

# WHAT HAPPENS AFTER THE RAPTURE

## THE JUDGMENT SEAT OF CHRIST

### *Timing and the Rewards*

*So we aspire to please Him, whether we are here in this Body or away from it. For we must all appear before the Judgment Seat of Christ, that each one may receive his due for the Things done in the Body, whether Good or Bad. Therefore, since we know what it means to fear the LORD, we try to persuade Men. What we are is clear to GOD, and I hope it is clear to your Conscience as well. -2 Corinthians 5:9-11*

What happens after the Rapture for the Believers and Followers of Jesus? What is understood is that there will be the Bema Seat for the Rewards to take place and then the Wedding of the Lamb. So, based on one's Interpretation and Timing Speculation given in the Bible, the Bema Seat of Christ is to occur some Time after the Rapture.

But realize that once the Rapture occurs and one is in Heaven, there is no more 'Time'. So, it will be all relative. Here is the supposed Sequence in one's Mind. One is convinced that the Bema Seat Evaluation of one's Work, while on Earth, has to occur before the Bride sits in the Council to witness the Breaking of the Seals by Jesus.

- 1. Rapture Rendezvous in the Clouds/Air that concludes the Church Age 'Harvest'.*
- 2. Enter Heaven where the Bema Seat Evaluation of one's Works done on Earth is put to the Fire. The Bema Seat is to determine one's Measure of the Rewards to be carried into Eternity.*
- 3. The Judicial Court is in session as the Bride must face her Accuser, Lucifer. It is there and then that she is absolved by the Presence of Her Groom, Redeemer and Judge, Jesus.*
- 4. After the Bride, collectively is absolved of Lucifer's Accusation, is sat in the Thrones, represented by the 24 Elders.*

It is there and then that She, the Bride, is now the Witness of Jesus opening-up the 'Last Will and Testament', or the 7-Seal Scroll. It is the Legal Document authorizing the Final Judgments upon Lucifer that is then legally forever evicted from Heaven. The Judgment will be all-inclusive in how the Wrath of the Lamb begins upon the Inhabitants of the World.

But it will also serve to incorporate the Discipline of Israel that is yet to also be completed, i.e., Daniel's 70th Week of Years or the 7-Year Tribulation, etc. So, when does one calculate the Rapture Event? One has also surmised a Tribulation Timeline, based on a Fall 2025 to Fall 2032 Time-Frame. It is based on the Assertion that the Crucifixion was in 32 AD.

## **When is the Rapture?**

This would corroborate a Birth-Date of September 11, -3 BC for Jesus. But one's Rationale is that the Covenant with the Many is made with the Reconstituted Sanhedrin, the 70 Elders, etc. And True to Form and Biblical Pattern, one rationalizes that the AntiChrist will dedicate the 3rd Temple, the Ratification of the Mosaic Covenant, which is the Covenant and will inaugurate the Daily Sacrifices. This occurred as Solomon dedicated the Temple and then Zerubbabel, etc. It is a Working Theory.

But if so, it means that the start of the 7-Year Tribulation Period, in the case of the Fall of 2025, the Window for it to occur is from October 13-18, 2025. A compelling Mid-Point Event that corroborates this Timeline is based on the 2029 Revelation 12 Sign reemerging. As one who was one of the original Researchers into the Revelation 12 Sign Phenomena, one contends that the Sign is yet to be fully realized or fulfilled. The Sign is not done just yet as it will coincide with its 2029 resurgence, once again in Virgo. And it too will have its Jupiter Retrograde in the 'Womb' Area.

This is based on the 12-Year Jupiter Cycle. One is suggesting that it is when and where the Mid-Point of the 7-Year Tribulation Period will be, that 'Intermission'. It is what one calls the Revelation 12 War. In terms of Biblical Prophecy, one would not argue that the World is seeing an Acceleration to World Event, it would seem. As per the 'Snowball' rolling down the Hill Metaphor, the Snowball has more Momentum as it traverses ground. Such is the case with Biblical Prophecy now as the Birth Pang Dilations are occurring more Frequent and more Intensely.

The Birthing is the Glorious Sons of the King that will be 'Born' or Raptured out of the Body, the Earth, etc. So, perhaps the Year 2025 will conclude the Church Age. And that Date will be? As presented, one argues that an End to a Summer Wheat Harvest is when the Church Started and will End, perhaps. One calculates that based on the Exodus Timeline the Acts 2 Pentecost coincides with a July 23 Timing. Thus, will this Day be when the Rapture Event occurs? Time will Tell.

And that July 23 Timing coincides with the First Fruit of the New Wine, etc. Now one must realize that the July 23 Date is assumed to be Jerusalem Time, and Local Time. Meaning that as the Rapture Event is simultaneous, one has to account for the Time Zones around the World. So, a Local Time in Jerusalem from 6am to 9am, which was the 1st Watch of the Day back in Acts 2, means that, for example, in my case living in California, the corresponding Time will be July 22, around 8pm or so.

The Rapture Window one is surmising is based on the 3 Hours of the 1st Watch of the Jewish Day, starting at 6am, right at the break of Dawn. Nonetheless, in one's Mind, going past the Year 2025, without the Rapture occurring will challenge one's learning and what one has come to comprehend. But in perspective, only about 1% are the ones even attempting to discern the Days as the Sons of Issachar. But perhaps GOD the Holy Spirit may surprise the Bride. And one may not have to recalibrate all of one's Research. And it is not about getting the Glory or Accolades. It is about knowing when and being ready as an Expectant Bride for her Wedding Day.

