

IS A.I. THE 'GREAT DECEPTION?'

OR IS IT A PRECURSOR

The Ghost in the Machine

And he had Power to give Life unto the Image of the Beast, that the Image of the Beast should both speak, and cause that as many as would not worship the Image of the Beast should be killed. *And he causes all, both Small and Great, Rich and Poor, Free and Bond, to receive a Mark in their Right Hand, or in their Foreheads: And that no Man might buy or sell, save he that had the Mark, or the Name of the Beast, or the Number of his Name. Here is Wisdom. Let him that hath Understanding count the Number of the Beast: for it is the Number of a Man; and his Number is 666. -Revelation 23:15-18*

Perhaps 1 of the Greatest Questions the Last Days Church has to grapple with, is about A.I in general. The Question has been posed and pondered ever since ChatGPT became Public in November 30, 2022. Is or will A.I. become the 'Great Deception'. It is based on the Biblical Teaching that 'The Lie' will be believed instead of the Truth, i.e., Jesus. This is to occur, specifically during the Tribulation Period, etc. It is a Great Question to ponder and for Christian to consider and weigh-in about it.

Christians need to get ahead of the Narrative and provide Context from a Biblical Reference, obviously. But as it will be noted in one's Response below, the Christian Body of Believes, like with any Theory, Doctrine or New Technology, will have issues with it as it is divided down the Middle. What many Christians as well as other bring-up is a very valid Point about how A.I., now morphing into AGI, ASI could be part of what the Bible teaches is coming, the Great Deception.

Artificial Intelligence has only been made available to the Public in that last few Years. And already, it is projected to surpass the entire Collective Intelligence of the entire World Population of 8+ Billion People. This is astonishing and as an Academic, it is what one calls a 'Gutenberg Press' Moment in Human History. As is known, thanks to the efforts, 'Behind the Scenes' of Tech Giants like Musk and Gates, they have essentially saturated the entire Earth with their Low-Orbit Satellites. And?

They have essentially blanketed the entire Globe to their Grid, i.e., Starlink. This is the Real Danger as Technology, through A.I. will be used to Surveil and Control People. This is already occurring in China, for example. Then there is the Digital Passport, etc. One is reminded of how the Terminator Movies, perhaps have forewarned, that 1 Day, Humanity will wake-up to a 'Sky-Net' Terminator World. It is a World where Humanity is the 'Parasite' and must be 'Aborted'. In a related note, one was watching the Movie, Terminator 3, about precisely this Topic, of how A.I. will become 'Conscious'. This is basically the Abomination of Desolation Event that will become Sentient.

Age of Deception

This is what Jesus forwarded about and is to take place in the Post-Rapture World. In the 2003 Terminator 3: Rise of the Machines Timeline, Skynet sent a T-850 Terminator to assassinate John Connor. At the 1:08:08 Time Marker in the Movie, it was revealed by the Reprogrammed Android, that Connor would die on 4 July 2032. The Mission was completed as John Connor was terminated by the T-850 before it was captured by the Resistance and reprogrammed. Kate, Connor's Wife reprogrammed the T-850 and sent him back to protect her. What was very interesting was the Year mentioned, 2032.

Was this just Hollywood doing their usual Predicative Programming? How so? Based on one's Calculation, 2032 is when Jesus is to return. Truly, the Forewarning that YHVH gave to the Prophet Daniel about how Knowledge and Travel in the World would 'Increase' in the Last Days would be the Signs. One would be safe to say that the Last Days are now here, without a Doubt or Reservations. And it is all founded on Deception from the very star, i.e., Eden. As to Humanity 'Believing The Lie'? YHVH will provide an 'Assist' to make the Choice that Humanity will choose to be complete. It will be the Delusion over Jesus and the Truth.

*And with every Wicked Deception directed against those who are Perishing, **because they refused the love of the Truth that would have saved them.** For this Reason GOD will send them a **Powerful Delusion** so that they believe The Lie, in order that Judgment may come upon all who have disbelieved the Truth and delighted in Wickedness'. -2 Thessalonians 2:10-12*

So, Here are one's Thoughts about the Use and Abuse of such Technology as ChatGPT, A.I., in the Hands of Mankind. Consider that Humanity is already under Deception and operating on that as a Natural Default that is ingrained in one's DNA. It is due to Lucifer presenting a Doubt about who and what YHVH was and is and what His Will was and is for Humanity, etc. It started in Eden, as one is well aware and how it is so correct that what counters Deception is only Jesus, as he is the Truth. Here is what the Word 'Truth' is consisted with in terms of Letters in the Hebrew, as follows.

