The purpose of this study is to depict the Astronomical Correlation of the All-Female Blue Origin Space Launch on Passover that occurred on April 14, 2015. One sees an example of Luciferian Predictive Programming occurring in the following manner. The Question one has, when such Types of Mile-Markers are achieved and occurring in Public, is why on Passover? Why 6 Female? White, Black and Brown? What is going-on Astronomically? But how could one possibly correlate the Earthly Super-Stars with Luciferian Nefarious Narratives? One is not insinuating that anyone of the 6 Female Participates in the Space Launch venerated Lucifer.

Well, consider that Katy Perry actually stated that after growing-up in a Christian Family and going to Church singing Gospel Songs, she 'Sold her Soul to the Devil' for Fame and Fortune. It is also known that the Entertainment Industry shoulders-up with the Occult. One will attempt to show that the Occult Correlation is based also on the direct Pleiades Star Cluster Association with the Females, as depicted in their Group Picture taken after the successful landing back on Earth. Perhaps this is a Fringe Fantasy that one is crossing, but consider the Evidence presented.

How can this Event have been corresponded to the Occult? Well, the Outfits were designed through a Collaboration with the Monse Brand and Lauren Sanchez. And this is how many Monse Followers, on the MonseMaison Instagram Account they had on the date of the flight, on April 12, 2025. They had the 'Mark of the Beast' AntiChrist Signature Number. Coincidence?

**666K Followers**

One will attempt to show that there appears to be a direct Astronomical Correlation with the 6 Core Pleiades Stars, along with Atlas and Pleione to the 6 Core 'Super-Stars' of Earth, along with Bezos and Assistant. The 7 Maidens of the Pleiades are based on the Ancient Mythology that are guarded by the 'Great Shepard', Atlas.

He, along with his Sheep Dog Pleione tend to the 7 Stars of the Congregation of the Judge, or as the Bible depicts, the 7 Churches of Asia. One surmises that this Event could have a Rapture Typology being 'Virtue-Signaled' by the Luciferians. It is how the Rapture Event occurs and concludes the Church Age. One will also touch upon, why the 'Pleiades' and now?

## **Super Stars**

So, there was a Space Flight of the 6 All-Female Crew that went to the Edge of Space on April 14, 2025, which was Passover. Onboard was the Fiancé of the Billionaire Jeff Bezos and other 'Star' Celebrities. Well, one cannot help but see the Biblical Rapture Typology of how the Bride of Christ is to meet Jesus in the Clouds, at the Edge of Space.

And here you have the Flight on Passover of this 6 Female Crew that appears to correlate to the Pleiades. What? Is it not the Pleiades consisting of 7 Stars? Technically, the 7th Star, Asterope is not part of the Core. So, the Core Stars of the Pleiades are 6. The following are their Names with the Matriarch being Alcyone. This would correspond to Bezos' Fiancée, Lauren Sanchez, the former Entertainment Tonight Host, etc.

The other notable Stars or 'Idols' will be noted. However, in a Group Picture, the entire 9 Production Personnel included Bezos, as 'Atlas', along with his 'Pleione' Attendant. There was a 7th Woman, in a different 'Costume' that did not have the Bell-Bottom Fashion Statement. She was not part of the Crew on the Blue Origin Space Flight. She would correspond to Asterope that is at the 'Gate' or the Gatekeeper of the Pleiades.

### **PLEIADES (6 CORE STARS)**

1. *Alcyon*
2. *Merope*
3. *Electra*
4. *Celaene*
5. *Taygete*
6. *Maia*

7. *Asterope*
  8. *Atlas*
  9. *Pleione*
- 

### **BLUE ORIGIN (6 CORE SUPPER-STARS)**

1. *Lauren Sánchez*
2. *Katy Perry*
3. *Aisha Bowe*
4. *Kerianne Flynn*
5. *Gayle King*
6. *Amanda Nguyen*

7. *Woman*
8. *Jeff Bezos*
9. *Man*

Thus, here one can see, as strongly suggested, of how the Luciferians were mimicking the Astronomy and the Array with the Feast of YHVH. Perhaps a 'Coincidence' to correspond with a real Time and Place association, in one's Estimation. Sure, this could be far-fetched and bordering on the 'Absurd'.

## **A Rapture Rendezvous?**

And surely other Earthly 'Stars' and Billionaires that can pay to travel to the Edge of Space have ventured to do so. That Edge is called the Kármán Line, by the way. But to the Luciferians, mocking YHVH's Holy Feasts and attempting to upscale them is all about the Place and Time. As one who has studied the Luciferian Occult and Biblical Typologies and is an Amateur Astronomer, one would bet on this Pleiades Star Correlation. One just sees that these Earthly 'Super-Stars', specifically chosen because in that Aspect are what got to go up.

Thus, they correspond to the Pleiades Stars and the Rapture. And what is about this Pleiades Star Cluster that is so Mysterious? One's Research into the Topic of the Pleiades has led to the Study of the Cydonia, Mars Triangulation. One has now written 4 Books on this Phenomena of such Structures on Mars. In Cydonia, 1 Structure Complex is called the 'Pleiades City'. It was 1st attributed to Richard Hoagland in the 1990s.

