

RAPTURE TIMING—PENTECOST NEW WINE

DAY COUNT BASED ON THE LORD'S SUPPER

Applied to the Phi Ratio Pattern—Signature of GOD

The purpose of this Timeline is to correspond to the Last Day that Jesus broke Bread and took the 3 Cups of Wine before His Crucifixion. If one supposes that Prophetic Time is based on the Phi Ratio, then exactly 100 Days from April 13, the Day before the Crucifixion to the July 23 Acts 2, 2nd Shavuot Count of 50 Days it 100 Days. One is also assuming Months of 30 Days. This July 23 Date would correspond to the to the Center Spiral or 'Vortex' that the Spiral Arm of the Phi Ratio Arch produces.

The Phi Ratio Spiral is used for emphasis and is superimposed onto the Timeline from an April to March Time-Frame, given a 12 Month Year. The Point is that July 23 is when the next Point in Time, the Wheat meets the Wine. One contends that the accurate Day Count to determine New Wine, starts from a Nisan 15. This Day Count adds-up to the 7 Sabbaths or 49 Days and then a subsequent Count of 50 Days, etc.

The New Wine Feast is what corresponded to the True Pentecost, when it had 'Fully Come', and is the Key and Cut to why the Acts 2 Pentecost is not the same as the Jewish Shavuot in June. But considering the LORD's Supper, realize that it occurred the Night before Jesus' Betrayal. Based on the Jewish reckoning of the Day, that was April 13 at Sunset. One is assuming, based on Research, that Jesus was Crucified in 32 AD, in April 14 when the Week-Day was a Wednesday, as foretold by Daniel, 'In the Middle of the Week.

Thus, Jesus rose exactly 72 Hours later or 3 Days of Full Night and Day Hours. This comes out to a 3pm Resurrection on Saturday the Sabbath. So, one's Supposition is that perhaps, the Rapture Event that closes-out the Church Age, as it began on a July 23 Date and Time, is when it will end, etc. The Rapture Event would appear to suggest its possible Timing, Mathematically in terms of the Phi Ratio since the LORD's Supper. Does the 100 Days from the LORD's Supper to the July 23 True Pentecost New Wine Date have any Prophetic Significance. One

would say 'Yes'. What follows are some Excerpts from the BibleStudy.org Website that chronicles such Information and Meaning. Perhaps one may sense, after reading them that there is a clear Theme of Redemption, Rebirth and Rapture, one would even dare suggest. Here is the following Observation one has been working on and looking at. But one must realize that it is just 'me' that is watching for this Day. Well, as many People may know, one believes that the Golden Ratio, or the Phi Ratio is the 'Signature of GOD' in which all created things are patterned and constructed on. It is seen in the Galaxies to Vegetation, Growth Cycles, Sacred Gematria and the Human Body, etc.

Completion of the LORD's Supper

One has been enthralled with this Concept and how one has applied it Prophecy. It is that one surmises that Prophetic Time is marked by this Golden Ratio, just the same. More so, is that one asserts that when the Rapture Event occurs, it will be precisely at a given Phi Ratio Time Marker. Evidence? Consider the following Correspondence one is strongly suggesting. As one knows that one has championed that the Acts 2 Pentecost Event was not and is not the June Sivan 6 Shavuot of the Jews. Rather that the Pentecost of Acts 2 was the 2nd Count of 50 Days, etc.

And that it corresponded to the Feast of the First Fruits of the Wine. Check. Then if one uses one's 32 AD Crucifixion Year and Month and Day Count, guess how many Days would it be from the LORD's Supper to the Pentecost New Wine of Acts 2? It would be precisely 100 Days. Here is one's Rationale. Realize that if April 14, 32 AD was the Crucifixion Year, the Month and the Day, then the LORD's Supper occurred that prior Night on the Gregorian Calendar of April 13. This was the occasion where the Bread or Wheat, but unleavened and the Wine met. These would be the Motifs and the Sign of the Rapture Promise of Jesus' Return for all of the Duration of the Church Age, etc.

