### *Signals of the Rapture's Timing?*

*'Thou art my Battle Axe and Weapons of War: for with thee will I break in pieces the Nations, and with thee will I destroy Kingdoms'... -Jeremiah 51:20*

Here are some very interesting Biblical Correlations on what were the Torah Portions that were read on Friday the 13, 2025 in the month of June when Israel struck Iran's Nuclear Sites.

#### **1) NUMBERS 10:35**

*For the Daily Study or the Chumash, the Torah Portion was from Numbers 10:35 to 11:29. (Parshat Behaalotecha, 6th Portion Bamidbar Numbers 10:35-11:29.) What is telling is how the 1st verse of the Reading began with the following statement.*

*Verse: 35*

*Whenever the Ark [of the Covenant] set out, Moses would say, 'Arise, God! May Your Enemies be scattered and may those who hate You flee from You'.*

#### **2) PSALMS 83**

*Then for the Supplementary Study for that same Day, the following Passages were to be contemplated. And guess what that Bible Book and Chapter corresponded to that Daily Study? Psalms Chapters 83-87.*

*Verses: 1-4 Excerpt*

*O GOD, be not silent; be not speechless; and be not still, O GOD. See how Your Enemies rage, how Your Foes have reared their heads. With cunning they scheme against Your People and conspire against those You cherish, saying, 'Come, let us erase them as a Nation; may the Name of Israel be remembered no more'.*

So, there are some very peculiar time-stamps or markers going on here with this Friday the 13 Israeli War. Did the Israeli-Iran War start a 40 Day Warning? Is it the Countdown when factoring one's '723' or July 23 Pentecost New Wine Rapture Day Count?

**June 13, 2025 + 40 Days = July 23, 2025**

In the Bible, a 40 Day Countdown 'Warning' is related to a Probationary Period like what occurred with the Israelites during the Exodus. It is a time of Testing as it was with Jesus and a Warning like it was with Nineveh. It will remain to be seen. Time will always tell the Truth. Regardless if the Rapture does or does not occur on July 23 for 2025, it appears that the Time-Frame is displaying many Biblical Warnings in many events.

## **The Prince of Persia**

Now, is the Rapture tied to this Israel-Iran War in some way? Will it be or could it be? Remember all those Rapture Dreams when People have said, 'When the Bombs go down, We do up'. As it is, Israel has done its best to target and destroy the Ballistic Missiles inside Iran that are being fired at Tel-Aviv. But some missiles are overwhelming Israel's Iron Dome as parts of Israel have taken a pounding. The reason is because Iran unleashed their Hypersonic Weapons. But where is Israel's new Laser Beam Weapon or the use of Satellites to track the Launching Sites? Perhaps Israel is utilizing all that but sooner or later, Iran will run out of their missile stockpiles.

Apparently, the Iranian Army is nowhere to be found and Russia and Hezbollah have not come to Iran's aid and neither have all the other Muslim Nations. The Islamic Regime will collapse, given Time, but it will be up to the Iranian People to rise-up as their Ancient Lion Motif, and take back their Nation from Islam. Persia was once a Mighty, Proud and World Power. Cyrus is even mentioned by Name in the Bible. And Jews have an entangled history with Persia. You have such Bible Personages of Daniel and Esther, for example, etc. But then Islam happened. Persia was conquered by the Muslims. This is Iran's Problem.

### **1ST MUSLIM INVASION OF PERSIA**

*It was in 632 AD that the Arab Muslims invaded and successfully conquered the Persians. This is something that not even the Romans accomplished. Why not? The Prince of Persia. The Arabs Islamized Persia's Ancient Culture. This was the 1st Muslim Invasion of Iran.*

### **2ND MUSLIM INVASION OF PERSIA**

*The 2nd Muslim Invasion occurred in 1979 with the Islamic Revolution. This set Iran back into the Middle Ages with their Shi'ite and Sharia Theocracy. Consider that this Israel-Iran War is a spiritual one. And the only Zeal of the Shi'ite Islamists was, is and will be to destroy Israel. Why? The Prince of Persia.*

Because it is a Spiritual War, with respect to the Rapture's Timing, is YHVH signaling that such a prophetic parallel of time is to occur again? This means that the end of the Church Age has to be all that neared to conclude. So, will this Israel-Iran War in some way be factored into just how close the Time of Jacob's Trouble is to start? During the coming Tribulation Period, one can see many of the characters of the Book of Esther come alive. And now the Israeli Attack on Iran is perhaps prophetically mirroring this Spiritual Contention between the Sons of Haman and the Sons of Esther, etc.

Consider the following statement made by one of the Leaders of the Israeli Religious Parties that help keep Netanyahu in Power in Israel. It was shared by Judi E. from the Revelation12 Daily Blog. The following statement was posted by Amit Segal, a Reporter for N12 News Israel on his Telegram Channel. The text has been formatted. What it is telling is how those that know and understand the Christian Perspective of the End Times, especially in light of the Rapture, senses the Theme in certain phrases made that echo 'Rapture' language and innuendos.

Months of discussions, hundreds of hours of security briefings, analyses, and risk assessments — all came down to one emotionally charged, fateful moment: whether or not to approve the military strike plan against Iran.

