A Coming Birth?

So, one's Rapture Scenario for a July 23 New Wine correspondence did not come to pass as one had calculated for 2025. I offer one's Apologies. Now, on to other topics of interest then. Not that it has to be as I had determined, but we press on. It was only based on a best educated guess using types and shadows. Yes, People say that the Rapture can happen any day, but one's point and disposition is that it cannot. I do not subscribe to the notion of Imminence. Why not?

Nothing that YHVH has done has occurred on 'any day'. One's point is that the Rapture, like all other Feasts or Prophetic Events, are determined by a specific Year, Month, Week, Day and Hour. Perhaps the timing of the Rapture of the Bride of Christ is not for us to know precisely. But what did the Schools of the Prophets do concerning the Rapture of Elijah? He was an example of how there are certain clues, typologies and timing hinted at throughout the Old and New Testament. One's attempt has only been to try to piece together from what one has come to understand and thus share.

Surely no one was and is expecting a July 23 Rapture Date attribution to the New Wine day calculation, etc. But note that it qualified as being a time that all would not be considering or expecting the Rapture to occur on. For example, consider now the latest date for the Rapture that is likewise prognosticate to occur on Av 9 or on September 23, 2025, right on the 8th Day Anniversary of the Revelation 12 Sign.

And this began to be picked-up by a Man named Joshua from Africa. Yet, if one then applies this same condition that the Rapture will occur when one will least expect it, then it will disqualify the September 23, 2025 Rapture prediction just the same because everyone is not focused on it being so. Nonetheless, what one still has a measure of confidence is how the year 2025 is still the greatest candidate for the Rapture Event to occur.

32 AD + 2000 Years (2 Days) = 2032 – 7 Year Tribulation Period = 2025

But note that if it does occur in 2025, it will only be 1,993 Years from 32 AD. One is assuming that is the year of the Crucifixion of Jesus, etc. Thus, the Church Age is shy of 7 Years to reach its 2000 Year Anniversary. This is also predicated on the Prophetic Template of how 1 Year is equal to 1000 Years. As to failed Rapture High Watch Days? It is always good to have and go through the Rehearsals. It shows one's desire to be with our Groom. 1 Day, there will no longer be a need for Rehearsals. And if the First Fruit New Wine Rapture does not agree for 2025, then it just means it is not time yet.

Rapture Timing and the Revelation 12 Sign for 2025?

Surely more study, revelation and discernment is in order. Except that a lot of us are very weary. So, what about the Revelation 12 Sign 8th Year Anniversary on September 23, 2025 being inferred as a possible Rapture timing? Perhaps. It could and it is precisely on the Civil New Year this time around in 2025 that is the only one in recent memory to coincide with. However, upon studying the Astronomy of its configuration, the Rapture inference is missing. How so?

If the Rapture Sign was all about the Planet Jupiter being the Man-Child and Planet of the Messiah that was in Gestation for 9 Months in the Constellation of Virgo, then sure. But for this September 23, 2025 Astronomical Alignment in Virgo, there is no Jupiter or Man-Child Motif to even speak about or infer a Rapture typology with. Remember that Jupiter is next to resurface in Virgo in 2029.

So, just based on Astronomy, one cannot reconcile a Rapture timing linked to the Feast of Trumpets for a Revelation 12 Sign of September 23, 2025. In one's understanding, it is because the only Feast that YHVH connected to the start of the Church Age was at Pentecost. And thus, the theory that the Church Age will end at such an anniversary is still more compelling in one's understanding. One would hope and that has been one's thesis for several years now. Here is an Article about it if one want more context about the Revelation 12 Sign for 2025.

#A132: REVELATION 12 SIGN ANNIVERSARY

BIRTH PANGS OF THE MESSIAH

Signaling the Timing of the Rapture Portal?

One cannot remember if one had shared this about the Texas Flooding that took place on July 4, 2025.

1) It occurred because, in part, due to the Guadalupe River. It was reported that it surged over 30 Feet, which is unheard of because water was intentionally released from its dam.

2) And that it was at Kerrville, Texas. That is the place where the 'X' intersection occurred of the 2 Great American Solar Eclipses.

When one first heard about the Dam releasing the water and the name of the River, it clicked in the following way. Consider that the Virgin Mary is an iteration or apparition of Guadalupe. She is considered the Matriarch of the Americas. And? She is the depiction of the Revelation 12 Sign. If you pull-up images of the Virgin of Guadalupe online, you will see that she is clothed in the rays of the Sun in the background. She is cloaked with a Mantle of Stars. And the Moon is beneath her feet. So, yes, others have surmised this 'Breaking of the Water' of sorts and how a 'Birth' is imminent.

