

RED HEIFERS AT SHILOH?

DEDICATION AT THE TABERNACLE?

Preparation for the 3rd Temple

by Luis B. Vega

www.PostScripts.org

Based on one's Research, the Red Heifers that are on Display in Shiloh are just that. They are for the Public to see and it serves as a Forewarning to the World and the Muslims, in particular of what will inevitably be the 'Divine' come to pass, in one's Estimation. Consider that as of 2023, a War is still presently being fought, to a large extent, because of the Red Heifers, etc. And below are the Estimates of how much the Red Heifers have cost and still cost to maintain daily. The Orthodox Jews would never allow anyone to pet or come near them as they are 'Sacred Cows', literally.

No Contamination or Blemish can be allowed so as to disqualify them. The Dedication of the 3rd Temple is at stake. And? It is to secure the 'Final Redemption', according to the Orthodox Jews, etc. The Stakes and Cost are just too high to have them in a 'Petting Zoo' like the Environment, in one's Mind. One suspects that the 'Real' Red Heifers are kept at a secure and unknown location for their Safety. It is not beyond the Possibility for a Radical Muslim to become a Suicide Bomber and take out the whole Complex.

They would be doing it in the 'Name of their al-Aqsa Mosque', who they say are protecting and preventing the Jews from erecting their 3rd Temple on top of it. It is the 'Wrong' Place, as one has argued. The 3rd Temple will not be built over the former Crusader Church, i.e., the al-Aqsa Mosque. One has provided Evidence that the Temple stood and will again, just to the North of the Dome of the Rock.

And in fact, due to the Abraham Accords, the 3 Buildings or 'Temples' that will stand on the Temple Mount Platform during the Tribulation Period will correspond to each of the 3 Houses of Worship from the 3 Abrahamic Faiths, Christianity, Islam and Judaism, etc. It is one's Conjecture that the al-Aqsa Mosque will revert back to the 'Christians' as it served as the Church and Chapel for the Knights Templars during the Crusades. So, the Red Heifers being Displayed at Shiloh is meant for the Public Consumption and it is being used, primarily to educate Israelis of their Religious Heritage.

Recent Polls done in Israel are showing how the Sentiment of having a Jewish Temple rebuilt is gaining Momentum and Support. Why? Worldwide Anti-Semitism. But that Condition is being fomented, on purpose. It is to get all the Secular Jews to accept their Religious Heritage. And what better Object of Unity to rally the Jews of different Stripes, than the Temple. This is why World Anti-Semitism is being allowed. It is forcing many Secular Jews to embrace or ask, what makes a Jew a Jew, etc.

Jewish Unity

But it is true that in order for the Jewish Daily Sacrifices to be accepted, a Red Heifer is needed to produce the Ashes necessary for a Ritual Purification, as prescribed in Numbers 19:2-3. Here below are some Excerpts from Articles that disclosed the Approximate Costs of the Red Heifers.

'The Temple Institute, along with the Boneh Israel organization, spent considerable time and resources searching for a qualified red heifer. Rabbis from the Temple Institute visited Texas to give a preliminary inspection and then spent \$700,000 to purchase and fly the five cows over to Israel'.

'The flight to Israel and preparations cost over \$250,000 dollars. Now that they are in Israel, the heifers will need to be raised until they are at least two years old. There are five heifers and the cost to feed them is \$10 a day per cow'.

'For the first time in 2,000 years, qualified red heifers have arrived in Israel. Five red cows were brought over in September 2022, and three still remain viable candidates for the sacred ritual. This is a monumental event. "This is the first time in 2,000 years that they've had a qualified red heifer'.

What one does see as being extremely Prophetically Significant, is how a lot of World Events are converging in one's Lifetime and in this Last Generation, in this Year. Why? It is because it is the Last Generation. It is rather interesting how the Red Heifers are being cared for in Shiloh of all places. It is befitting of the Place because that is where the Tabernacle of Moses stood for over 300 Years. And there will be an End Times Parallelism that is to occur, that will also come into play. What was, will be again.

