

Greetings and Blessings to All!

We are filled with joy and excitement as we remind you of the upcoming 2025 Southeastern Senior Minister/Elder Appreciation. In light of the rising economic challenges and the recent passing of the esteemed Founder Minister Donald F. Finney, we have chosen to collaborate with the Alabama State Lectureship for all future appreciations. Our criteria for honoring individuals remain unchanged: honorees must have an age plus years of faithful service that equals 100 years. These remarkable men of God truly deserve this recognition and so much more. With your support, we can continue to celebrate them in this meaningful way! Your presence, prayers, and financial contributions are immensely valued and appreciated!

The Southeastern Board of Directors kindly requests a monetary donation of **\*\*\$200.00\*\*** from each congregation, though any amount is welcome. The funds raised will go towards various needs, including monetary gifts for honorees, hotel accommodations, plaques, registration fees for the lectureship, and other related expenses. Please send all donations to:
