

REVELATION 12 SIGN ANNIVERSARY

BIRTH PANGS OF THE MESSIAH

Signaling the Timing of the Rapture Portal?

I have been getting a lot of emails about a Man named Joshua from Africa who said he had a Near Death Experience. And that in that event, he was taken to the Throne of GOD where he saw Jesus and Jesus showed him a Timeline and gave Joshua the exact day of the Rapture.

September 23, 2025

Not only is he claiming that Jesus has been giving him and other People the date He is coming back for His Bride in the Rapture in the 8th Anniversary of the Revelation 12 Sign, but he states that this year, but that to him was revealed the date of the 2nd Coming.

September 15, 2032

One does find this rather interesting as the timespan from these 2 time markers is 364 Weeks or 6 Years and 11 Months plus 23 Days. This 2549 Day span of time is more than the entire 2520 Days that the 7-Year Tribulation Period is to have. The day difference is 1 Month or 30 Days with End Date included. Granted, it is not known how many days it will be from the actual Rapture Event to the 1st Day that the Daily Sacrifices will begin.

Now, Rapture Dates have come-and-gone. As one has often called the endeavor, the 'Rapture Roulette', dates are pronounced every other day. In one's mind, studying and prognosticating the Rapture's timing is one thing. But when those that do emphatically declare not only the specific Year, Month and Date, but that 'Jesus told me', then that is different. This 2nd tier of disclosure falls on clear Biblical Protocols where such People then have to be vetted Scripturally. 'Test the Spirits', etc.

In other words, since this Man, named Joshua claims that 'Jesus told him' the precise Year, Month and Day of both the Rapture Event and the 2nd Coming of Jesus, then it has to occur, 100%. If it does not, it was not Jesus who told him and Joshua is a False Prophet.

Sign of Virgo in 2017

Normally one would not comment on such Rapture Date prognostications except for reasons in this case of Joshua's declaration. One does want to be respectful because one also had a Near Death Experience (NDE). And on another occasion, if it was an Open Vision or Dream, a number was shown, 723'. However, one cannot say it was Jesus who said that to me, to precisely imply the Rapture's timing. Nonetheless, one has anchored this number to perhaps be precisely linked to the Rapture's Timing. And to that effort, one has researched accordingly.

To one's astonishment, the circumstantial evidence for it possibly being the Rapture Clue keeps mounting. Then the following specifically pertain to the Revelation 12 Sign. The 1st reason is that the date of the Rapture happens to coincide with the 8th Year Anniversary of the Revelation 12 Sign from 2017. And it happens to coincide with the Jewish Civil New Year 2025. The 2nd reasons that the dates 'guaranteed' of the Rapture and 2nd Coming approximate one's calculation are the 7-Year Tribulation Period.

However, that timeframe is based on either a start date of October 13, 2025. Shemini Atzeret Feast or the Sabbath after the 8th Day Assembly of Simchat Torah on October 18, 2025. As shared in prior studies, depending on the start date, the midpoint of the Tribulation Period will either be on Nisan 10 which is March 26 2029 or April 1, 2029. This then will also determine the 2nd Coming to be either on September 6 2032 which is Rosh HaShanah. It will coincide with the Feast of Trumpets. Or the 2nd Coming would be that 'Bookend' of the Sabbath of Return on September 11, 2032.

These are all very intriguing dates and numbers. But some critics will point out, 'Ah, you are also date-setting and prognosticating both the timing of the Rapture and the 2nd Coming right down to the Year, Day and Month' No. This is one's point and difference. No, Jesus did not tell me. No, it is guaranteed as an absolute. As an Academic, one strives to apply a measure of the Scientific Method and go based on Theories and a Hypothesis. They are unprovable until they are put to the test. So, here is the quandary with such Brethren like Joshua making an absolute Truth Statement.

Either Joshua or others like him are absolutely correct and right about the Rapture Date and the 2nd Coming or they receive this revelation and understanding from an Entity or Spirit that impersonated Jesus. The Problem with such Rapture and 2nd Coming Date-Setting is that one cannot argue to the contrary until the passing of Time of those Truth Claims, etc. That is why on this side of the Rapture, Time is what will ultimately equalize every claim, vision and/or statement about the 'Rapture Roulette'.

Now, to address the Revelation 12 Sign's 8th Anniversary as being the Rapture Event. This, one can comment and one believes one is qualified to as one was the originator of the notion based on the Retrograde of Jupiter occurring in the Sign of Virgo in 2017. It started back in 2008 with the advent of Google Sky in which patches of the Sky or Constellations were blacked-out. One of the patches was precisely where the Planet Jupiter was to be in Virgo's 'Womb Area' of the Celestial Motif in 2017.

