patience, People of Gaza, Patience. Allahu Akbar!'

Source: <https://twitter.com/officialxkathir/status/1866040606968995987>

This occurred only 1 Day after a stunning Opposition Advance took over Damascus. It virtually ended the 50-Year Assad Family's Iron Rule. Yet, ironically, the Jihadist under now called Sharaa have no one but Israel to thank for their success. If Israel had not taken-on Hezbollah and essentially destroyed it, the Sunni Terrorist would not have had the Opportunity to roll into Damascus.

And also, ironically, Sharaa, the Leader of Hayat Tahrir al-Sham, the strongest Rebel Group, upon taking over Damascus and Syria, reassured the Religious Minorities that Assad had protected that he will not interfere with them and the international community that he opposes Islamist attacks abroad. He stated, 'People will have a better Life and they will understand that Peace is better for them than War'. Unfortunately, that is not what happened and it does not work in an Islamic Society.

Inadvertently, Trump is entangled with New York City. And New York City is where the 9-11 Jihadists Attacks occurred. It is hard not to indulge with possible Prophetic and Biblical Nuances of how Trump is playing a Key Role in the End Times. And this Meeting with the Syrian Leader, Sharaa is a Prime Example. In terms of the Numbers, consider his 2 Presidential And? You have a 9-11 Coefficient going on.

Term 45 is $4+5 = 9$

Term 47 is $4+7 = 11$

Also, on his X Account, the Icon that he uses, is a picture of his face with the U.S. Flag superimposed. If one just considers what is shown on the Circle Motif, you will count 9 Stars and the 2 Red Stripes. One thought that was interesting. If the Rapture Event does take place fairly soon, perhaps it will be during the 'Last Trump' Administration. It will be literally as it is Trump's 2nd and Last Term, just the same. There is of course much debate about what that 'Last Trump' actually is and will be regarding the Rapture Event.

There are those that are staunchly adamant that the Rapture is going to take place on a Yom Teruah Feast. It is about 'Trumps', but many then link it to it being what Paul was referring to in light of the Rapture. So it is naturally the most Popular Date for it to occur. Perhaps. But then there are others that argue, no, it has to do with the Silver Trumpets and not the Shofar Types and on it goes.