Here is one's Hypothesis. One must realize that it was King David who brought the Ark of the Covenant to Jerusalem from Shiloh, with much Funfair. He then relocated the Tabernacle of Moses atop what is now the Temple Mount. It was there that King David had bought the Threshing Floor of the Wheat from Araunah the Jebusite for 50 Shekels of Silver. Notice the Connection of Wheat to 50 and Pentecost. The Threshing Floor was where the Wheat could be best winnowed, because of the Altitude and the Wind, etc.

Does one see the 'Rapture' and the Summer Wheat Harvest Innuendo? It began with how the Plague had ravaged Israel for David having been tempted by Lucifer to count his Army. There were 70,000 Men that died. One sees here the Prophetic and Numerical Connection to the Factors of 600, 70, 50, etc. The Numerical Value of the 600 Shekels comes into play in how the entire Field was also purchased by King David.

Prophetically speaking, this alludes to the 6000 Years of Human History that has been Redeemed, bought-back by King Jesus. Thus, one is insinuating that the Spiritual Temple, likewise, could be occurring in similar or Prophetic Parallelism. In that, it is at the Wheat Threshing Floor, bought by the Greater King David, who staves-off the Plague that has ravaged Humanity. This is where and when the Temple of YHWH is to be established, etc.

Threshing Floor of the Wheat

It is because the Greater King David would die on the Pinnacle of this Mount, Mount Moriah. And it was at Golgotha, just outside of the Damascus Gate that the Plague that killed Humanity was staved. And perhaps a '50' Pentecost Feast is when the Wheat will be thrown-up into the Air as a Redeemed are thrust up, like those Wheat Kernels, to meet Jesus in the Air, having been 'Winnowed'. Thus, one conjectures that the True Pentecost that is recorded in Acts 2 is where and when the Wheat is harvested and coincides with the Feast of New Wine. It is not on the Traditional Feast of Shavuot.

One conjectures that it will be the Time and Place where the Rapture will close-out the Church Age. It will be when the 'Temple' of the Bride is completed. It will be when the 'Last Brick in the Wall' is set and Jesus comes for her. Consider that one does not subscribe to the Narrative that the Holy Spirit came down during Pentecost in the Upper Room. No, the Acts 2 Event occurred in the Temple Precinct, it was where the Disciples gathered early in the Mornings. They met there and then, after the Resurrection. Only then where they bold in having Public Fellowship, Prayer, Worship and Teaching.

And note that the Upper Room could not hold the 3000+ that got Saved. The Disciples, and the 120 associated with them were as the Tokens of the Wheat Harvest, there atop on the precise Threshing Floor of the Wheat Field of Araunah. And the Winds of the Church Age Tribulations and Trials, Persecutions and Failures have been winnowed-away ever since. She, the Bride of Christ, as Wheat winnowed in the Hot Summers, will have 'made herself ready'. It has been nearly 2000 Years. But consider also how Peter is seen as the Type of the Church, and Lucifer asked for Peter to be sifted, as Wheat.

Jesus allowed it and it has served to refine and prepare the Wheat, for Peter to come-out undefiled and purified. Such has been the Experience of the Church Age, as a whole, both Individually and Corporately. But 1 Day, there will no longer be a need for Winnowing the Wheat nor having it worked over by the Tribulum of 'Trials and Tribulations'. One Day, the Call will come in, and that is when Boaz married Ruth. It was not on the 9th of Av as some propose, who are considering the correspondence to the Feast of the New Wine.

The 9th of Av is the Day of Calamity and Catastrophe for the Jews. It is a Day of Lamentations and no Jew would ever commemorate a Wedding on this Day. So, every morning David woke-up from his Royal Palace in what is now the City of David, and he would look to the North, at the Tent where YHVH had His Glory residing at. It was positioned right over the Threshing Floor. So, that is when it entered into the Mind of David to Build YHVH a Permanent Home on Earth, a Temple, etc.