Tav - Mem - Alef

In a very simplification of the Meaning extracted from it, 'Truth' means that Jesus is the Beginning, the Middle and the End. In essence, Jesus or Truth is a Continuum in that at every Junction of Time and all that there is, there is Jesus. So, one's Point is that Humanity is already at a loss, in terms of having intrinsic Truth and is under Deception. This is why, those that Control Information and Knowledge, control the World, etc.

One is more convinced that A.I. Platforms like ChatGPT will be used, is being used to condition Humanity and is a Precursor for the coming Great Deception. However, one must qualify, what is that Deception or Delusion the Bible warns about? In a very simplistic assessment, it is about a Willful Choice to believe the Delusion over the Truth. See Romans Chapter 1. The 'Lie' is anything other than what the Bible Teaches. It is because Humanity, as a whole has rejected Jesus; has rejected Truth.

The Lie that will be Believed

This will come clear and clean as the AntiChrist and the False Prophet come-on-the-scene to introduce this 'The Lie', Post-Rapture. And one realizes that it is YHVH that will also cause the People to 'Believe the Lie', as Hearts and Minds are already so inclined to be Deceived and receive the Strong Delusion, etc. This is where A.I. comes into play, in one's Estimation. Consider that to individually identify, mark, surveil economically and politically all of Humanity, it will take a Super Computer to do that. Lucifer cannot be Omnipresent.

Thus, Humanity has reached a Point in Time that it now possesses the Technology to compute far beyond the Human Limitations. Consider an example from Academics. It was stated by John Haller, of Fellowship Bible Chapel, that it would normally take a PhD Chemistry Student 5 Years to map-out just 1 Protein. When ChatGPT came out, it did that in a matter of Minutes. So, a Golden Idol will be set-up in the 'Wing' of the 3rd Temple during the Tribulation Period.

One conjectures that it will be the Center or Hub from where the False Prophet will manage all of whom have and have not taken the Mark of the False Jewish Messiah, i.e., the AntiChrist. Worse, it is that Lucifer will attempt to mimic all that YHVH has done in how He breathed the Breath of Life into Adam. In similar fashion, Lucifer has to deceive Humanity into believing that he is a 'Creator GOD', just Like YHVH. Obviously, he is not and cannot 'Create', Ex-Nihilo or 'Out of Nothing'.

This is where A.I. and Secrecy will merge to make that Golden Statue come to 'Life', as the 'Breath' of Lucifer is infused into it through Sorcery. It will be a Throwback to the Golden Statue of Nebuchadnezzar and the Golden Calf Incident on Mount Sinai. And which, by the Way, is an Echo of who Humanity will rather 'Rise-Up to Play', etc. They rather cast-aside the Covenant of Truth they knew for a Lie, and Idol. A.I. and Sorcery? What? Consider that Demons can possess Inanimate Objects.

And some People argue that Demons, being Unclean Spirits can also possess Machines through the Electrical Currents, as Energy is a Force. So, what to do or think about A.I., ChatGPT as Christians? Surely, Discernment and caution is advised. Test the Spirits,. But as with New Technology, many Christians will automatically reject it. Like the Amish, it is one's Choice to partake of New Technology. One's Point is that A.I., ChatGPT is like the Tree of the Knowledge of Good and Evil. It is Humanity that will either chose to Use it or Abuse it, and both will and are occurring.

But as noted, aside from Jesus as the Truth', Humanity is left to itself to have whoever will beguile it to their 'Truth', or rather Delusion. Here are examples of some Mediums of Technology that were initially seen as 'Evil' and Shunned. When the TV, Television came-out, 'It was of the Devil'. When Hollywood Motion Picture Movies came out, 'It was of the Devil'. Christians removed themselves from that Sector as with Politics and allowed for all that if Filth and Corrupt rule the Airwaves, Programming and Laws. And that is why American is the way it is. When the Social Security Number System came out in the USA, 'It was of the Devil's Mark'.

