The following is one's Dialog with ChatGPT about the Revelation 12 Sign. And according to A.I., where did it come from and from whom. One thought it was rather interesting. It has been long debated, controversial when it was 1st proposed, but now deemed 'Common Knowledge'. Such New Theories are treated that way, such as the New Wine being on Pentecost of Acts 2, the Crucifixion Year being in the Year 32 AD, and on a Wednesday, a Nisan 10 occurring thus on a Sabbath and Jesus Resurrecting on a Sabbath, etc. As one who claims Original Discovery, this ChatGPT Output of Responses was fairly accurate, in one's Opinion.

It does provide a fairly balanced Assessment and provided an Outline for a General Context of what the Great Sign was, what is and what one will still argue will represent. The Revelation 12 Sign is not 'Done', as one has continued, over the years since around 2008, chronicled the possible Prophetic Meaning. One is of the Interpretation that is Multilayered and 'Pregnant' in Prophetic Meaning at several Level, i.e., Mary, Israel, the Church, Jesus as the Promised Ruler and the Remnant Believing Jews during the Tribulation Period, Here is the ChatGPT Exchange about it all.

WHERE DID THE REVELATION 12 SIGN COME FROM OR WHO DISCOVERED IT?

The Revelation 12 Sign is a Modern Interpretation of a Passage in the Bible—specifically Revelation 12:1–2—that some believe was fulfilled in the Sky on September 23, 2017. This Idea was largely popularized by Christian Prophecy Enthusiasts online, especially through YouTube and Blogs.

Origin and Popularization:

-Scott Clarke is often credited as 1 of the 1st People to bring Widespread Attention to the "Revelation 12 Sign" through his Videos and Online Content starting around 2011.

-Other figures like **Gary Ray from Unsealed.org, and Revelation 12 Daily Blog** also helped spread the Theory.

-The Idea gained Momentum in Prophecy and End-Times Circles, with some suggesting it could mark the Rapture or other Significant Biblical Events.

WHAT IS THE "REVELATION 12 SIGN"?

It refers to this Biblical Passage:

"A Great Sign appeared in Heaven: a Woman clothed with the Sun, with the moon under her feet and a crown of twelve stars on her head. She was pregnant and cried out in pain as she was about to give birth."— Revelation 12:1–2

Interpreters claimed that on September 23, 2017, a Rare Astronomical Alignment involving the Constellation Virgo, the Sun, Moon, Jupiter, and other Stars resembled this Description:

-Virgo = The "Woman".

-Sun near her Shoulder = "Clothed with the Sun".

-Moon at her Feet.

-Jupiter in her "Womb" Area = "Gave Birth".

-Leo + 3 Planets above Virgo's head = "Crown of 12 Stars".

Scientific and Theological Reception:

-Astronomers generally note that similar Alignments happen every few Decades and aren't as rare as claimed.

-Most Theologians and Biblical Scholars do not view this as a Valid Fulfillment of Prophecy.

-They interpret Revelation 12 Symbolically or as referencing Past or future Spiritual Events, not Literal Astronomy.

Would you like a breakdown of the Biblical Symbolism or the Astronomy involved?

YES.

IS THE REVELATION 12 SIGN GOING TO RECONFIGURE IN THE YEAR 2029?

According to researcher Luis B. Vega, the Revelation 12 Sign is anticipated to reconfigure in the Year 2029, marking a significant Midpoint in his Proposed Prophetic Timeline.

What Is the Revelation 12 Sign?

The Revelation 12 Sign refers to a Celestial Alignment described in the Bible's Book of Revelation (12:1–2), which some interpret as a Prophetic Sign. On September 23, 2017, an Astronomical Configuration involving the Constellation Virgo, the Sun, the Moon, and the Planet Jupiter was seen by some as a fulfillment of this Prophecy.

Vega's Interpretation and 2029 Reconfiguration

In his book *Revelation 12 Sign – 2029: In the Midst of the Tribulation*, Vega posits that the 2017 Sign initiated a 7-Year Countdown leading to a Pivotal Event in 2029, which he associates with the Midpoint of the Tribulation Period described in Biblical Prophecy. He suggests that this Period aligns with significant Eschatological Events, including the rise of the Antichrist and the "Abomination of Desolation."

Vega's Research emphasizes Patterns in Celestial Events and their Potential Correlations with Biblical Timelines. He argues that the 2029 Alignment serves as a continuation or "Reconfiguration" of the 2017 Sign, reinforcing its Prophetic Significance.

Summary

2017: Initial Revelation 12 Sign observed.

2029: Proposed Reconfiguration, marking the Tribulation's Midpoint in Vega's Timeline. Significance: Vega interprets these Celestial Events as indicators of Prophetic Milestones.

It's important to note that these Interpretations are Speculative and not Universally Accepted among Theologians or Astronomers. For a more in-depth Understanding of Vega's Perspective, you may refer to his Book *Revelation 12 Sign – 2029: In the Midst of the Tribulation*.

WHAT IS THE POSSIBLE BIBLICAL OR PROPHETIC SIGNIFICANCE OF REVELATION 12 SIGN 8TH YEAR ANNIVERSARY ON SEPTEMBER 23, 2025, WHICH IS YOM TERUAH?

The 8th Anniversary of the Revelation 12 Sign on September 23, 2025, coinciding with Yom Teruah (the Feast of Trumpets), holds Potential Prophetic Significance for some within the Christian Community. This Convergence is seen by certain Believers as a Symbolic Marker within the broader context of Biblical Prophecy.

The Revelation 12 Sign and Its Anniversary

The Revelation 12 Sign refers to a Celestial Alignment observed on September 23, 2017, which some interpreted as a fulfillment of the Vision described in Revelation 12:1–2. This Alignment involved the Constellation Virgo, the Sun, the Moon, and Planets such as Jupiter, and was seen by some as symbolizing the "Woman clothed with the Sun" mentioned in the Scripture.

The 8th Anniversary in 2025 is notable to these Observers because the Number 8 in Biblical Numerology often represents New Beginnings or Renewal. This Symbolism, combined with the Timing on Yom Teruah, adds to the Perceived Prophetic Weight of the Date.

Yom Teruah: The Feast of Trumpets

Yom Teruah, also known as the Feast of Trumpets, is a significant Jewish Festival that marks the Beginning of the Civil New Year. Biblically, it is associated with the sounding of the Shofar (Ram's Horn), which serves as a Call to Repentance and a Reminder of GOD's Sovereignty. In Christian Eschatology, **the Feast of Trumpets is often linked to the anticipated Return of Jesus Christ, as the sounding of the Trumpet is mentioned in passages concerning the Second Coming.**

Interpretations and Perspectives

While Mainstream Theological Scholarship does not endorse the Revelation 12 Sign as a Definitive Prophetic Event, its Anniversary on Yom Teruah in 2025 is viewed by some as an Opportunity for Reflection on Themes of Repentance, Renewal, and the Anticipation of Future fulfillment of Biblical Prophecies. This Perspective encourages Believers to remain Vigilant and Spiritually Prepared, aligning with the broader Messages often associated with the Feast of Trumpets.

A Note of Caution

It's important to approach such Interpretations with Discernment. **The Bible cautions against setting Specific Dates for Prophetic Events, emphasizing instead a State of Constant Readiness and Faithfulness.** Engaging with these Discussions can be enriching when done thoughtfully, **but they should not replace the Core Tenets of Faith and Practice.**

ON SEPTEMBER 21-22, 2025, THERE IS A SOLAR ECLIPSE IN VIRGO. THE SOLAR ECLIPSE WILL OCCUR IN THE SOUTH POLE REGION. WHY DO THE CONSTELLATIONS APPEAR 'UPSIDE DOWN', FROM THAT PERSPECTIVE ON THE EARTH?

