'For whoever wants to save his Life will lose it, but whoever loses his Life for My sake and for the Gospel will save it. What does it profit a Man to gain the whole World, yet forfeit his Soul? Or what can a Man give in exchange for his Soul?' -Mark 8:35-37

As with many Topics on the Internet, a certain Phenomenon will recirculate when it catches the Attention of those that perhaps missed it when it 1st surfaced as a Viral Point of Discussion. Or because of the Timing, the Topic becomes relevant again in that regard. Such is the case with the Euro 50 Bank-Note that has the 'Image' of the Horned God, Baphomet. This Depiction is configured when the Back of the Bill is folded 33% to the Left and then mirrored. One would not argue that the Motif does bear a striking resemblance to the Character that is the supposed Representation of the Devil.

The Euro became the Legal Tender in the European Union in 2002. One will share the Investigation about this 50 Euro Bank-Note superficially, as one was asked to comment on it. But realize that it is not 'New'. Contrary to the latest 'Release' of this 'Discovery', it is not about the European Central Bank releasing the New Euro 50 Bank-Note on April 4, 2025. This is really the only mis-information that there is about it. Upon researching the 50 Euro Bill, what is factual is that it was released on April 4, but in 2017.

The actual 'Discovery' of this Diablo 'Cuernado' or Horned Devil was 1st Reported by Br. Alexis Bugnolo in 2023. He is sort of a Watchdog against the Vatican and has a Website called 'From Rome' where he posted the Article. Even then, according to his Source, it was a Friend of his that alerted him to the 'Diabolical Motif'. What one wishes to add to this Phenomena, is that it is not only the 50 Euro Bank-Note that has a Devil or Demon Face. All of the Euro Bills in the Europa Series have the following.

- 1- A 'Demon' or Bull Face Motif emerges when the Back of the Bank-Note is folded by 33%.*
- 2- An 'Alien' Long Head is depicted when the Back of the Bank-Note is rotated by 90 Degrees.*
- 3-The mirrored fold of the Notes depicts a 'Portal' or 'Star-Gate' in which Demons manifest.*

One will provide the Evidence in the Charts linked in the End Notes. Since 2002, there has been only 1 real upgrade in the Series called the Europa Series, etc. Nonetheless, the Design or Theme has relatively stayed the same. Initially, there were 7 Bank-Notes. However, the 500 Euro Bank-Note was discontinued in 2019. What one has noticed is that the Euro 50 Bank-Note is the 4th Denomination of the Currency. It takes the Center, or in the 'Midst'. And? As one sees Patterns, its Value of 50 can be correlated, Biblically as a Crossover. It has the Number Association, being a Penta-Type of Value.

In God we Trust

One supposes that a possible Reason why the 50 Euro Bank-Note resurfaced on the Internet in 2025, is that many in the Biblical End Times Community had calculated that 2025 was a Jubilee Year. And that Numerical Count is based on a 7 x 7 Sabbath Week of Years, totaling 49 Years, etc. And it is the 50th Year that is considered to be the Jubilee. This 50-Year Count comes from the Jewish Old Testament Protocols. This next Section will just provide some Context and Background on the Euro, for those that are Numismatists.

The word Europe is derived from the Greek words 'Eurys' and 'Ops'. 'Eurys, which means 'Broad' and was a Religious Synonym for the Earth and 'Ops' means 'Face'. Europe means thus 'Face of Earth'. Biblically speaking, Europeans are the Descendants of Japheth, 1 of the 3 Sons of Noah that survived the Biblical Flood, etc. Additionally, in Greek Mythology, Europa (Aeuropa) was a Phoenician Princess who was abducted by the God Zeus disguised as a Bull.

She was taken to Crete where she later gave birth to Minos who became the King of Crete. Perhaps the veiled Homage to the 'Bull' or Horned Faced God is a Tribute. The Design of the Europa Series 50 euro banknote was revealed on 5 July 2016 and launched on 4 April 2017. The 50 Euro Note (€50) is by far the most widely circulated Denomination, accounting for almost half (49%) of the total Banknotes. Estimates suggest that the Average Life of a 50 Euro Banknote is about 4 Years before it is replaced due to wear.

The Note depicts Bridges and Arches/Doorways in the Renaissance Era (15th and 16th Centuries). The Euro was founded on January 1, 1999, when it became the Currency of over 300 million People in Europe. For the 1st 3 Years of its Existence it was an Invisible Currency, only used in Accounting. Euro Cash was not introduced until January 1, 2002, when it replaced the National Banknotes and Coins of the 12 Countries in the Euro-Zone.

