The following image is of the page of the Devotional Reading for July 23. It was sent from a Sister in Christ named Kristen S. She inspired me to write the following and share this with others. Thank You Kristen. See the link to the Devotional Reading image. This is what was said of the Devotional Reading for July 23.

'It is Scriptures put together by Jonathan Bagster...and re-published by Anne Graham Lotz. Daily Light was first published in 1794 in England. So those Scriptures were there on July 23rd for over two centuries'.

DEVOTIONAL READING FOR JULY 23

Wow. What a pleasant surprise. It is all there. Yes, I am a bit perplexed why my notion of the Rapture's timing did not pan-out for July 23. But one is still expectant to see just what Christ will be doing next. Surely one is again reminded that pertaining to one's quest to 'know' the Rapture's Timing, it is not based on my own understanding.

As mentioned to one's online community, perhaps there could be a matter of having the 'date' right as in pinpointing July 23 as being significant but not pertaining to the Rapture actually occurring because of it, obviously. So, the Rapture Mystery continues. In contemplating one's rationale for the July 23 date calculation, perhaps all the variables were true.

But as to one's theory of having this date possibly linked to the Rapture's timing? That theory is now needing to be rethought, reconsidered as it has proven not to be the case. However, devoid of the Rapture's timing that one superimposed upon the July 23 date or 723, in one's mind, the date is still undeniable is some sort of mysterious way that obviously, I for one have not fully assessed. Here is what is true about it still.

1. *The 99th Day since Nisan 15, based on the Exodus Timeline, is July 23.*
 2. *The Astrological New Year of Leo does coincide with such a day count of July 23.*
 3. *July 23, in ancient Egypt and the region considered it the end of the Wheat Harvest.*

2nd-Guessing

But consider that on this side of the Rapture, one can only, 'See a Little', 'Here a Little', 'There a Little'. One has only made a best attempt at attributing the Rapture's timing based on what one has come to understand, 'Precept upon precept, Line upon Line'. See Isaiah 28:10-16. As with Prophecy, it is about piecing together a lot of 'moving parts'.

But that is the challenge and part of 'Watching' and 'Waiting' for the Blessed Hope as commanded by Jesus. We need to continue to press on and upward, as we ask the Holy Spirit for wisdom, understanding and discernment. My goodness, we desperately need vision for these Last Days to be like the Sons of Issachar.

'Allow Perseverance to finish its work, so that you may be Mature and Complete, not lacking anything. Now if any of you lacks Wisdom, he should ask GOD, who gives generously to all without finding Fault, and it will be given to him. But he must ask in Faith, without doubting, because he who doubts is like a Wave of the sea, blown and tossed by the Wind'. -James 1:4-6

I guess one's point is that from this time-frame going forward, especially from July 23 until the September 23, 2025 Rosh HaShanah date, thereabout, it is a general Rapture High Watch segment of time. And remember that there is that South Pole region Solar Eclipse on the Eve of Rosh HaShanah that occurs in Virgo.

One considers that a sort of 'Confirming Sign' of what the Revelation 12 Sign is alluding to in its Astronomical Theme. It was about the birthing of the Man-Child, a 'Rapture' theme for sure, etc. Even though one did convey an element of doubt about the Rapture not occurring on this July 23 day and attributing to the New Wine timing, one can then move on to realize that the Rapture is still forthcoming.

And perhaps it is to be connected to the New Wine Season, nonetheless. Perhaps on Av 3 or maybe Av 9. This time-frame pertaining to the theme of the New Wine and Grape Harvest can be stretched all the way to Tu B'Av (5th of Av) or the Modern Israeli Valentines Day. For 2025, that will occur on August 9.

A) *Or if counting from the 'Morrow after the Sabbath', assuming the weekly Sabbath, then New wine would be on July 27. This calculation is based on both the Essene and the Solar Calendar wherein it is Av 3 that the New Wine is celebrated, etc.*

B) *What if there is a possible 7 Day prelude as in Noah? It would take day count to July 31, with end-day included.*

C) *What if the '723' Code is either Tishrei 23 as suggested, being the 7th Month and 23rd Day? Or even September 23 as in ancient times, the Roman Month of Sept-ember was the 7th in the sequence? This date would then coincide with the 8th Year Anniversary of the Revelation 12 Sign no less. Very interesting.*

There are just some amazing things going on that one cannot ignore presently, above in the Signs of the Sky and in terms of Geo-Politics below. As it was shared, on July 23, 2025, pertaining to Israel, the Knesset voted to ratify their claim of Sovereignty over their Ancient Heartland of Judea and Samaria or what is now called the West Bank and is under the Palestinian Authority dominion based on A, B, and C levels of Autonomy.

This is huge and another move in the Prophetic End Times Chessboard. What one does genuinely sense in one's Heart and Spirit is that something amazing is brewing in the Spirit Realm. All the Signs above and below are for naught. There so much being attributed to the theme of a Birth, the 'water breaking', the chaos in the world, etc.

So, one is excited and expectant and trusting for what and how the Holy Spirit will work it all out. We can have Peace and Assurance in that. Although we are so eager to be with our King, we must still be like those 5 Wise Virgins that have the Oil, enough to wait it all out, despite how hard it is to watch at times and wearisome it can become.

REVELATION SIGN

What happened to the Sign of Revelation 12? Is it still a Prophetic Warning? What if it is a 7-Year Countdown to the Rapture? What if it Marks the Mid-Point of the Tribulation Period?

JULY 23

MORNING

Then comes the end.

Of that day and hour no one knows, not even the angels in heaven, nor the Son, but only the Father. Take heed, watch and pray; for you do not know when the time is. And what I say to you, I say to all: Watch! ☞ The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance. ☞ The coming of the Lord is at hand. The Judge is standing at the door! ☞ Surely I am coming quickly.

Therefore, since all these things will be dissolved, what manner of persons ought you to be in holy conduct and godliness?

The end of all things is at hand; therefore be serious and watchful in your prayers. ☞ Let your waist be girded and your lamps burning; and you yourselves be like men who wait for their master, when he will return from the wedding, that when he comes and knocks they may open to him immediately.

Hello Lu,

This is from Daily Light. Scriptures put together by Jonathan Bagster in late 1700's, I think. And re-published by Anne Graham Lotz.