Thus, what one wishes to note is the direct Connection from Shiloh to Jerusalem. And in fact, consider the Distance, from the very Spot of the Holy of Holies at Shiloh to where one has contended, was, is and will be the Spot of the Holy of Holies. This Spot is over the Dome of the Tablets or Spirits. And? It is precisely 19.48 Miles, in terms of Distance. Coincidence? Here is the other Amazing Prophetic Parallelism, if it pans-out to be True. The Temple of YHVH was destroyed by the Romans, by the Prince that came, Titus.

Jesus, the Greater Red Heifer

This 'Abomination of Desolation' foreshadowing occurred in 70 AD. Fast-Forward 1,948 Years? It so happens that it was the Year 2018. And? That Year was thus, the 70th Year Anniversary of the Modern Founding of Israel. Coincidence? Well, if one then factors a 7-Year Sabbath Count or a Shemitah from 2018, the 70th Year Anniversary of Modern Israel, what if that is when the Temple is to then be reconstituted?

70 AD + 1,948 Years = 2018 (70th Year Anniversary) + 7 Years = 2025

Consider also that it was in 2018 that the Altar of Sacrifice was 'Rededicated' on the Walls of Jerusalem by the Nascent Sanhedrin. And they had invited Representatives of the 70 Nations to commemorate the Noahide Laws, etc. This is all Biblical Stage-Setting and it is being revealed and unveiled before one's Eyes in this Last Generation before the Return of Jesus. This is why one is excited for what remains of the Year 2025, because the 2nd Half is perhaps when and where it will 'All Go Down'.

So, one's Parallel Prognostication is that whomever the Jewish AntiChrist will be, he will likewise have a Shiloh Connection. It is where the Red Heifers could be offered, rather at Shiloh and not in Jerusalem. But once the Temple is rebuilt, the Ark of the Covenant will be revealed. It will be placed in the 3rd Temple, in the Holy of Holies as King David did. One is convinced that the Ark of the Covenant and all the Temple Furnishing, the Menorah, Table of Bread and Altar of Incense will be moved-out of Jeremiah's Grotto.

Based on the Archaeological Excavations done by the Late Ron Wyatt, one is convinced that the Temple Furnishings are under the Precise Spot where Jesus was crucified. This Spot is in-between the Skull Façade and the Garden Tomb. It was there that Jesus provided the Cleansing to have one's Sacrifices and Offerings acceptable to the Father. Jesus was 'Slaughtered' as the 'Greater' Red Cow. So, the Red Heifer could technically be Slaughtered anywhere 'Outside' of Jerusalem.

TABERNACLE AT SHILOH

Ground Distance

19.48 Miles

So, why not at Shiloh? The Community of Shiloh is well within the Protection of Israel's Security. But even then, Stabbings, Shootings and Bombings occur. Maybe they have an IDF Outpost and Monitoring is taking place remotely. But realize again that Israel's Final Redemption and the rebuilding of the 3rd Temple is at stake. To the Orthodox Jews, they are so sensitive about just 2 Hairs of different Colors growing within the same Hair Follicle.

It is enough to disqualify the entire Cow. One would find it hard for their Caret-Taking to be so 'laxed', security-wise. What is spectacular, if True, is that the Care-Taker of the Shiloh Red Heifers stated that the Original Ashes of the 1st Red Heifer have been discovered. He alluded to there being a Cave wherein the Ashes of the 1st Heifer burned by Moses in Sinai was hidden and now can also be mixed with the 10th Heifer.

As in the Days of Moses and Elijah

It would allow for the successive mixing of the New Ashes with all prior ones to have that state of Continuity. In one's Mind, it follows the Prophet Axiom of the 'End will be as the Beginning and the Beginning will be as the End'. How so? Well, if Moses was the 1st to burn the Red Heifer, and if Moses is to be 1 of the 2 Witnesses, what a Powerful Witness and Sign he will become for the Unbelieving Jews. As the 'Dispensation', during the Tribulation Period will revert back to the Mosaic Sacrificial Ordinances, it too will be a Time accompanied by Signs and Wonders.

