Get To Know Lizzy

Little Lizzy is a precocious youngster growing up in the heart of Brooklyn, New York. She loves her family, friends and having fun. There's just one thing Lizzy doesn't like to read.

Little Lizzy Learns to Read is the first book in the Little Lizzy Series. It is based on actual events in the author's life.

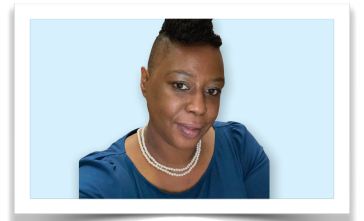

How will Lizzy overcome this obstacle? Will she ever learn to read or will she have to repeat the first grade.

“Meet The Author”

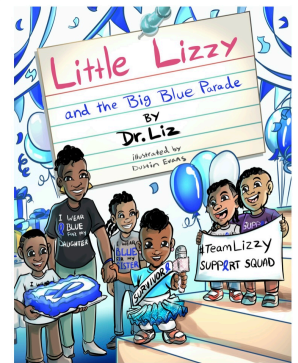

Dr. Lisette Caesar is a retired NYC educator with over 27 years of experience. She has worked as an elementary teacher, literacy staff developer and now is the Founding Principal of Mosaic Preparatory Academy, a small elementary school in East Harlem, New York.

Dr. Caesar uses the pen name, Dr. Liz and has authored three books to date. All the books are based on real life events.

Dr. Liz began writing in 2019 as a way to journal during her battle with colon cancer. The journal transitioned to two books. The first book, *Little Lizzy Learns to read* chronicles the author's life as a struggling reader at the age of six years old. This book inspires students to set a goal, create a plan and to work hard to reach the finish line.

In 2021, the author learned cancer had returned. Dr. Liz began to write about her cancer journey in the soon to be published book, *Little Lizzy and the Big Blue Parade*. This book shows what love and strength can do in challenging times. Dr. Liz plans to donate a copy of this book to one children's hospital in all 50 states to uplift children impacted by cancer.

With the beginning of the 2022 school year, Dr. Liz has come out with a great book to launch a school's Bucket Filling Program. *Little Lizzy, Her Cousin Lori, and the Not-So-Bucket-Filling Friends* is based on real life events. Like so many, Dr. Liz was bullied in school for being overweight. Being the principal of the very first bucket filling public school in NY, she uses the bucket filling philosophy to teach children how to combat bullying.

All books are available for order on the Little Lizzy website for \$12.99 each. www.littlelizzy.org as well as on Amazon.