Harpazo of the Man-Child

One showed this pattern as Virgo is the only Female Motif in the 12 Constellations and is the Sign that 'births' the Planets. This is because the Planets and the Sun and the Moon travel along the Ecliptic and as it enters the Sign of Virgo, from left to right, it appears that they are being 'birthed' through the Womb of the Woman, etc. For example, what one shared with a Rapture online Blog Post was that in 2015, it would be Saturn that would have had its Retrograde occur in Virgo. That then set the stage for the Jupiter Retrograde to then occur in 2017.

Jupiter's Solar Cycle or 1 Year duration occurs every 12 Years, meaning that in 2017, it would then take 12 Years for the Planet to then reappear in the same Sign, etc. What was special or how the Revelation 12 Sign was distinguished from its yearly configuration, which most People did not realize or understand, is that it was Jupiter's Retrograde that lasted 9 Months. A Retrograde Motion is when a Planet or Celestial Object appears to be moving forward, then stops and then travels backwards before then moving forward again. This effect is due to the different speeds of the relative objects being viewed.

Now the following will be why one is hesitant to be convinced that on September 23, 2025, the Rapture is to take place. Obviously, one could be wrong and it could occur, perhaps. But let us put the Truth Statement to the test, preliminarily. Why this Celestial Sign was sensationalized and literally took a life of its own as they say is based on valid inferences. The Sign was made to coincide with the 'birthing' of the Planet Jupiter as it is inferred by the Jewish Sages as the Planet of the King, the Messiah.

The Planet does protect Earth from major Asteroidal Impacts and it is striped and has a large 'Wound' on its side, etc. Then lastly, it astronomically approximated the depiction of what John in the Book of Revelation was shown. The Prophetic Picture was that of a 'Rapture' as the Greek Word, 'Harpazo' is actually used. Thus, as that Man-Child was raptured to the Throne of GOD in Heaven, it was assumed that it exclusively pertained to the Church Body and thus when the Rapture was to have taken place, etc. However, one will start with the false assertion that sensationalized the Revelation 12 Sign in the 1st Place.

1) It did not occur on Rosh HaShanah or the start of the Jewish Civil Year.

2) It did not 'birth' the Planet Jupiter on that precise day.

3) It is a once in a 7000 Year Sign!

The Revelation 12 Sign astronomical configuration was made out to stretch to coincide with the Feast of Trumpets. False. The 'birthing' of the Planet to the Messiah, or Jesus as in the Man-Child and thus the Bride of Christ to coincide with the Rapture moment. False. The Planet Jupiter was 'birthed' out of Virgo's Womb area on September 9, 2017, having crossed that imaginary line set by the artistic rendition of the Motif. It actually cleared the 'Womb' on September 11, 2017.

The 1st Prophecy

In one's mind, this is prophetically significant in that one has calculated that the actual Year, Month and Date of Jesus' birth was on September 11, -3 BC. This is due to the triple Retrograde of Jupiter in Regulus and the Jupiter-Venus Conjunctions in Leo, etc. As mentioned, the Revelation 12 Sign is not a 7000 Year extraordinary Astronomical Alignment. False.

The Sign 'approximates' the constant factors that in mid-September to early October of every Year, the Sun will be in the head to shoulder area of the Virgin Motif. And the Moon will be anywhere from the primary Star of Spica to the foot area as well. And the 3 Planets that are associated with the Sign, Venus, Mars and Mercury are in various positions relative to each other and the entire Sign of the Virgin, etc. So, to reiterate, what made the Astronomical configuration in 2017 significant was the Retrograde of Jupiter.

This happens every 12 Years, so, no, the Sign is not a 7000-Year Anomaly. Now, to be fair, the precise positioning of all the Celestial objects can never be replicated. Thus, the most approximate depiction of the Sign did occur once. That was in -3915. In that iteration of the Revelation 12 Sign, the Planet Jupiter was actually 'birthed' on that timeframe of August 4. Then of the 3 Planets that were in alignment in 2017, Venus that was in alignment with Mercury and Mars was replaced by Saturn in -3915.

Now here is a very fascinating notion. If the Re-Creation based on Genesis 1:2 occurred in -3972 BC, then the year difference would be 57 Years. Was then the time and place where Adam fell into Sin? Now the following will be one's commentary and rationale why one is more convinced that the Rapture Event will not take place on September 23, 2025. One will be basing the assertion from purely the Astronomical configuration that occurs precisely on that date.

The links below will show the charts that depict the approximate Revelation 12 Sign leading up to September 23, 2025. What is rather intriguing is that the date is Rosh HaShanah, right on the very day of its 8th Year Anniversary. And Biblically speaking, the number 8 signifies 'New Beginnings'. Does this imply that the Tribulation is about to commence? Perhaps if one's Fall 2025 to Fall 2032 Tribulation Timeline is to turn out to be correct. This Revelation 12 Sign is a prelude of sorts then.

Consider that just before the Revelation 12 Sign Anniversary occurs there is a Solar Eclipse in Virgo. One finds the timing and the place very fascinating. What is very significant leading-up to the September 23, 2025 Revelation 12 Sign is that on September 19, 2025, there will be an Occultation of Venus. This is when the Moon that is about to be 'New' will block out Venus as if 'disappears'.

Revelation 12 Sign of 2029

The Moon, being all 'Black' will have that amazing Astronomical Effect from Earth's point of view. And what is peculiar about it is that this event will be coinciding with a Triple Conjunction of the Moon with Venus as mentioned but also in direct line with the King Star, Regulus. This Star is also known as the 'Heart of the Lion King', etc. So, if one applies the Typology of Venus being a Euphemism for Jesus as depicted in the Book of Revelation, then it will be as though Jesus was there and then He 'disappeared'.

Does this insinuate how in the coming Tribulation Period, it will seem that Jesus has departed? Yes, if one further applies how Jesus has by this time already come for His Bride. Now to the main reason why one is not convinced that the Rapture Event will take place on September 23, 2025. Again, one is only holding to the Astronomical Pattern when making the following rebuttal.

Recall that in 2017, the main issue that put the Revelation 12 Sign, 'On the Map', as they say was how Jupiter, the King Planet was in Virgo for 9 Months. And this factor alone was used to justify the Sign as being the place and time for the Rapture to have occurred. And? Well, as one can see in the chart attached to a link in the end notes, there is no Jupiter to be found.

Jupiter will next come around into Virgo in 2029. And astonishingly, it will have its approximate Astronomical configuration on September 11, 2029. Coincidence? What one only finds in the Revelation 12 Sign of 2025, are the 3 Planets of Venus, Mercury and Mars but spread-out between the Constellations of Leo and Virgo. What is notable is that although the Sun is in the head and shoulder area, the Moon is not in the feet area. The Moon is in line with the Primary Star of Spica in Virgo.

One finds this very interesting as if the Moon is signaling the significance of the meaning of the Star, which is the 'Branch'. It is a Messianic reference, so based on this iteration of the yearly approximate Revelation 12 configurations, there is no 'Jupiter' Man-Child to speak of that is Harpazo or raptured up to Heaven. And this is regardless of what one interprets the Man-Child to be, Jesus or the Bride of Christ, collectively, etc.

What was rather odd, in the USA, in particular was the Kerrville Flood that occurred on July 4, 2025. The devastating floods in Central Texas was caused by a surge in rainfall and the alleged release of water from the Dam in the Guadalupe River. The surge and rain combined produced 30 Foot or 9 Meter flood that many are liking it to the 'Braking of the Water' in a Child Birth. Consider that the name, 'Guadalupe' is considered the Matriarch of the Americas, a rendition of the Virgin Mars. And?

If one looks-up the depiction of her, it is the Revelation 12 Sign. She has the Sun at her head and the Moon beneath her feet as she is enveloped with the Stars. Coincidence? A Sign? Note that on September 23, 2025 is the 8th Year Anniversary that signifies 'New Beginnings' and the date coincides with the Rabbinical Civil New Year of Rosh HaShanah on Tishrei 1. Why focus on this particular Texas Flood as there are countless ones always occurring around the world?

Consider the date, it was the Independence of the USA. It so happened that at Kerrville, it was the approximate intersection of the 2 Great American Solar Eclipses of October 14, 2023 and April 8, 2024. Note that the April 8, 2024 was on the Jewish Religious New Year or Nisan 1. What is also interesting in keeping with the theme of New Beginnings, a was that of the USA on July 4, 1776, was that on the October 14, 2023 Eclipse, the Torah Portion for that Sabbath was the 'Parashat Bereshit'. It was the beginning of the Yearly Cycle of the Torah Readings. And it started with Genesis 1:1. Was such a Sign as this Guadalupe River flooding or 'Breaking of the Water' alluding to a coming 'Birth' of the Man-Child, i.e., the Rapture 'delivery' in 2025?
