Presidents Message ...

It is hard to believe that summer is winding down and Fall is arriving already. It is also hard to believe how much is going on in our Cherokee Chapter each month all year long. In this issue you will see many examples of what I am talking about.

We continue to grow in our membership due to many of your continuing efforts to find new individuals with an interest in Vintage cycles to become AMCA Members. A large group of our members traveled to Iowa to man a Texas National Road Run Booth at The Davenport Meet. At the same time

another group of our members attended the Diamond Chapters Annual Vintage Motorcycles In The Park in Hot Springs AR. To show support for our Sister Chapter to the East. As you remember Mike Thomson, President brought a lot of people and bikes to our Chapters Spring Road Run in Jefferson TX. and we wished to be good neighbors and return the favor. Well done!

The New Indian Motorcycle Company shipped two new prototype Indians to a Chapter members home so that vintage Indian owners could experience the New Indians. This is something

that just does not happen often in one's lifetime.

We enjoy a great sport and belong to a great club and national AMCA. Like most things in life we get more out of things we invest more in.

See y'all On The Road!

John Nixon, President

Arkansas Vintage Motorcycle Show Huge Success

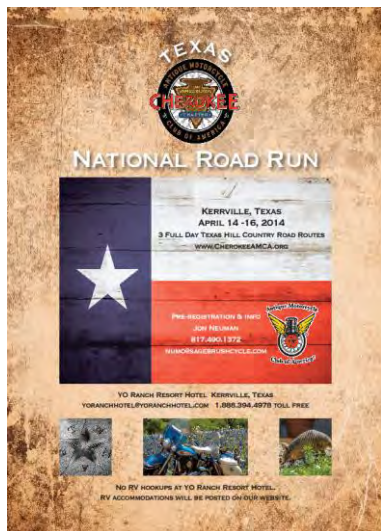

On Sept 5,6,7 Hot Springs AR holds a Motorcycle Rally. A great event for a small city to be able to fill up their restaurants, hotels and businesses for sure. But after attending the Convention Center Vendors Exhibit Hall, the Rally Bike Show, and two concerts...I gotta tell you was The Diamond Chapter **Vintage Bikes In The Park** put on by President Mike Thomson and his Diamond Chapter Members. I am not stretching the truth at all. This Show was held in

the beautiful Historic Downtown on a small tree lined parking lot in the exact middle of everything. 108 Vintage machines were lined up in three rows and there was something for everyone.

Ever see an entire row of pristinely perfectly restored Simplexes? Rows of Triumphs, BSA's, Indians, Harleys, Hondas, Penton, Husqvarna's, Cushman's, and even a beautifully restored Neracar. I am not doing the list justice here. All day long tens of thousands of rally attendees and visiting

travelers to the region all could simply walk into the free show look at the machines and talk to their owners. An extremely relaxed environment. As usual Shelby and Gloria Withrow spent all day in our Cherokee Chapter Area and talked to and signed up new members. Elton and Debbie Morris attended with two machines. Danny and Inez Crowe brought 4 machines and Steve and Joan Klein brought 6 Century bikes to help the Diamond Chapter grow their already very successful show to a new level. I encourage all members to consider this run to the Lakes next fall. The roads are wonderful, and the hospitality is first class.

We still need a couple more volunteers to drive the Chase Vehicle and also the Hospitality Van. Please contact Greg McFarland at gmcfarland@chargerllc.com or **214.912.9245**

More each month as we continue to plan!

Davenport Meet Booth was a Success ...

On Labor Day Weekend, numerous Cherokee Chapter Members attended the Blackhawk Swap Meet in Iowa for the sole purpose of spreading the word about our 2014 Texas National Road Run. Shelby and Gloria Withrow along with their grandson Richard, Road Run Chairman Jon Neuman, Director Greg McFarland, and Traveling Chapter Liason Stanley Miller and others all took turns working the booth and handing out

Road Run Fliers and Registration Forms. Time will tell as to how many additional riders we get next spring.... But we all have to applaud these members for their unselfish efforts to enhance an already successful event by traveling so far, renting booth space and spending so much personal time with the effort.

Texas National Road Run Chairman, Jon Neuman is traveling to The Barber

Vintage Meet in Birmingham Alabama in October and will make sure that hundreds of fliers and registration forms are available to be handed out there.

OMG... Cherokee People Are Just Everywhere!

We need our members input ...

The **Reach-Out Program** has proven quite successful in 2013 for our Chapter. So far we have attended three shows in 2013, two in North Texas and one in Oklahoma City. All three of these shows resulted in quite a significant number of new members being recruited for our club and the AMCA.

