The purpose of this study is to highlight a Grand Cross that configures and coincides with the Summer Solstice of June 20, 2025. The Summer Solstice is the longest Day of the Year, occurring when one of Earth's Poles is tilted most directly toward the Sun. One is assuming a Globe Model. In the Northern Hemisphere, it typically falls between June 20 and June 22, marking the start of Astronomical Summer. What is rather significant, perhaps, is the Countdown in terms of Days to one's Pentecost New Wine Rapture High Watch Date.

*June 20 + 33 Days = July 23*

Why 33 Days? The number 33 is considered a 'Master Number' in Numerology. It symbolizes Spiritual Growth, etc. It also has various Mathematical Properties and is significant in religious contexts, such as representing the Age of Jesus at His Crucifixion and appears as a mockery against Jesus by the Luciferians in their Secret Societies.

So, on the Summer Solstice of June 20, 2025 looking from a Heliocentric view of the Solar System, a Grand Cross, or Grand Square in astrology occurs when 4 Planets are positioned 90 degrees apart, thus forming a 'Square Shape'. Note that the actual distances of the Planets are represented equidistant on paper or in a Natal Chart.

Grand Crosses are relatively rare events, occurring when four planets align in a specific configuration. While there is no set frequency, they can happen several times a year, depending on the movements of the planets. This celestial configuration is associated with significant internal tension and challenges, as the Planets often represent conflicting aspects during this time-frame.

What one wishes to point-out about the Grand Cross on the Summer Solstice is how Planet Earth is at the Top Position or North in the Planetary Square. This prominent position is telling in that all the Energies and Focal Point is centered on this Celestial Body. Now one is aware of the apprehension that many Christians have about Astrology and with good reason.

However, one's attempt since starting to study the End Times or Eschatology is to reclaim this lost Art and Knowledge that has been relinquished to the Luciferians. Consider how Astrology and Astronomy used to be the same knowledge. Consider that the Author and Creator of the Sun, Moon and the Stars is none other than YHVH.

## **Biblical Astronomy**

In Genesis, YHVH explicitly prescribes that such Celestial Bodies were for Signs, and to keep Seasons and Time. The following is one's case for Biblical Astronomy.

---

### **1) JOB**

*In the Book of Job, YHVH instructs Job to look and consider the 3 Constellations as a Man who speaks without Knowledge.*

*Job 38:31 Can you bind the chains of the Pleiades or loosen the belt of Orion?*

*Job 38:032 Can you bring forth the constellations in their seasons or lead out the Bear and her Cubs?...*

### **2) ABRAHAM**

*Realize that as those that are of the Faith of Abraham, believing YHVH at His Word and having seen the Promise of Jesus, it is entangled directly to Biblical Astronomy, i.e., the Stars.*

*Genesis 15:5-6 And the LORD took him outside and said, 'Now look to the heavens and count the stars, if you are able'. Then He told him, 'So shall your offspring be'. Abram believed the LORD, and it was credited to him as righteousness.*

### **3) JOSEPH**

*Joseph is given a Vision, a prelude to the Revelation 12 Sign and what Prophecy is concerning Israel.*

*Genesis 37:9 Then Joseph had another dream and told it to his brothers. 'Look', he said, 'I had another dream, and this time the Sun and Moon and 11 Stars were bowing down to me'.*

### **4) KING DAVID**

*David knew about Biblical Astronomy and how it is considered what is called the 'Silent Witness'.*

*Psalms 19:1-3 The Heavens declare the Glory of GOD; the Skies proclaim the work of His hands. Day after Day they pour forth Speech; night after night they reveal Knowledge. Without Speech or Language, without a sound to be heard,*

### **5) MAGI**

*The Wise Men of Persia studied the Stars and by them, they knew that the King of the Jews, the promised Messiah had been born. This Knowledge was based on the Revelation written in the Old Testament.*

*Matthew 2:1-3 After Jesus was born in Bethlehem in Judea, during the time of King Herod, Magi from the East arrived in Jerusalem, asking, 'Where is the One who has been born King of the Jews? We saw His Star in the East and have come to worship Him'. When King Herod heard this, he was disturbed, and all Jerusalem with him.*