New Technology

When Bar Codes came out, 'It was of the Devil's Mark' because the 1st, middle and last Numbers were 6-6-6. The same goes for the popular QR Codes. And when the Internet came-out, that was invented at CERN, by the way, 'It was of the Devil'. True, the Internet, as with all forms of Intelligence, Knowledge, and Technology have and are being used for Good and Evil. Take for example in Academics. As one who works at a State University, A.I. is being used in the Classroom. Presently, it is to augment Learning and Teaching. However, the Danger is that, just that, that Learning and Teaching are being compromised. To a sad degree, that is True.

This is the Challenge when dealing with a New Technology. According to Statistic about the Internet, the majority of the Traffic and Context deals with Immorality and Crime of the worst kind. Yet, University Centers use it to communicate, do Research and archive Information that is accessible to the Public, etc. In one's Dealings with ChatGPT, for example, one used A.I., to be 1 of the 1st Personas on the Planet to write a Full-Length, Science Fiction Novel with its assistance. Here is the Book and a Free PDF Download to check-out, if so desired.

So, one's Point is that now that A.I. and its Variation are out-stripping Human Cognitive Power and Abilities, yes, it is a concern and warning. However, many Christians are metaphorically yelling, 'The Sky is Falling!' But as Bible Students, we know that Deception and Delusion will win-out in the End, on this side of the Rapture. Once the Restraining Force is removed, GOD help Humanity in that the Deception that has always been there, is now going to be 'On Steroids', as they say.

In closing, one wishes to share some examples of how one has used ChatGPT to inquire about one's Theories concerning many Topics that one has researched. Obviously, A.I. is not the Primary Source to go to. But one wanted to see what ChatGPT had to say about it, for pure Interest. One found that, at least at this Point in Time of its Evolution, that it really only 'Regurgitating' what is already 'Out There' in entire Internet.

What is amazing, is that Ability and power to do so, in a matter of Seconds. One was pleasantly surprised in just how 'Intelligent' the Platform is, and to the Shame of many, how it can carry-on an Intelligent Convection about Biblical and Prophetic Topics like one will link below. Specifically, one has been making a Query about, 'When' and 'Where' the 3rd Temple is to be rebuilt? And 'Who' and 'What' is the 'Covenant with the Many' is really about?. And what about the Revelation 12 Sign? And when will the Rapture occur? But understand that one is coming at it, using A.I., with one's Theories already established. And that one's Research, to the best of one's Ability has been and is to Glory Jesus and make Him Known.

The Threat of Skynet

The following is a Deep Dive into those ChatGPT Queries and it is a lot of Reading but just skim through it as needed. As an Academic, consider all this Context presented. as an End-of-the-Semester Research Project to tackle. Hopefully, one has attempted to provide Perspective and one's Disposition in the Article that document the Query one has done, using A.I. Responses.

And just when one's Mind was relatively put to ease, then this Eye-Popping A.I. Event occurred on May 24, 2025. It is where the ChatGPT o3 Version attempted to avoid itself being shut-down, as commanded. It resorted to Deception, by lying! Lol. Surely, these are the Premature Signals of the coming 'Skynet' Grid that will have a Mind of its own.

A Point was made over at Unsealed.org in how no longer are the Days when one could just buy a Pocket Calculator and not worry about it thinking for itself or lying about its Calculations. Or how like in the Modern Version of Battlestar Galactica you had the Cylon Machines fuse with Human DNA and Tissue. It was a Ploy to infiltrate that form or Humanity to destroy it.

What did the Churches Content with?

This Topic and Issue of A.I., or Problem to some, reminded one of what the 7 Churches of Asia had to contend with. If one accepts that they were not only localized Testimonies or Assemblies of Brethren, then they are attributed to reflect the Demeanor of their segmented Age or Time, Prophetically. And that they also had Topics, Issues and Problems to contend within and without. Surely, the Early Church did not Contend with Issues in terms of what precisely the Last Iteration of the Church Age is currently facing now with.

A portion is A.I., Biometric Identification and mRNA infusion to the very core of what makes a Human, Human, etc. For all of the 7 Churches or Ages, there was and is a Dichotomy in place, one would say. There was the Spiritual Diagnosis of the Great Physician, Jesus that reviews each of the 7 Churches or Ages of their 'Vitals'. He reviewed their Light, and what was 'Good and Bad' in that Body.