The Pleiades Star Cluster is even mentioned by Name in the Old Testament by YHVH. And in the Book of Revelation, Jesus is directly associated with these 7 Stars. Then in studying the Topography of Jerusalem, for example, one has discovered that it is exactly laid-out in the Star Confirmation of Orion. It also included the Pleiades Correspondence. If one overlays the Taurus Constellation upon the Kidron Valley and the Temple Mount from a North-South Orientation, the Pleiades 7-Star Cluster precisely corresponds to where the Ark of the Covenant was situated in the Holy of Holies.

This present Spot corresponds to the Dome of the Spirit or that of the Tablets. It is about the Shekinah Glory or the Spirit of YHVH and the Ark of the Covenant that contained the 10 Commandments written on the 2 Tablets of Stones. These were given to Moses by YHVH as on Mount Sinai after the Exodus, etc. Such befitting Names that correspond to what was stationed there and will be again during the Last 7-Year Tribulation Period. This Time-Frame occurs soon after the Rapture Event.

This is 1 of many Astronomical and Topographical Pieces of Evidence to strongly suggest where the True Location of the Temple of Solomon and Zerubbabel were erected and will be again with the 3rd Temple. And so how is this Pleiades Passover Parody linked with Uranus, the God of the Sky or Clouds? It is no coincidence, in one's Mind that as the God of the Sky, Uranus is in the Constellation of Taurus in 2025. The Planet of the Sky God approaches the Pleiades.

Thus, leaping-forward as a Possible Signaling of the coming Rapture Scenario, one wonders if this was just a Luciferian mocking the Rapture Dress Rehearsal. Luciferian? Well, if one also considers the Logo for the Mission, it shows the 'Baphomet' Horned Goat God. This Effect occurs if one sees the Patch, up-side-down. See the Chart Graphic of the Flight NS-31 Mission Patch linked in the End Notes. Was it a Coincidence that the Blue Origin Space Rocket is called the 'New Shepard' as in Shepherd? And as noted, that is what the Star Atlas signifies. And? This Rocket or 'Ark' owned by Bezos, the 'Shepherd' that corresponds to the Star, Atlas, that is the Shepherd of the Pleiades, that of the 6 Core 'Pleiadian' Super-Stars.

And in Biblical Terms? According to the Work of E.W. Bullinger, Atlas is the Prophetic Picture of Jesus who is the Great Shepherd of the Sheep. And it is the Rapture where Jesus comes to take-up the 7-Fold Church Age Followers and Believers of Jesus to Himself, there in the midst of the Clouds, at the very Edge of Space, etc. Astrologically, the Pleiades Star Cluster is also known as the 'Congregation of the Judge'. So, this is how one has surmised, the 'Super-Star' Association of the 6 Females to the 6 Core Pleiades Stars, perhaps.

But it is how, once again one is seeing a Signaling of how it will occur at the Resurrection-Rapture Event. It is when the True Shepherd of the Sheep, Jesus, the Greater 'Atlas' will take the Bride the Christ, the Greater Pleiades on His Chariot and meet at the Edge of Space. With the Help of the Holy Spirit, that is what will carry Jesus' 'Super-Stars', the Bride of Christ, as it left-offs from Earth's Presence. It will be a similar Feast perhaps when Jesus' Fiancé will be raptured-up to that Place and Time, at the Rapture Rendezvous.

The Difference is that the 7-Stars that Jesus holds in His Hands will not be returning to Earth. She will be ushered into the Greater Gate. She will enter the Fold of Heaven, escorted by Jesus Himself to be present to the Father. She will then be shown the Wedding Chamber that, as Bezos is betrothed to Lauren, Jesus will then wed His Bride at last. After all, the Passover Connection is that it was at that Place and Time where Jesus promised to return.

And that Jesus would take her, collectively as the Greater Pleiades to the Father's House. No Rocket Required. Jesus has been preparing that Wedding Chamber for nearly 2000 Years. In fact, if one factors in the 1 Uranian Year, it will make 2032 the 84th Year since Israel's Rebirth in 1948. It is 7 Years from 2025, that as noted, the Sky God of the Clouds marks where the Pleiades in the Constellation of Taurus comes into Alignment from the Ecliptic. This occurs, precisely at a 90 Degree Perpendicular Angle on July 23, 2025.

## PREDICTIVE PROGRAMMING ALLUDING TO THE RAPTURE TYPOLOGY?

The purpose of this illustration is to depict the Astronomical Correlation of the 18-formal Blue Oligo-Scale Lancers on Passover of April 14, 2015. One sees an example of Luciferian Predictive Programming occurring in the following manner: The Oculi Correlation is based on the direct Pleiades Star Cluster Association with the females and the entire Presence, as depicted. There appears to be a direct correlation with the 6 Core Pleiades Stars along with Atlas and Pleione. It is based on Ancient Mythology of the Great Shepherd, along with those Oculi that are trading to the 7 Stars of the Congregation of the Judge, or as the Bible depicts, the 7 Churches of Asia. One surmises that it could have a Rapture Typology being signals of what is to occur at the Rapture Event that should shake the Church Age.

The Mission Patch, when revealed and seen in the sky, appears to depict the Iconoclastian Rapture. One God, He overcame with a Stick, that end of that of an Alien Mode, in one's interpretation.

The Pleiades is in the Constellation of Taurus. In 2025, the Giant Gas Planet of Uranus, the 'God of the Sky/Clouds' is in-line with the Pleiades. Uranus has a 84 Year Solar Cycle that if people to Israel's Rebirth Year of 1948, will complete 1 Rebirth Year in 2032.