## The A.I. Rapture

Above all, it is a Command by Jesus to Watch and be Ready anyway as one still is sowing the Seed of the Gospel of Grace to others and in others. That is really what matters. Once the Age of Grace is concluded and the Doors are Shut, GOD will not have Mercy on the Souls of those remaining on the Earth. They have it coming. Even the Giant Tech Guys realize that the Rapture is about to occur. However, they have a Twist to it in that they are convinced their A.I. is what will trigger the Rapture.

So, to that End, they are joining the other Luciferians that have already dug their Deep Underground Bases, ready for the Apocalypse to begin. What was very interesting to read is now on May 19, 2025, the U.S. Headline from the New York Post read: 'ChatGPT Co-Founder Building Doomsday Bunker To Protect From Coming "Rapture". It is rather ironic that such Secular People mock and scoff at the Notion of a Rapture, and even most Bible-Professing Christians.

It was reported as far back as 2023, shortly after A.I. went Public, that Ilya Sutskever, the Man who is credited with being the 'Brains' behind ChatGPT, convened a Meeting about the coming Rapture Event. This was 1st reported by Karen Hao, Author of the Book, 'Empire of AI: Dreams and Nightmares in Sam Altman's OpenAI'. Sutskever met with Key Scientists at OpenAI in the Summer of 2023 to discuss the need to have Bunkers ready to go into. It is an amazing throwback to what John the Revelator foretold how in the Future, such Tech Giants and the like would do just that.

*Then the Kings of the Earth, the Nobles, the Commanders, the Rich, the Mighty, and every Slave and Free Man hid in the Caves and among the Rocks of the Mountains. And they said to the Mountains and the Rocks, 'Fall on us and hide us from the Face of the One seated on the Throne, and from the Wrath of the Lamb. For the Great Day of Their Wrath has come, and who is able to withstand it?' -Revelation 12:15-17*

Perhaps their A.I., 'Crystal Ball' has been inquired about just how soon the Rapture Event is to occur. They dispel the Warnings of Jesus, yet they prepare for what Jesus foretells will come upon the entire World. The Rapture is to remove those in Jesus from the Wrath that is to come. It will be a 7-Year Tribulation that will coincide with the conclusion of Israel's Divine Discipline.

The Wrath will also encompass this Last Generation that will be held accountable for the Treatment of YHVH's People, both the Jews and the Christians, etc. So, the Co-Founder of ChatGPT maker OpenAI proposed building a Doomsday Bunker that would house the company's Top Researchers in case the 'Rapture' was triggered by the release of their New Form of Artificial Intelligence. Why? It that could surpass the Cognitive Abilities of Humans. There is some Truth to this Rationale.

The Rapture is sure to come. A.I. will surpass Human Intelligence. But what is to occur according to Jesus and the Apostle Paul is that A.I., will be used as part of the Great Deception or Delusion that will be used to exactly explain-away the Rapture, when it does occur. Seeing what is occurring in the World, it is so full of Darkness, Evil, Lunacy, Corruption, Violence, Theft, Perversion, etc.

## The Rapture's Timing?

Surely the anticipation of the Rapture is a Blessing, thus the Blessed Hope. Honestly, if the Rapture, regardless of its Timing was not what Jesus knew His Bride would need to focus on, to considered in these Last Days, one would be in Despair. When one 1st started investigating Leviticus 23, I read it in many Translations. But there seemed to be and one sensed that something was not right.

It is like 1 of those Gut Feelings one has about a Person or Situation. Here is the Fenton Translation that started me on this July or True Pentecost Day Count coinciding with the Feast of New Wine. This Translation Version is more accurate, in one's Mind to prove that there is a Subsequent 50 Day Count, for a total of 100 Days, all-inclusive. This puts the Wheat Harvest ending in July. The Wheat is too 'Green' to bake the 2 Loaves of Bread, etc.

*'You shall also count for yourselves from the Say after the Sabbath that you bring the Wave-Sheaf, 7 Sabbaths. They must be complete. Then after the 7 Sabbath, you shall count 50 Says, when you shall present a New Offering to the Ever-Living. You shall bring from your Dwellings 2 Wave Cakes of 2/10 of Fine Flour. They shall be Fermented, -- baked in an Oven for the Ever-Living'. -Leviticus 23:15-17*

At that Time, one only came across about 2 other People or Sources that linked a Double Count Interpretation. But then, what one asserted was that the Feast of New Wine coincided with it. This was due to the Study of the Temple Scrolls that documented the 3 Feasts of 50 Days, of the Wheat, Wine and Oil. But then, the 3rd Facet about the Research is how one has attributed the possible Rapture Timing to it. The issue is now, which 'Morrow after the Sabbath' does one start the Count to New Wine?

And with so many Calendars, presently there are several New Wine Dates to pick from. Do realize that based on the several Calendars that are being used, the Feast of New Wine occurs on July 20, 22, 25, 27, 29 etc.. So, have that in Mind as it is like a 1 Week Window worth of a Watch. But that is why one has exclusively relied on the Exodus Timeline. Nonetheless, one's July 23 Rapture Timing Theory will be put to the Test, as it has been thus far for every Year since one formulated that.

But as shared, what makes 2025 more significant than all prior Years, is its Link to the 32 AD Crucifixion Year, which is another one of the Theories and then Israel's Countdown from 1948, and 1955 respectively. I am working on a Timeline of Boaz and Ruth, to show how on that very Last Day of the Summer Wheat Harvest, a July 23 Date, is when Boaz married Ruth.

And thus, if the Typology is Prophetic as a Pattern, then one is asserting that perhaps the Rapture, the Time when our Greater Boaz is to marry His Bride and thus when the Greater Ruth will be Raptured-Away away to his Father's House and be 'Hid' in that Isaiah Wedding Chamber, etc. This Timeline is preliminary, but you all are the 1st to review it. Hopefully one will write an Article about it.