Great Question! The Reason Constellations (like Virgo) appear “Upside Down” when viewed from the Southern Hemisphere (or near the South Pole) has to do with the Orientation of the Observer relative to the Celestial Sphere.

Why Constellations Look Upside Down in the Southern Hemisphere

The Night Sky is a Dome of Stars surrounding Earth, called the Celestial Sphere. How you see that Dome depends entirely on your Position on Earth.

Key Concepts:

- In the Northern Hemisphere, you're looking "Up" toward the Northern Celestial Pole.
 - In the Southern Hemisphere, you're effectively looking “Up” toward the Southern Celestial Pole—which flips your perspective on the Sky.
-

The Virgo Example:

When Virgo appears upright in the Northern Hemisphere, her "Head" is at the top and "Feet" at the bottom. But:

- At the South Pole (or close to it), your entire Perspective on the Sky is rotated.
 - You are now "under" the Celestial Equator, looking from the Opposite Side, so Virgo appears Inverted—Head Down, Feet Up.
-

Why This Happens:

Think of the Sky like a Giant Globe:

- When you're in the Northern Hemisphere, you're on one Side of the Globe looking up at the Stars.
- In the Southern Hemisphere, you've “Walked” to the other Side of the Globe—and are now viewing the same Sky from an Inverted Perspective.
- This flips the East-West and Up-Down Orientation of Constellations.

Solar Eclipse in Virgo (Sept 21–22, 2025)

This Solar Eclipse occurs in the constellation Virgo, and its Path of visibility is near the South Pole. That means:

-Observers in that Region will see Virgo appear Flipped compared to how it looks from the Northern Hemisphere.

-The Sun will eclipse while appearing to be in Virgo, with the Constellation “Upside Down” due to Polar Perspective.

Summary:

Constellations appear Upside Down in the Southern Hemisphere because you're viewing the Sky from the Opposite Orientation.

It's like turning a World Map Upside Down—you're still seeing the same Content, just from a Flipped Perspective.

During the 2025 Solar Eclipse in Virgo, observers near the South Pole will witness this Dramatic Inversion.

WAS LUIS B. VEGA THE ACTUAL RESEARCHER THAT ORIGINALLY DISCOVERED THE REVELATION 12 SIGN, AS FAR BACK AS IN 2008?

Luis B. Vega is one of the earliest and most prolific Researchers to popularize the Revelation 12 Sign Concept within the Christian Prophecy Community, particularly through detailed Astronomical Charts, Timelines, and theological Interpretations. However, the claim that he was the original discoverer of the Revelation 12 Sign as far back as 2008 is disputed and should be carefully qualified. Here are Key Points to consider:

Luis B. Vega's Research:

He did begin publishing Material related to Astronomical Alignments and Biblical Prophecy—including what would later be termed the "Revelation 12 Sign"—as early as 2008 or even earlier.

His Website (Post-2008) contains Charts, Diagrams, and Studies connecting Celestial Events (especially around Virgo and Leo) to Revelation 12.

He used a mix of Astronomical Software and Biblical Typology, and he has been consistent in viewing such Signs as Prophetic Indicators.

Luis B. Vega's Contributions (2008 Onward):

Vega began publishing on his Website (www.PostScripts.org) and elsewhere around 2008-2010.

He provided extensive Graphics and Astronomical Data linking the Alignment of Virgo, the Sun, Moon, and Planets (including Jupiter) to Revelation 12:1–2.

He appears to have independently identified the September 23, 2017 alignment as prophetically significant and matched it to the Revelation 12 narrative before it gained wider attention.

Others Also Made Early Contributions:

Scott Clarke is often credited with popularizing the Revelation 12 Sign on YouTube starting in 2011. He reached a much broader audience than Vega and focused on the same September 2017 Alignment.

Some Amateur Astronomers and Bible Prophecy Students in Online Forums (such as Watchmen Forums, Rapture Ready, etc.) were also discussing Virgo Alignments in the Mid-2000s, though not necessarily calling it the “Revelation 12 Sign.”

