ENGAGING AND RELATABLE SPEAKER

Wendy is an engaging and relatable speaker! She presented to an audience of over 100 attendees at our annual seminar this year. She knocked it out of the park! She conveyed her message in a clear, concise and, often humorous manner. We were lucky to have her and look forward to inviting her again in the future. It's obvious what her passion is...she's truly the "HR Lady."

HR EXPERT WITH PASSION

Wendy helped redefine our interview/hiring process, employee review & evaluation process, organized benefit committees, corporate HR events, and was open and honest in all our discussions and interactions. Through our time together, we only had one major employee issue that I can recall. She handled the situation with extreme professionalism and ensured the company followed the correct procedures to manage the company's risk, while serving the employees' rights. Wendy brings a level of passion and professionalism that companies seek out and enjoy working with. She's top notch with her work ethic and was a pleasure to work with for many years.
