The purpose of this study is to revisit the pair of Eclipses that will occur at the end of 2025. Astronomically, whenever there is a Blood Moon, or a Total Lunar Eclipse, there is its pair Solar Eclipse that occurs as well and vice-versa. It has been discussed that the September 7, 2025 Total Lunar Eclipse over Jerusalem could be how it is the preface to the coming start of the 7-Year Tribulation Period, perhaps. The Blood Moon will be seen by all of Central Asia, to include Israel.

It will be seen just outside the Golden Gate of the Temple Platform and over the Mount of Olives. It will be very ominous. But one's point is that the subsequent Eclipse, a Solar one that will be partial, will occur on the eve of the 8th Year Anniversary of the Revelation 12 Sign and on Rosh HaShanah or Yom Teruah. What is peculiar is that Solar Eclipse occurs over Antarctica where the Revelation 12 sign will be everted.

It will be as possible as an Astronomical Bookend in how the Sign mirrors each other. This would be a befitting imagery to preface what would then come in exactly 40 Days later, which will be October 18, 2025 (End Day Included). This day will be Tishrei 25 or the 1st Day of the 7-Day Feast of Tabernacles or Sukkot. This is 1 of 2 possible Timelines one has presented. The other starts from October 13, 2025, which is the start of Shemini Atzeret-Simchat Torah.

September 7, 2025: Blood Moon

+ 40 Days

= October 17-18, 2025: Sabbath of Beginning or Parashat Bereshit

These are the 2 Minor Feasts called the 8th Day of Assembly when the Kings of Israel would gather the Nation and on the Day of the Torah, would 'Confirm' it in the reading and hearing of the Priests and People. This is what one has also theorized that the coming AntiChrist will do precisely when he puts all of Israel under the Law of Moses once again. And as the New Testament teaches plainly, the Law 'Kills' but the Spirit or the New Covenant gives Life, etc. Thus, this is why in Isaiah, this 'Deal with the Devil', literally is seen as the Covenant with Death. And it will be, sadly as Israel will suffer through a Holocaust 2.0, etc. Also, October 7, 2025 will be the 2 Year Anniversary of the HAMAS Attack against Israel from Gaza. Interesting.

Countdown to the Covenant

Note the following day counts from the HAMAS Attack. One just sees this Bookend Effect occurring here in how the War that started this who 'Countdown' began on a Shemini Atzeret – Simchat Torah. And if the Tribulation Period Timeline is to turn out to be correct, then this Bookend will end on a Shemini Atzeret – Simchat Torah. Coincidence?

October 7, 2023 ----- + 2 Years -----October 7, 2025

October 7, 2023 was Tishrei 23 (723) / Shemini Atzeret – Simchat Torah

October 7, 2025 is Tishrei 15 Sukkot begins (7 Days)

Here below is the link to the Article and Chart one made about the Total Lunar Eclipse or Blood Moon that occurs on September 7, 2025 in Aquarius. This Blood Moon was discussed before and based on its Astronomical Sign, it signals a 'pouring-out' of the 'Waters of Judgment', etc.

Pouring-Out of Judgment

If the Rapture Event happens from now until the Blood Moon Eclipse or perhaps up to or on the 8th Year Anniversary the Revelation 12 Sign, then the start of the Tribulation would follow around this time-frame. Note also that the accompanying Blood Moon of September 7, 2025 will have its pair, occur on the Eve of the Revelation 12 Sign. One can understand that based on prior world conditions, circumstances and abilities, the building of a 3rd Temple and having the Ashes of the Red Heifer as well as all the Geo-Political wherewithal would have required years if not months to coordinate.

#A71: REVELATION 12 SIGN SOUTH POLE SOLAR ECLIPSE

SEPTEMBER 22, 2025 EVE OF ROSH HASHANAH

On 8th Year Anniversary of the Great Sign in Heaven

Note that from the 'original' Revelation 12 Sign of September 23, 2017 to September 23, 2032 will be exactly 180 Months. The actual approximate Astronomical configuration of the Revelation 12 Sign will not be configured on that day. The date that it is to be configured is September 9, 2032. One finds the numerical value to be significant. The following are the other approximate Revelation 12 Signs for the various noted years.

2026: September 14
2027: October 1
2028: September 18
2029: September 11 (Calculated midpoint of the 7-Year Tribulation Period.)
2030: September 29
2031: September 19
2032: September 9 (Calculated end of Jacob's Trouble and return of Jesus?)

But consider that due to the Rapture Reset, all things will drastically be 'Reset'. There will be a Financial Reset most notably. But one point is that just in the last 2 Years, all that is required that needs to be in place is practically here already. And with the Technology now, A.I., and unknown variables, the 3rd Temple can be built in a matter of weeks, some have speculated. What also has come to mind is the Deagel Report that predicts that the USA and other Western Nations would lose at least 2/3 of their Population. How? When?

Well, it was projected to occur sometime in 2025. If anything is to happen, it should start right about now. Hopefully the Bride of Christ will not see all this from this side of the Rapture. In conclusion, one leaves with the understanding that this September 7, 2025 Blood Moon is part of a Triad, in the middle of the 2 other ones that are tied to the Purim or Queen Esther Blood Moons of 2025 and 2026. And that its pair, the Solar Eclipse of September 22, 2025 occurs as Israel celebrates the start of their Civil New Year, etc.

Consider that time period of Esther and what factors where signified for Israel's survival. You have Israel being ruled by a 'Great King' securing Esther's prominent place in the Palace and in the World. But then you had the Evil Haman who sought to destroy the Jews. This is exactly what will be recurring during the Tribulation Period. This Blood Moon of September 7, 2025 and the Solar Eclipse of September 22, 2025 in one's estimation, is that prelude of what the 'Bad Blood Moon Omen' and Revelation 12 Solar Eclipse will be all about.