April 13 + 100 Days = July 23 (723)

And? Well, if one places the 12 Months of the Year in a Timeline, starting with April, and then one superimposes the Phi Ratio Spiral for a visual Effect, guess what the Center Fulcrum corresponds to? July 23. Coincidence? Well, not so Mathematically, apparently. And? Well, as it is known, if one 3-Dimensionalizes the Phi Ratio Spiral, it construes a Vortex, a Tunnel, a 'Star-Gate' or Portal that transcends Dimensions.

This is why, thus, one is conjecturing that the 'Best' Candidate for when and where the Rapture is to occur is on a 723 July 23 Date. Perhaps but it is pegged directly to how on that End of the Wheat Harvest, the 2 same Elements or Signs of the LORD's Supper are mirrored, the Wheat and the Wine. And that it is the Time of the Jewish Weddings when the Wheat Harvest Sheaves were brought in; a True Cause for Celebration.

So, have a look at the Chart for a Visual Depiction to see what one is trying to convey. And then see and read what is the Spiritual Meaning of the Number 100. It is very eye-opening, one would say in relation to this Connection between the 100 Days from the LORD's Supper to the True Pentecost New Wine Even as recorded in Acts 2, 100 Days later.

Perhaps one may sense, after reading them that there is a clear Theme of Redemption, Rebirth and Rapture, one would even dare suggest.

So, why one pegged the LORD's Supper to the True Pentecost New Wine Date of July 23 is that based on the Promise of Jesus, it is at the Rapture Return that the LORD's Supper will be complete. It will be at a Convergence of the End of the Church Age Wheat Harvest. It will coincide with the New Wine that after the Rapture, Jesus will Drink anew in the Kingdom. If this Scenario is correct, then the Marriage Supper of the Lamb comes after the 7-Year Honeymoon in Heaven.

It is where the Bride will be in that Wedding Chamber. And the Wedding Guests a that Marriage Supper of the Lamb, in the Kingdom will be the Old Testament Saints or Believers. This is what Jesus alluded to in how Abraham, Isaac, Jacob and all the Prophets would partake of the Wedding Banquet of the Kingdom. Jesus spoke in those Parabens of how the Kingdom was like a Father preparing a Wedding Banquet for His Son, etc. Thus, given the Boaz and Ruth Typology, the Rapture is what kicks it off.

Meaning of Number 100

Abraham was 100 Years Old (Genesis 21:5), and his Wife Sarah was 91, when Isaac was born.

The Patriarch Shem, one of Noah's 3 Sons who survived the Flood, gave birth to his Firstborn Son when he was 100 Years Old.

A group of Jews, at the time of Ezra, was allowed to return to Jerusalem after Years in Captivity. When some of the Elders came into the City, they saw the Temple lying in ruins. The sight motivates them to contribute Gold, Silver and 100 Priestly Garments toward the Restoration of the Temple and its Services.

King Saul, who both envied and despised David, wanted him dead. One way he attempted to accomplish this was to require, instead of a Dowry, that David kill one 100 Philistines (Israel's Fiercest Enemy) before he could marry his Daughter. Saul's Hope, however, of having the Philistines murder him were crushed when David killed 200 Men and brought their Foreskins back as proof (1 Samuel 18:17 - 27).

In Matthew 18:21-35, a Fellow Servant who owed him only 100 Silver Coins refused to forgive his Debt. The Parable of the Unforgiving Servant is one of GOD's many Warnings that he requires us to forgive others. Jesus gave the example of a King who forgave the Debt of a servant who owed him a large Sum.

Jesus' Parable of the Sower reveals the wide variety of responses humans can have toward the Gospel Message. Those in which the Truth takes root can produce 'Fruit' (e.g. Love, Service to Others, and so on) in varying Proportions. Believers can produce Fruit that is 30, 60 or even 100 Times more than what they received from God (Mark 4, Matthew 13).