## 6) PAUL

*The Apostle alludes to Creation, which encompasses the Sun, Moon and the Stars as testifying of the Creator's Existence, etc. So much so, that Humanity has no excuse.*

*Romans 1:20 For since the Creation of the world GOD'S Invisible Qualities, His Eternal Power and Divine Nature, have been clearly seen, being understood from His Workmanship, so that Men are without excuse.*

## 7) JESUS

*In His Resurrected State instructing the Apostle John in the Book of Revelation, Jesus associates Himself as being 'Venus' and how He holds the 7 Stars that in Ancient Cultures was known as the Pleiades.*

*Revelation 2:1 Unto the Angel of the Church of Ephesus write; These things saith he that holds the 7 Stars in his right hand, who walketh in the midst of the 7 Golden Candlesticks;*

*Revelation 22:16 'I, Jesus, have sent My Angel to give you this Testimony for the Churches. I am the Root and the Offspring of David, the bright Morning Star'.*

What one wishes to point out is that in the Grand Cross configuration on the Summer Solstice of 2025, the 'Square' that is constructed has a very interesting dynamic when it comes to the meaning ascribed to the Planets. How so? Consider that as mentioned, the Earth has its prominent position at the apex of the Grand Cross. Then opposite to Earth is Jupiter.

In Jewish Tradition and interpretation of the Mazzaroth or the Zodiac, Jupiter is the King Planet, the Planet of the Messiah that has a Mortal Wound on its side as that 'Spot' of Jupiter and its patterns are like the stripes Jesus endured on His Body, etc. Then at the 90 degree angle, the 2 Planets that are opposing are Mars and Saturn. As it is widely known and attributed, Mars is associated with the God of War.

And it was how on Friday the 13 in June of 2025, it started to conjoin with the King Star of Regulus in the Constellation of Leo. Interestingly, the Military Operation of the IDF against Iran was called 'Rising Lion'. Then the Planet Saturn is directly associated in the Occult with the Powers and Energies of Lucifer.

So, we have in this Summer Solstice Grand Cross the epic Biblical Warfare that has ensued since Adam in Eden. Thus, with what is occurring in the World and especially with Israel, perhaps the Time has come for this facet of the Biblical War to come to a head of sorts. It is just how the Heavens are mirroring what is transpiring on Earth. And if somehow the 33 Day Countdown to one's Rapture July 23 Date is pegged to it?

It will remain to be seen. But even if the Rapture Event does not take place at that calculated Date and Time, was it mere coincidence based on the Timing and Inferences the Grand Cross on the Summer Solstice is alluding to? Metaphorically speaking this Grand Cross is speaking of how the Great Jupiter, Jesus give His life on the Cross of Calvary for Earth, for Humanity.

And this was done in direct opposition and war by the Greater Mars, Lucifer that is Satan or Saturn with his Crown of Rings. It is as though, a Celestial Billboard and flashing reminder to the entire Cosmos that is centered on Earth, on Jesus' Crucifixion, etc. So, has then been an 'Announcement' to those on Earth too? And that is? It is how at the Cross of Calvary is where Jesus purchased His Bride with His Blood.

And Jesus then promised that 1 Day, He would return for her. Will that involved or be pegged to a 33-Day Countdown to the Rapture? In 2025 or in some given Year? Lastly, the Grand Cross is configured in the 4 Cardinal Points of the Cosmos with Leo-Taurus-Aquarius-Scorpio. These are the same Signs corresponding to the 3 Living Creatures that guard the Throne of YHVH in Heaven: the Lion, Bull, Man and Eagle.

They also were the Ensigns of the 4 Leading Tribes of Israel as they were in formation and Rank around the Tabernacle of Moses. They also represent the Dimensions of the 4 Gospels, etc. So, such a Celestial Sign means that things or a thing is now 'Squared-Away'. The Rapture perhaps? Why? Well, at no other Time in recent memory has a Grand Cross occurred or coincided on a Summer Solstice. Here is the definition of what to 'Square' means.

It means to turn and face someone directly, often in preparation for a fight or competition. It can also refer to arranging something so that it is straight or even as to being in proper alignment, etc. However, it can also mean to settle a financial balance. Or it sometimes means to physically or metaphorically reconcile 2 opposing Objects, Ideas, or people.
