

Beautify Oakwood Village

Does your home need a facelift? Is it time to paint your house? Trim the shrubs? Pressure wash or paint your driveway? This is a great time to tackle those projects before the weather gets too hot!

Reminder: your trash MUST be placed in lidded cans when placed by the curb for pickup. The cans MUST be kept out of sight from the street per Section 11, page 9 of 14 of our deed restrictions.

THERE IS NO PARKING ALLOWED ON THE GRASS ANYWHERE IN OAKWOOD VILLAGE, INCLUDING YOUR YARD!

Remember to submit an **ARC request** for all exterior projects to your home. This includes painting, renovations, reshingling, solar installations and the like. The ARC request forms are available on the website oakwoodvillageflorida.com. **Yard Sale Requests** are also available on the website and must be submitted prior to your sale.

We have had several new families join our neighborhood! Welcome! Some have small children who are riding bikes or scooters while out with their parents. *The speed limit in Oakwood Village is 25 MPH.* Keep an eye out for pedestrians and pets!

Speaking of pets, be sure to scoop the poop!

There are 369 homes in our community. We can all work together to make our neighborhood beautiful, clean and safe. No one likes to send out violation notices or receive one. Oakwood Village is deed restricted, and we all agreed to abide by all of those restrictions when we moved here.

Be a good neighbor and help make Oakwood Village a
GREAT NEIGHBORHOOD to live in!!
