Eighth Annual Team Bernie McCreesh Golf Tournament

Team Bernie McCreesh's Mission

To bring awareness to and raise funds for organizations committed to diagnosing and treating patients with oral cancer, as well as researching future treatment options.

The UNC Adams School of Dentistry's mission is to educate and empower the next generation of leaders in oral health care through excellence in education, research, patient care, and service, demonstrating responsible stewardship of our profession. Members of the School's community serve the people of North Carolina and beyond and strive for global impact. The Bernie McCreesh Oral Cancer Support Fund was established at the UNC Adams School of Dentistry for funds raised in Bernie's memory to go to annually to support oral cancer screenings, research, and advocacy at the School.