Earlier Mentions (Pre-Vega):

Some Astronomy and Bible Enthusiasts had noted the Virgo-Leo Alignments even before 2008. For example, Researchers like Ernest L. Martin and other Astronomical-Biblical Scholars had discussed Virgo-Related Signs in connection with Christ’s Birth decades earlier.

However, those earlier Analyses were not framed as “the Revelation 12 Sign” in the way Vega or Clarke presented it.

The Sign Itself (Sept 23, 2017):

The Alignment in question involved Virgo, the Sun, the Moon, Jupiter, and a Crown of 9 Stars + Mercury, Venus, Mars—interpreted by some as the Literal Fulfillment of Revelation 12:1–2.

This Celestial Event was visible using Astronomy Software like Stellarium and was seen by Proponents as Rare and Prophetically Meaningful.

Summary:

Luis B. Vega was one of the Earliest Researchers to document and publish on the Revelation 12 Sign, likely as early as 2008.

However, calling him the sole “Discoverer” is too strong, as similar ideas were likely being explored by others, and the Concept itself gained popularity through multiple Sources (notably Scott Clarke).

His Early Date (2008) is supported by Archived Timelines and Charts, though Exact Dates of Publication can be hard to verify in every Case.

Conclusion:

Yes, Luis B. Vega was among the 1st to explore what would later be called the "Revelation 12 Sign" in Published, Research-Like Form, possibly as far back as 2008 or earlier.

No, he was not the sole Original Discoverer—the Idea evolved through multiple Researchers over Time, and the Term and specific 2017 Focus was largely popularized by Scott Clarke.

If you're asking about the Original Discoverer in a Scholarly or Prophetic Sense, it's more accurate to say that Vega was a Pioneering Early Contributor.

Would you like a comparison Timeline of Vega vs Clarke and others on this topic?

YES

Here is a Comparison Timeline showing Key Figures and Milestones in the Development and Popularization of the Revelation 12 Sign Theory, with a focus on Luis B. Vega, Scott Clarke, and other Relevant Contributors:

Revelation 12 Sign – Research & Popularization Timeline

2008 – Luis B. Vega (Early Research)

Vega begins publishing Astronomical Charts and Prophecy Timelines, many of which include Celestial Events tied to Biblical Prophecy.

Some of his Early Diagrams reference Virgo, Jupiter, and Revelation 12, though the “Revelation 12 Sign” Terminology wasn’t widely used yet.

Focused more on Mathematical Models, Jewish Feast Dates, and Celestial Alignments.

His Work was largely Academic and Visual—using Astronomy Software and Bible Codes.

Credited as possibly the 1st to associate the 2017 Virgo alignment with Revelation 12 in published form (PDFs, Diagrams).

2010–2011 – Early Forum Discussions

Watchmen and Prophecy Forums (e.g., Rapture Ready, Five Doves) begin discussing unusual Virgo Alignments visible in 2017.

These Discussions often mention Jupiter's "Gestation" in Virgo, matching the "Man Child" Imagery in Revelation 12:2.

The Phrase "Revelation 12 Sign" starts emerging informally in these Online Discussions.

2011 – Scott Clarke (Mainstream YouTube Promotion)

Scott Clarke begins posting Videos on YouTube detailing the September 23, 2017 Alignment.

Introduces the Term "Revelation 12 Sign" to a Broader Audience.

Uses Stellarium Software to visualize Virgo, the Sun, Moon, Jupiter, and the "Crown" of Stars.

His Videos go viral in Prophecy Circles.

Clarke is widely credited with popularizing the Revelation 12 Sign Idea—he was the Main Voice that brought it to the Public's Attention.

2012–2016 – Growing Community Interest

Numerous Blogs, YouTube Channels, and Prophecy Sites begin tracking the Revelation 12 Sign.

Luis B. Vega continues publishing Charts and Academic-Style Papers tying the Sign to Jewish Festivals, Blood Moons, and Prophetic Timelines.

