/R/ SOUND PRODUCTION

## **Riffic Sounds Articulation Adventure!**

### **Description**

Welcome to the Riffic Sounds Articulation Adventure! This book is full of fun activities designed to help children practice their speech sounds, especially the /r/ sound. From coloring pages to tongue twisters, every page is crafted to make learning both effective and entertaining.

### **Instructions**

Welcome, young explorer! Today, we're going on an adventure with sounds. Let's practice saying some words and make sure our sounds are as clear as possible. Remember to take your time and have fun!

1. The /r/ Sound Practice- Say each word slowly three times:

- Red: (reh-d) — 'The red apple is juicy!'

**- Rabbit: (rah-bih-t) — 'The rabbit hops quickly.'**

# Rainbow: (rayn-bow) — 'I see a rainbow in the sky.'

## Draw It!

Draw a picture of something that starts with the /r/ sound. Can you draw a robot or rose?

## 2. Tongue Twister Fun!

- Repeat this silly sentence five times without laughing:

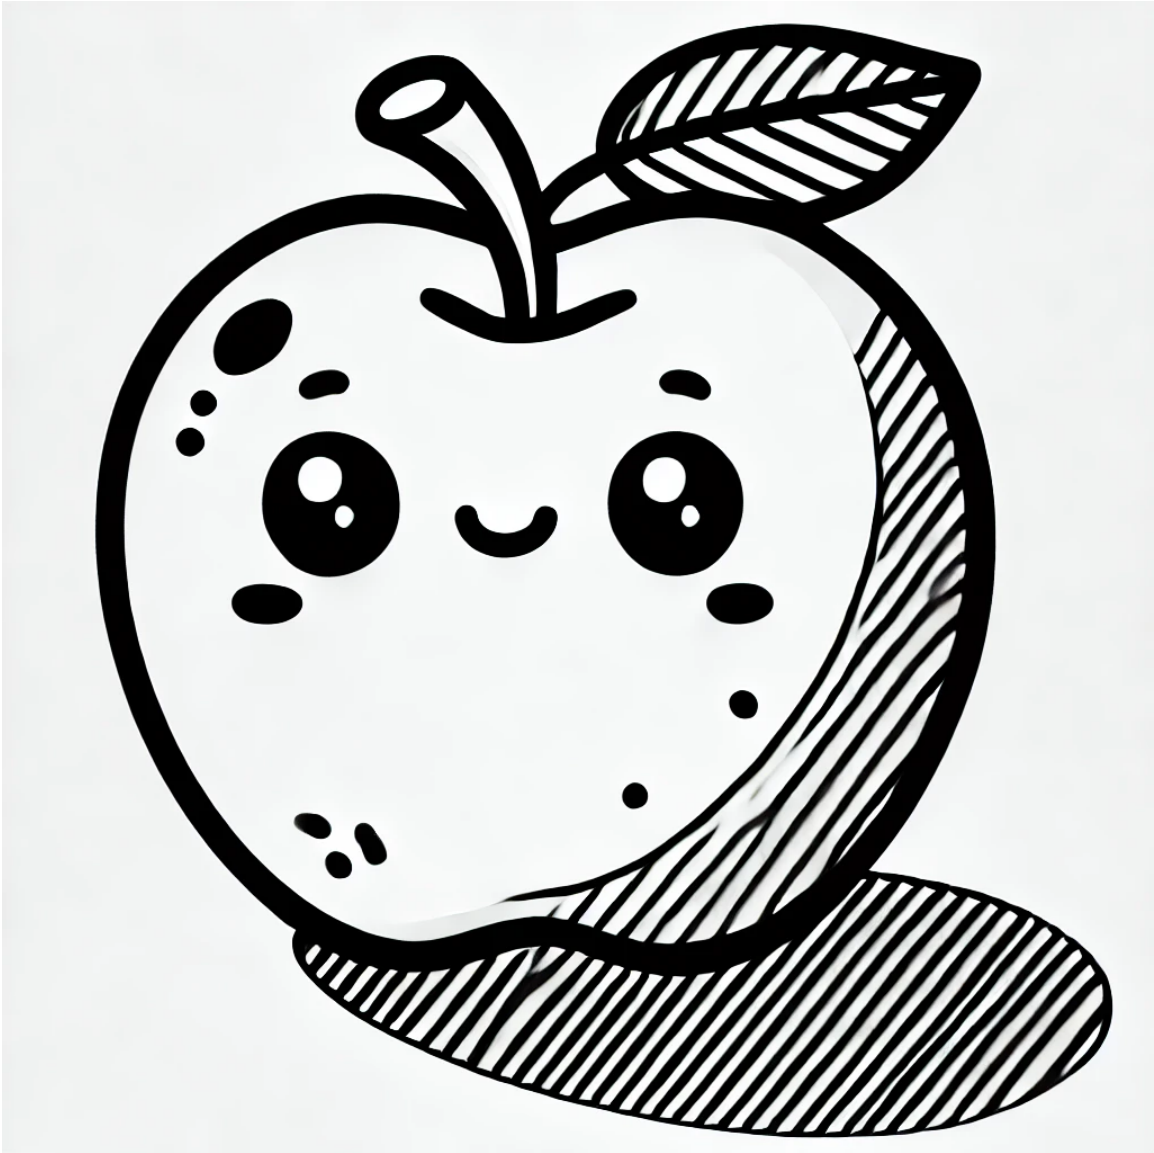

- 'Red rabbits run rapidly.'

