Whenever there is a flare-up amongst Israel and its Muslim Enemies, and ballistic missiles are being lobbed at Israel, the question is asked 'Could 1 of those projectiles going over the Temple Mount in Jerusalem hit the Dome of the Rock?' The insinuation is that the explosion will destroy the Muslim Shrine to make way for the 3rd Temple. The presupposition is that the Dome of the Rock is where 99.9% of Christian and/or most People that have an interest in this site believe that is where the 1st and 2nd Temples of YHVH once stood and will again. Not so.

So, where will the 3rd Temple be built? Is the knowledge and location lost to history or do certain segments of the Jewish Community know and have all along? Consider that the House of YHVH on Earth is the most Sacred Structure on Earth. That question has been a ~2000 Year-Old Quandary. Allow one to share one's Research on this Topic.

The Theory is not new, but one is in agreement that the Dome of the Spirits or Tablets is where the Holy of Holies is centered, and thus the Temples of YHVH. It is just North of the Dome of the Rock. The Research one has contributed is based on an Astronomical Angle that appears to correspond to the site. Here below will be several Charts that will illustrate this location and how the coming 3rd Temple will not need to have the Islamic Shrine be demolished, at least for now. The clue is given in Revelation 11:1-3

Then I was given a Measuring Rod like a Staff and was told, 'Go and measure the

1) Temple of GOD and

2) the Altar

and Count the number of Worshipers there.

BUT EXCLUDE THE COURTYARD OUTSIDE THE TEMPLE. DO NOT MEASURE IT, BECAUSE IT HAS BEEN GIVEN OVER TO THE NATIONS,

and they will trample the Holy City for 42 Months. And I will empower my 2 Witnesses, and they will prophesy for 1,260 Days, clothed in Sackcloth'.

Based on this scenario, YHVH is essentially defining what the Temple's Dimensions and Coordinates will be during the Tribulation Period. One's Theory is that the Abraham Family House Pattern, that being a Church for the Christians, a Mosque of the Muslims, and a Synagogue for the Jews will be replicated on top of the Temple Mount, etc.

Houses of Prayer for all the Nations

This will occur after the Rapture and how the False Jewish Messiah will use this Pattern to unite the world around, etc. What can possibly go wrong? Now in terms of Astronomical Evidence? One has correlated the 3 Stars of Orion to the Temple Mount, as well as that of the Pleiades. They appear to match precisely to the Dome of the Spirits, i.e., the Holy of Holies and thus the true location of the coming 3rd Temple, in one's estimations.

Here is the Rationale after the Rapture Reset, as one calls it. In the Bible, YHVH specifically specifies that He chose only 1 Place on Earth for His Presence to manifest or dwell in. And that place was and is in Israel, in Jerusalem and on the Temple Mount. More specifically, it was on the spot that King David had bought the Plot of Land where the Wheat was winnowed. It was there that David built an Altar to stave-off the Plague due to his Sin of being persuaded by Lucifer to count his Army, etc.

Then later it was on that same Mountain named Moriah that Abraham attempted to sacrifice Isaac as a Test of Faith. However, that event was carried-out by another Father and Son. That spot became Calvary just outside the Damascus Gate and in-between the Garden Tomb and the Skull Façade that is also attributed to being Jeremiah's Grotto, etc. All that to say that the Temple of YHVH was to be a House of Prayer for all the Nations. It was not to be 1 among many or to share the same space with another. It is the same reasoning how the World objects to Jesus as being so narrow minded into thinking that He is the only Way, Path or Truth to GOD.

So, true to form, Humanity under the leadership of the False Prophet and the False Jewish Messiah will augment that the exclusive Temple to pray to God is to be all-inclusive. So, the AntiChrist will change the Times and Laws to not only allow 1 House of Prayer at the exclusion of every other Religion and House of Prayer. This will result in the Temple Mount having 3 Houses of Prayer, all the same and in equal standing. Not according to YHVH.

One must realize that 2 of the 3 places of worship are already there on the Temple Mount. They are the ancient Crusader Church that is now called the al-Aqsa Mosque. Then there is the Muslim Shrine or the Dome of the Rock. True, one is conjecturing that the 3rd Temple will complete the Abraham Family House Pattern that will 'Unite' the world in harmony Post-Rapture. But does this Pattern exist now? Yes. This House of Prayer Pattern already exists in the following locations on Earth, with Abu Dhabi being the latest one. All these places can be seen on Google Earth, for example.

1) POKLONNOY GORE PARK: Moscow

Park Pobedy Na Poklonnoy Gore is a sprawling and Historic War Memorial Park in Moscow. It is dedicated to commemorating the Soviet Union's victory in World War II. The Park features a Church, Mosque, Synagogue. It also has various monuments, a magnificent obelisk, a museum, and fountains.

2) HOUSE OF ONE: Berlin

The House of One in Berlin is an Ecumenical Center that combines a Church, A Mosque, and a Synagogue. Its purpose is to promote Interfaith Dialogue among Judaism, Christianity, and Islam.

3) ABRAHAMIC FAMILY HOUSE: Abu Dhabi

The Abrahamic Family House is an interfaith complex on Saadiyat Island in Abu Dhabi which houses a Mosque, a Church, and Synagogue.

As to this arrangement on the Temple Mount being out of the question, religiously? Fair point. But consider that after the Rapture Reset, the world will have gone through a Mass Psychosis; think of COVID x 1000 and entirely all over the world. People will be demanding answers. And with the Isaiah 17 nuclear destruction of Damascus, occurring around this Time-Frame, it is how the AntiChrist will come-on-the-scene to explain-away the Rapture Event. One's point is that there will be a Spiritual Vacuum and a Crisis of Faith Post-Rapture.

This Abraham Family House pattern would be ideal and serve as a unifying force for all of Humanity to rally around. IT will be like a Modern-Day Tower of Babel with a Nimrod 2.0 leading the Rebellion against YHWH and His Anointed, Jesus Christ, etc. In an effort to avoid a Nuclear Armageddon, at that Time, one speculates that the religious differences of the 3 Major Abrahamic Faith will unite for this cause. It will be the rebuilding of the 3rd Temple, as the 3rd place of worship on the Temple Mount, specifically that will be the focal point in the Post-Rapture world that will only foster a false sense of 'Peace and Security'.