Vega's Work is more In-Depth and Diagram-Focused, whereas Clarke's is Video-Driven and aimed at the Average Viewer.

2017 – The Event Itself (September 23, 2017)

The Celestial Alignment matching Revelation 12:1–2 appears in the Skies over Israel and Globally.

Massive increase in Media, both Christian and Secular, covering the Event.

Critics from both Astronomical and Theological Communities push back, calling it Coincidence or Pseudo-Science.

Vega, Clarke, and others respond with more Content and Analysis.

Post-2017 – Aftermath and Continued Debate

Interest wanes after no major Prophetic Events immediately follow.
Vega continues publishing on related Signs, Jubilee Cycles, and Future Celestial Alignments.

Clarke shifts Focus over Time but remains active.

The Revelation 12 Sign remains a Key Point of reference in Modern Prophecy Discussions.

Summary Chart

Would you like me to pull some Archived Diagrams or PDF Links from Vega's Early Work to show Specific Evidence of his 2008 Publication Claims?

YES.

Yes, Luis B. Vega is among the Earliest Documented Researchers to associate the Celestial Alignment of September 23, 2017, with the "Revelation 12 Sign," dating his Initial Studies back to 2008.

https://drive.google.com/file/d/1ZV5tbylu9KFJiQhVdm6uE0-dAAVCPiN1/view?usp=drive_link

He has consistently maintained that his research into this prophetic sign began in 2008, as evidenced by his Publications and Statements on his website, PostScripts.org .

https://postscripts.org/article-a16-revelation-12?utm_source=chatgpt.com

Vega's Early Work includes detailed astronomical charts and timelines linking the alignment of Virgo, the sun, moon, and planets to Revelation 12:1–2. For instance, his collection of Revelation 12 Virgo Sign charts, published over eight years ago, provides comprehensive illustrations of the alignment and its prophetic implications .

In Summary, Luis B. Vega's Contributions to the Study of the Revelation 12 Sign are Significant and date back to 2008, making him one of the Earliest Researchers to explore this Celestial Event's Prophetic Significance. However, the Widespread Awareness and Popularization of the Sign involved multiple Contributors over Subsequent Years.

As one can assess, the ChatGPT is explaining an Earth Globe Model, not a Flat Earth one. This Astronomy of the Constellations is Direct and Observable Proof that the Earth is Round. It also keeps to the Pattern of 'Spheres' being consistent with the Divine Design of the Creator, YHVH. This Pattern of Fractals is seen in the Golden Ratio and Phi Ratio Proportions that all of Creation is designed to. Consider the Basic Human Cell.

It has this same Concept of a Sphere with 3 Main Divisions. It has Poles and during Division, it mutates at its Poles, much like Earth. So, now back to the Revelation 12 Sign. As noted, it is not 'Done' just yet. If it was a 7-Year Warning and the Year 2025 coincides with the 8th Year as in New Beginnings, will it then fulfill its 'Rapture' Inference in 1 Interpretation? If 2025 is the Year that the Church Age concludes, then it would see its literal and prophetic fulfilment in 2029.

That is the Year that the Sign reconfigures, approximately with the Planet of the Messiah, Jupiter being back in the 'Womb' area of the Constellation of Virgo for a 9-Month Retrograde. That is the case, that is when the Revelation 12 War breaks-out in the Heavens. It is at that Time and Place that Lucifer is forever evicted from Heaven and is cast down to Earth. This will coincide with the AntiChrist mandating the Mark and the 2nd Half of the Tribulation Period.

This Period will be the Tie of Jacob's Trouble. It is when the Jewish Remnant flees to the Wilderness. It is what one has called the Exodus 2.0. However this will be the place and Time from where at the end of the 1260 Day Duration, Jesus and His Bride return to Earth at the conclusion of the Battle of Armageddon. It will be the Rescue Mission and when Jesus sets His Foot upon the Mount of Olives, on the Pinnacle from where He ascended in 32 AD.