So, how does the Horned Bull or Devil and the Grey Aliens play a role in Europe? One will now crossover into the Biblical Interpretation. The Bible teaches that the World, not just Europe, is ruled by the God of Mammon, Lucifer, the Old Serpent, the Dragon, etc. And he will use the Alien Greys as a Reason to explain away the Rapture Event. And based on Biblical Patterns of 7, notice that the 1st Series of the Euro Bills had 7 Bank-Notes. The 2nd Series called Europa eliminated the 7th Euro Bank-Note. The Number 7 in Biblical Association, is ascribed to being 'Perfect'. The New Series just has 6 Bank Notes. And the Number 6 is ascribed to Man. The initial Euro Bank-Notes are as follows.

Devil in the Details

In fact, it is the Number of Man and that of the Beast that the Bible teachers will rule the World through Money. And that Allegiance will have a Dimension of Worship called the Mark of the Beast. And that Number is Man's Number to the 3rd Degree or 666.

So, one's finding is that not only does the 50 Euro Bank-Note have Devil or Bull Face, but it is the 50 Euro Bank-Note that only has the 'Horns'. And the 50 Euro Bank-Notes is in the Midst, as if a 'Menorah Pattern' has been implemented. Surely, the Synagogue of Satan, who are in League with Lucifer that runs the World through their Central Banks and International Monetary Fund and World Bank, as well as the U.S. Federal Reserve has implemented these Biblical Protocols.

And because of this, one is more convinced that the Highlight of the 50 Euro Bank-Note is Predictively Programming who is really the 'God they Trust' in, and who gives them Power in this World, for the Time Being. As to the Alien Profile? It has the Classical Elongated Head and the Artwork does a fairly nice job of providing the Effect of the Face. It uses the Map of Europe to 'Mask' the Motif. So, these are basically the sum of one's Investigation. Sure, the Devil Horns, the Alien Grey and the Demon Face could all be based on the illusionary Phenomena called Pareidolia. It is an Effect in which the Human Mind ascribes Shapes and Anthropomorphic Attributes as seen or perceived in Objects.

This has been the case as other Researchers have demonstrated how the folding of various U.S. Bank-Notes appear to depict the collapse of the Twin Towers and the Attack on the Pentagon, etc. Now, as to why this Phenomena of the Horned Devil is being produced by a 33% Fold on the Euro Bank-Notes? And precisely, is it only the 4th Denomination or that of the 50 Euro Bank-Note that has the Horns prominently portrayed? Well, one just has to refer to the Warnings of the Bible and what Jesus said about Money. Money itself is not Evil or Bad.

In fact, a lot of the Parables that Jesus used had to do with the Faithfulness of handling Money. Why? If one is Faithful in the Little Things, one will be Faithful in the Bigger Things. It is a Spiritual Law, etc. Thus, it is the 'Love' of Money and the entrapment of wanting to become Rich that snared many a Soul into selling their Soul in exchange for Riches. And such are Riches that are not going to matter on one's Last Day on Earth. The other Spiritual Principle is that a Believer and Follower of Jesus is to seek Treasures in Heaven and invest one's Time and Energy to save Souls on this Side of the Rapture.

If Jesus blesses someone with Wealth, one would hope that it is used to further Christ's Kingdom. But many Souls are lost because of how Money blinds the Mind and Spirit of Humanity. This is thanks to the God of Money, Lucifer. In the USA, it is the 'God they Trust' that is inscribed in every Bank-Note of theirs. They even have their Seal of Approval, which acts as the Reverse Seal of the USA, officially. That Seal is another Motif in the Money of the Luciferian. It is the Masonic All-Seeing Eye, Truncated Pyramid. It is really a veiled Unfinished Tower of Babel that YHWH interrupted. Nonetheless, it is the same God of Mammon.

Mark of the Beast

Behind it all is Lucifer and his Money Minions who do this, 'Hidden in Plain sight', who own the World, for the moment. They are just signaling their Stamp of Identity. So, how is the Horned Devil and the 'Aliens' working toward this? Well, as one suggests that after the Rapture Event, the Collapse of the U.S. Dollar will occur. It will facilitate the Rise of Europe. But with the Rise in A.I., Artificial Intelligence and Block-Chain Technology and Biometric, a la mRNA, the New Economic Grid will involve what is called the 'Internet of the Body'.

This is to suggest that the Mark of the Beast is surely to come to fruition based on what is occurring now in the Economic Global Money Supply. And it will be from Europe, or the Ancient Roman Empire where the AntiChrist will arise from. One is more convinced that it will be from the Regions what are in the Near East, especially the Syrian Region. Why? The Old Testament alludes to how the Man of Lawlessness is called the 'Assyrian'.

Sure, it could be a Euphemism or Nickname, but the World is soon to welcome him, the 'God of Mammon'. He will be the embodiment of the Horned Bull', the Beast along with the aid of his Demons and 'Alien' Greys. Eventually there will be a required Digital Block-Chain type of Money that will be infused as a Biometric Wallet within one's very own Body. And this will be at the DNA level. This is really the stepping-stones to the eventual Mark of the Beast. That is where A.I., Transhumanism and the Horned God of Mammon will all fuse to make it happen. It already is.