It will be a Supernatural Time of the likes when Elijah battled it out with the Wicked King Ahab and his Ba'al Worshiping Wife, Jezebel, etc. This Principle and Prophetic Parallelism will go hand-in-hand with the unveiling of the Ark of the Covenant also as noted before, in one's Mind. It is as if all Things Prophetic are coming Full-Circle. Thus, what is to occur after the Rapture Event as disclosed in the Book of Revelation is what is to happen next. Here are 4 of the 5 Red Heifer's Names.

1: Red Heifer SEGOLA

From Sah-gol. The Color of Purple and Good Luck.

2: Red Heifer TIKVAH

From Hebrew, meaning 'The Hope', as in to wait or to look with Expectation. The Hatikvah is what Israel's National Anthem is called.

3: Red Heifer TEKIAH

This is the Long Blast of the Shofar. From Hebrew (Qum), meaning to Rise as in a Restoration. Child of the Star, Graceful, Elegant.

4: Red Heifer L'HAMA

From the Hebrew, inferred as meaning to be 'Together', 'United'. It can refer to the roaring of the sea, an Uproar.

It was Moses that was instructed by YHVH to fashion the Ark of the Covenant. And here, now at the End of Time, both the Ashes of the Red Heifer and the Ark of the Covenant will resurface, not seen since Sinai. They will surface just in Time for the Covenant with the 'Many', i.e. the Mosaic Law will be reinstituted, in one's Interpretation. This Last Red Heifer will be the 10th since Moses. And not since the Destruction of the 2nd Temple in 70 AD, exactly 1955 Years from 2025.

So, the Amish American Care-Taker of the Red Heifers in Shiloh is envisioning the Tabernacle of Moses being rediscovered. It would then be reconstituted, precisely in Shiloh where it was for those 397 Years. And? In rediscovering it, this would allow for the Red Heifer to be offered there and then. It would then make all of Israel, Jerusalem, the Temple and all Offerings of the Jews 'Kosher'. At Shiloh, the Orthodox Jews could then sacrifice the Red Heifer without any Reprisals from the Muslims or Animal Rights Activates. The Passage in Numbers 19 just specifies that the Red Heifer has to be slaughtered 'Outside the Camp', wherever that was positioned, as it was Mobile.

Then the building of the Temple would come later and now justified to be rebuilt. But as it was noted in the Comment Section, the very 1st Miracle of Christ was turning the Water of Purification (the Red Heifer Ashes Mixed with Water) into New Wine. It proved that Jesus is greater than the Red Heifer. Jesus is the Red Heifer, the Perfect Sacrifice that makes one Cleansed and Purified so that one's Daily Offering of Thanks can be accepted by the Father.

*For if the Blood of Goats and Bulls, **and the Ashes of a Heifer sprinkling** them that have been defiled, sanctify unto the Cleanness of the Flesh: how much more shall the Blood of Christ, who through the Eternal Spirit offered Himself without Blemish unto God, cleanse your Conscience from Dead Works to serve the Living GOD? -Hebrews 9:13-14.*

It is True that after the Death of Jesus, the Temple Sacrifices were no longer required and that during the Church Age, the Spiritual Temple is His Body, etc. During that Time and Place, a Temple and an Animal Sacrificial Ordinance will be in place. But what are these same 'Brethren' to tell Jesus when a Temple and the Sacrifices will still be performed as a Commemoration throughout the 1000 Year Millennial Kingdom?

Books

DAILY SACRIFICES

The purpose of this Book is to present a case for the Redemption of Israel of how the Rededication of the Altar of Sacrifice is directly related as the Precursor of coming 3rd Temple.