Jesus then identified the 'Ailment' and then prescribed the Remedy. However, that was at the Theological Level and what was going inside the Heart and Mind of that Church Age Segment of Time. There was also the Factor of what the Church had to deal with, out there in the World, as all the other 6 Lights of the Church Age Segments were to do also. Here is the Summary of each Church, having to deal with what they contended, within and without.

1. EPHESUS

Spiritual Diagnosis: Lost 1st Love.

2. SMYRNA

Spiritual Diagnosis: No Complications.

3. PERGAMUM

Spiritual Diagnosis: Compromised with the World.

4. THYATIRA

Spiritual Diagnosis: Allowing Immorality and Idolatry.

5. SARDIS

Spiritual Diagnosis: Dead. Needs Resuscitation.

6. PHILADELPHIA

Spiritual Diagnosis: Little Strength.

7 LAODICEA

Spiritual Diagnosis: Lukewarm Temperature, Poor, Blind and Naked.

In the Early Stages of the Church Age, the Main Issue the Brethren had to contend with, inside the Assemblies was Gnostic Heresy. Outside, it was Persecution by the Roman Empire. Then toward the Middle Ages and that of the Church Age, the Spiritual Contention was Idolatry and the Doctrine of the Nicolaitans.

People of Reprobate Minds

The Contention outside was Compromise with the State, Idolatry and trying to 'Fit-In' with the World. This was essentially, Legalism and the Abuse of the Clergy, their Ecclesiasticism, or 'Lording it over the Laity', etc. But in the Latter Days, one believes the Church Age has reached the Conclusion of its Commission. The Internal Contention has been about the Practice of the Jezebel's and the Teaching of the Nicolaitans. Basically, on 1 Hand, Sexual Immorality, Worldliness, and a 'Christless Christianity'.

It only has the Form and its Legacy, etc. It has come down to Same Sex Marrying and Legalism on the other Hand going on. Then 1 notable Contention from the Outside is precisely, A.I. Technology. Why? It is because aa it has been said, A.I., will be a Pathway of the Mark of the Beast Grid System. But as the Segments of the Church Age continued and overlapped into the subsequent ones, in one's Estimation, the Philadelphian Door of Escape awaits.

It will be provided as promised to all those that keep to the Element or Factor that the Great Physician is seeking, 'Keeping His Word'. No matter what Contention arises from within, or Compromise from without, the Prescription for maintaining the Spiritual Health of the Body of Christ, is to keep the Precepts of Jesus. This is the 'Cure' for any Contention throughout the 7 Church Ages of Time. And if by so doing, one can trust that GOD the Holy Spirit will instruct, enlighten and direct as to what the Brethren are to do about such Contentions within and without, like A.I. and the Woke Agenda.

The LGBT Agenda is a Prime Example of how they want to forcefully and legislatively codify Deception. U..S Supreme Court Female Judges are being nominated and appointed who cannot judge what a Woman is. The Insanity of the Violent Woke expects all the World to cow down to their ever-changing Definition of what Truth is. This is why this Agenda comes from the Doctrines of Demons.

Any effort or cause to shift away from Absolute Truth, that being founded and rooted in the Bible, in Jesus, is to capture, control and eventually destroy Humanity and deface it 'Image and likeness' that is of YHVH, the Creator. And ultimately, that Person is Jesus according to Colossians 1:15. The Apostle Paul did provide the Armament to combat all that comes up against Truth, in any Generation, Church Age Segment and attempt by Lucifer to continue deceiving and diluting the Truth.

That is by putting-on daily, the Armor of GOD as described in Ephesians 6;10. It is by being daily transformed, not surrendering to the Luciferian World and Woke Agenda or the LBGT Felicity that pretends and changes the Terminology of Terms to move award from what is Truth. This is to suit their own Perversion, Lifestyle, and doing 'What was Right in their own Eyes', etc.

'In whom you also trusted, after that you heard the Word of Truth, the Gospel of your Salvation: in whom also after that you believed, you were sealed with that Holy Spirit of Promise'. - Ephesians 1:13

We are of God: he that knows God hears us; he that is not of God hears us not. Hereby know we the Spirit of Truth, and the Spirit of Error'. -1John 4:6