Jesus, in his Parable of the Good Shepherd (Lost sheep), illustrates GOD's profound Love for Humanity, even for those who lose their way. The LORD is willing to do whatever it takes, including pursuing only 1 LOST 'Sheep' out of 100, in order to save someone who has gone Astray.

The Greek word Pharisaïos, Strong's #G5330, is found 100 Times in 95 Greek New Testament verses. It is found the most in the Book of Matthew (30 Times) followed by Luke (28) and then John (20). The word, which means a 'Separatist', is translated as 'Pharisee' in the King James.

The Israelites, when they left Egyptian Bondage, brought with them the Bones of Joseph. After entering the Promised Land, they buried them, per Joseph's request (Genesis 50:25), near Shechem in the Land his father Jacob bought for 100 Pieces of Silver.

GOD, during the Millennium, promises that People will not have their Lives cut short due to the effects of Sin. All humans will be able to live at least to the Age of 100.

A Phi Ratio Rapture?

Now, there is Day Count that the New Wine and the Rapture possibly happening on the 9th of Av instead. Some Beloved Brethren hold to it as it is how they explain it or rationalize it. It is just as 'Good' of a Theory as any or the one that one argue not for it.

Objectively, here is the Deal, if the Typology is being used for the Destructions of the Temple, i.e., the Body at the Rapture Event? OK. But one has to then apply the Reasons for why what happened to the 2 prior Temple apply to the Body of Christ, the Body, the Bride and Timing. So, let us do a quick Summation of the Prophetic Typology.

1) Temple = Body CHECK

2) Spiritual Temple = Bride of Christ CHECK

3) 9th of Av = 2 Prior Temples Destroyed CHECK

4) New Wine = 9th of Av (Per Dr. Awe and Tyler) OK

5) Golden Calf Incident = 9th of Av (Per Dr. Awe and Tyler) OK

6) Ergo: The Rapture is to take place on the 9th of Av. OK

As touched upon in one's prior Research, the Prophetic Typology has to carry through to its 'Logical' Conclusion. Meaning that if the Deductive Reasoning is used, it is the Body, the Bride of Christ that is to be Judged, Killed and Destroyed. One does not see the Prophetic Pattern following what Jesus has always promised to the contrary, that His Body, this Temple, this Bride is to be spared from precisely what is rather to befall on Israel to complete its Divine Discipline, etc.

It is mainly for these Reasons stated that one just does 'not see it'. Obviously as mentioned, YHVH does not need to follow one's Human Logic. And in many cases in the Bible, that is what actually occurred. Now, we realize that based on purely Prophetic Types, one will not always have a 'Perfect' Match. And if this Date of Duress for the Jews is when the Rapture occurs to 'Get their Attention'? Perhaps. It is only like a Week after the July 23 Date.

But as other well-meaning Brethren use their specific Day Count based on their Interpretation of what the 'Morrow after the Sabbath' is, it is how they arrive at the 9th of Av. No Problem. The Scrutiny also applies to one's July 23 Date. So, that is why one has attempted to use Mathematics to strengthen one's Argument.

Here is the Evidence, shared prior of how the Date of the 9th of Av is 'Exclusively' pertaining to, and relative, only to the Jews and not to the Body and the Spiritual Temple of the Bride of Christ. Remember, from the HAMAS Attack on Israel back on October 7, 2023 to the 9th of Av in 2025, which is August 3.

= 666 Days

This Number in the Bible, as one knows is associated with the Number of Man and that of the coming False Jewish Messiah's Number, Name and Mark, i.e., the Mark of the Beast. And that by accepting it into one's Body, one will lose one's Provision only found in Jesus' Blood to be Saved, Redeemed, etc. Surely, that will lead to the Body, as a Temple to be Judged, Killed and Destroyed, Eternally.