We certainly need to attend similar shows in more regions of Texas however in 2013 / 2014. We ask that our members in the regions of Houston, Austin, San Antonio, The Valley, The Panhandle and West Texas to get more exposure and good members from those regions. Please let us know if

we can plan to come to a well-attended show near you to set up our Chapter Display of vintage machines, motorcycle memorabilia, membership recruitment supplies.

Bonneville Salt Flats*

Bob Lewis from Victoria Texas is a focused determined individual. He does not have large corporate sponsors, a fancy race rig, a modern shop full of the latest dyno and diagnostic equipment and the latest prototype race parts. He also does not have a fully trained race team to support his efforts. Much like Burt Munro, Bob has his own ideas, a box full of mismatched tools and one very good buddy called Clyde Douglas who helps him stay awake late nights in his garage at home, takes turn driving the long miles to Utah and also acts as his race crew. That's it.....**“Two Guys With a Tool Box”** just set a Bonneville Salt Flats Record on a 1945 HD Knucklehead. **Now That is just Very High Cool!**

The Indian Motorcycle Company built this **“Spirit of Munro Tribute Streamliner** with the new 111 ci. Indian Motor. It is shown all over America and has been tested on a West Coast Dry Lake Bed. Google this soon and take a closer look at a beautifully designed, engineered and modern version of “The World's Fastest Indian.” A True Tribute to Indian History! Denton TX Event Announcement. . .

Hot off the presses.... Cherokee Director of Membership and Events Shelby Withrow has announced today that he has secured space for another **Reach Out Event** on **November 9, 2013**. This event is similar to The Lone Star Roundup our Chapter participated in Austin TX. a couple years back. Over 500 cars and hot rods are the main attraction and the event promoters contacted our Chapter and invited us to display similar period vintage motorcycles (circa teens through late 50's.) The car show promoters have already agreed to donate our own asphalt display area, has waived all entry fees and Shelby is working with them to make a donation to our club to help offset the effort our Chapter must make to bring a Chapter Display Trailer and all our booth set up materials! This is another great opportunity to get our new Members in the northern part of our territory activated and also a proven way to attract, find and sign up more new members as we know. We invite all **New Cherokee Members in North Texas, Oklahoma and Arkansas** to have "first dibs" on displaying your personal vintage machines. Any holes in the lineup can be filled by our other Chapter Members. These hot rod shows attract a high number of younger 30's something aged enthusiasts and this is exactly whom we are targeting for our membership growth. The younger generation that has interest in the 30's bobbed and chopped VL's and also building older 50's / 60's Iron Head Sportsters, and twin Triumph's and Norton's. www.pistonsandpaint.com for more info. Shelby and I will send out another communication closer to the event and it will also be posted soon on our chapter website at www.CherokeeAMCA.org

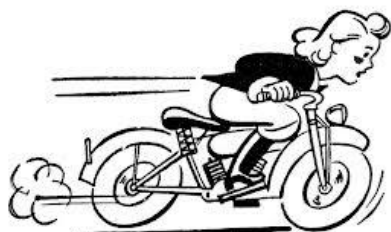

Just For Fun . .

Blast From The Past ...

This month two of our long term and still very active AMCA and Cherokee Chapter Members sent me photos of **"Where it all started for them."** If other members have photos of their **"first set of wheels"**.... Please mail or email them to me to share with our readers. My contact info is on the last page of each newsletter. It is always interesting to see what started individual members with their passion for two wheeled machines.

Member Dick Upton's, first set of wheels! Dick is now 83 years young!
He certainly has the "Proud Biker Attitude Pose down at age 3"

Elton Morris and his first 90cc ride.
Looking Good!

Last Issue's *Blast From The Past* was Stanley Miller from Dallas Texas. Taken a few years back I am somewhat sure!

Each newsletter I will try to feature a photo, advertisement, or other similar piece to share with our members. If you have something that you feel is appropriate to share, please email it to: Steve@SteveKlein.com and I will file it for future use!

Who We Are . . .

The Cherokee Chapter of The Antique Motorcycle Club of America was formed for the purpose of enjoying old motorcycles. We accomplish this through local member organized events in and around Texas, Oklahoma and Arkansas. Our members own, study, preserve, restore

or just appreciate vintage motorcycles that are at least 35 years or older. Often our members also study and collect all forms of vintage motorcycle art, literature, clothing and memorabilia related to these vintage machines. If you have an old bike or just have an interest

in learning more about these magnificent machines and the wonderful history of our great sport, please visit our website and also contact us about membership, road runs, bike shows and other club activities.

We Welcome You!