End of the Church Age Commission

But the uptick in global earthquakes and flooding in other parts of the world is very interesting. As to the Bride of Christ completing the remaining 7 Years in Heaven in that Isaiah 26:20 Chamber? The evidence is that there is a dual fulfillment of it corresponding to the remaining 7 Years of Daniel's 70th Week. As Jacob's Troubles is being dished-out on earth below, it is that People will still be able to be saved by Grace alone.

People will still be able to call upon the Name of Jesus for Salvation, just as it is now on this side of the Rapture but as the Church Age bride of Christ has been extracted to Heaven above. The 7-Year Tribulation Period will end as it began in how there was that same 'overlap' of the 2 Covenants, seemingly in that from Acts 2, the New Covenant was inaugurated in 32 AD, one is calculating.

Yet, the Jewish Mosaic Covenant of the Daily Sacrifices were still being performed at the Temple. To be clear, although the Jews trusted in them, it was all just empty religious rituals that no longer could atone for their Sins. This is what will be going on with the Daily Sacrifices during the 7-Year Tribulation Period. It will be empty religious rituals because of the overlap with the New Covenant.

It was not until 70 AD that the Temple, Jerusalem and Israel were totally destroyed. Back then, since 32 AD, there was that overlap of 38 Years. So, during the Tribulation Period, the Mosaic Law of the Daily Sacrifices will be key in their reinstitution of how the Jews still think that it is the only way they can be atoned for. It is because as a nation, they still reject the New Covenant and the Last Passover Lamb of YHVH, Jesus.

The difference is that during the 7-Year Tribulation Period, there will not long be the Body of Christ on Earth, as it has been raptured to Heaven. This is why the Church Age Believer, up to the point of the Resurrection-Rapture Event in Jesus cannot and will not step 1 Second into Daniel's and Jacob's Trouble. It is clear that during this Tribulation time, the following circumstance will exist then that does not and cannot exist now.

1) The Jesus Believers will be allowed to be worn-out and killed en masse due to the Noahide Law. See [Revelation 13:5-7](#).

2) And then as to the Remnant Believing Jews, their Power will be broken. See [Daniel 8:24,25](#).

For the Body of Christ presently, this wearing-out is impossible as the Gates of Hell can never prevail over the Body of Christ on Earth. Yet, do individual Believers and Followers of Jesus in the Church Body experience Tribulation, Persecution, Suffering and Martyrdom? Yes. But total Destruction of the Body of Christ on Earth? Never.

It is because of the Body or 'Encampment' wherein Jesus as King is present in the Camp. The purpose of the Rapture is to remove the entire Camp from Earth to Heaven. That is amazing. As with Balaam, Lucifer, his AntiChrist and False Prophets in the World cannot curse something Jesus as King, once resurrected, has procured and blessed. Obviously, this is one's interpretation.

It has to do with what pertains to the Church Age and what pertains to Jacob's Trouble. All that to say, that both of the 7-Year timelines converge in 2025 and will end in 2032, simultaneously. Thus, if 2025 is the Rapture Year, then the return of Jesus, along with His Bride is to return in 2032 to rescue the Father's Bride of Old. Of course, this is one's interpretation. As to why there are 7 more years for the Church Age?

1) It is predicated on the Crucifixion Year being 32 AD as one has calculated.

2) Then if one applies the 1 Day = 1000 Prophetic Template, then from 32 AD + 2 Days or 2000 Years = 2032.

3) So, if the Typology is that precise, to the very year, since 32 AD to 2025 has only been 1,993 Years. It is then '7 Years short' of 2000 or the 2 Prophetic Days.

4) This is where one's theory comes in to explain, possibly that the last 7 Years will be a dual track, timeline or fulfillment in that the 7 Years to reach 2000 will occur and be completed in Heaven above. One is surmising that this occurs in tandem as the same 7 Years of Daniel's 70th Year Prophecy will be completed for Israel below.

Lastly, consider the timing of the Rapture. It is to occur during a time, as best as we can interpret it as when things are 'relatively normal'. This could not have been said of during the COVID Plandemic. Or it cannot if some limited Nuclear Strike or war ensues. But it is 'just right' about now that when the Rapture Event does occur, such a time as this now in the World would be it, or like it. Perhaps.