Take your time and say it as clearly as possible!

### 3. Color and Say

- Below are some pictures of things with the /r/ sound. Color them and say each word three times:

**- Red**

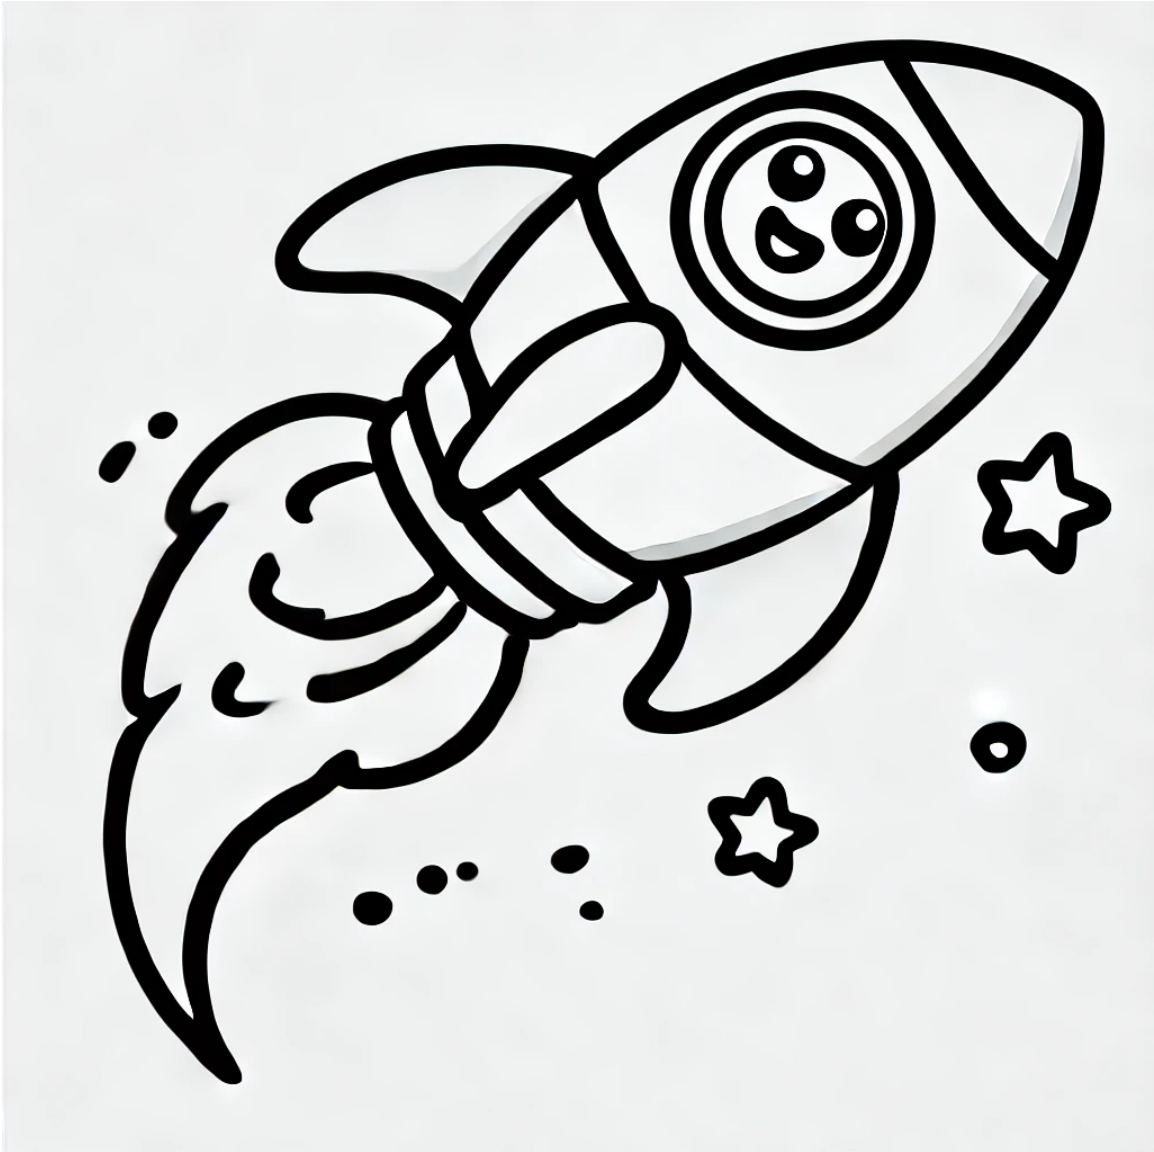

## - Rose

## - Rocket

### 4. Silly Sentence Creation

- Use the words below to make your own silly sentence. Remember to say your sentence slowly and clearly!

- Words: robot, rose, rabbit, rain

- Example: 'The robot gave a rose to the rabbit in the rain!'

### 5. Find the /r/ Sounds

- Look around the room. Can you find three things that have the /r/ sound? Write them down or draw them below!

### Bonus Challenge

- Try to teach a family member or friend how to say these words clearly. You're the teacher now!

### Parent Tips

Encourage your child to take their time with each word and praise their efforts. Making articulation practice fun and visual helps children stay engaged and learn faster.