The deliberations were incredibly difficult. I felt I didn't have the strength to decide on such a weighty matter. **I prayed to the Almighty — that He would show me the way. And I can say this wholeheartedly: I tangibly saw “the salvation of God in the blink of an eye.”** The Almighty accompanied us throughout the entire process, every single step. In retrospect, we can say clearly: the intelligence assessments at the time painted a much graver picture — **in terms of both the threats and the potential scale of damage. The success on the ground, with God's help, surprised us all.**

Last week, late at night, once the results of the strike became clear — and we could finally breathe a sigh of relief — I sat down for a private conversation with the Prime Minister.

**He raised his hands to the heavens and said to me: “Siyata Dishmaya” (Divine assistance).** Then he added a sentence that I really liked: “Siyata Dishmaya is the biggest party in the coalition.” I smiled and said to him: “Then make sure that party stays with you in the coalition — and don't drive it away.”

**Of course, I can't detail every stage of the operation, but what you're seeing is just the tip of the iceberg. The nations of the world — including the great powers — are astonished by the scale of the success. Even our friend, the United States, struggles to comprehend how such a small country can carry out such complex operations so successfully. But we, as believing Jews, know very well: these are open miracles from the Almighty.**

**I want to say something essential to the public: We are incredibly privileged to live in this generation — a generation in which you can see God's salvation, open miracles and wonders, on a scale we haven't experienced in many years. We are living in the generation of the Messiah — literally. Our ancestors and forefathers prayed for such a generation — and we are blessed to witness it with our own eyes.**

**I firmly believe that the merit of Torah — and the immense scope of Torah study in our generation, despite all the challenges — is what brings about these extraordinary, supernatural salvations for the people of Israel.**

**And despite the fears and anxieties, we must strengthen ourselves, be encouraged, and believe: the Almighty is truly fighting for us. He walks before us, performs miracles for us, and shows us at every moment that He is with us.**

Today it's even easier to see the miracles—in the hundreds of ballistic missiles falling. Yes, sadly there have been casualties, but that also highlights what could have happened with every single missile. **That same evil regime, which hoped to destroy us, is now taking blows harsher than it ever imagined—and there are more to come.**

We see many important countries now offering support. And when we recall where we started—what happened after the **Simchat Torah massacre** [October 7, 2023]—it's hard not to be moved. Then, we were isolated, delegitimized. And now? “He lifts the needy from the garbage heap”—and we're receiving support and appreciation across the board.

*Finally, I want to offer strength to the Defense Minister, the Chief of Staff, the heads of the security branches, the soldiers and fighters — on land, in the air, and at sea — who risk their lives day and night for Israel's security. I pray for their success and safe return home, healthy and whole.*

*I also bless Benjamin Netanyahu, who **is leading this massive campaign with courage, responsibility, and a sense of historic mission** — a campaign that touches on our very existence here.*

*I pray from the depths of my heart that the siyata dishmaya continues to accompany us in every step — and that we will, **with God's help, achieve a full victory over our enemies, the redemption of the people of Israel, and the arrival of our righteous Messiah speedily in our days.***

Segal was born in Haifa and raised in the Israeli Settlement Ofra; he is the son of Hagai Segal, an Israeli Journalist and convicted terrorist who was part of the Jewish Underground.*

*Aryeh Makhlouf Deri was born in Meknes, Morocco, to Esther and Eliyahu Deri. His parents lived in one of the new wealthy districts of the city and were influenced by French Culture. His father owned a successful tailoring business; his family were Modern Orthodox Jews. Aryeh is an Israeli Politician and one of the founders of the Shas Political Party who served as the Vice Prime Minister, Minister of Health, and Minister of the Interior and Periphery under Prime Minister Benjamin Netanyahu from December 2022 to January 2023.*

So, this Israel-Iran War also reminded one of the 2Chronicles 20:21 account in the Old Testament about King Jehoshaphat and what occurred when contending with the military threat from a Great Power to the East of Israel. In that case it was Assyria that was next door to what is now Iran. King Jehoshaphat led the People of Judah in Worship and Praise outside the Gates of Jerusalem as they marched out to face the Army of Sennacherib who had always threatened them with annihilation.

And he proved it by destroying many of the Judean Towns that led-up to Jerusalem. The Jews came out of their predicament singing Songs of Thanks to YHVVH for His Enduring Love and Covenant, etc. This Act of Worship was part of their 'Spiritual Strategy' as they trusted YHVVH would fight for them against the Threats of Sennacherib. Why? They understood that the Military Threats by Sennacherib were really a Spiritual Threat against YHVVH Himself. It worked.

The reason one is correlating the Post by the Israeli Parliamentarian and the King Jehoshaphat event is that during the bombardment of Iran against Israel, the Modern Jews in Tel-Aviv, for example were filmed singing and worshipping YHVVH. It was a sight to see as this mostly happened with the more Traditional and Religious types of Jews, i.e., the Orthodox. What was also filmed in many of the underground bunkers in Israel is how also the Messianic Jews sing and worship during the Iranian Strikes.

At night, these Hypersonic Missiles look like something straight out of a Hollywood Movie. The Point is that there appears to be a genuine spiritual search by the Jews, in general as many are turning back to YHVH. And as Believers and Followers of their Messiah, Jesus, it is realized that only but a Remnant will. But it will be enough for them to say, 'Blessed is He who comes in the Name of the LORD'.
