

FROM: Kevin Hemsley
TO: ERC Net Operators
SUBJECT: ATTENTION: Special Zoom Presentation will replace all ERC Radio Nets on February 26th!

**Special ERC
GMRS Presentation**

**Special Zoom presentation will replace all ERC radio nets
on Wednesday February 26th**

Date: Wednesday February 26th
Time: 7:00 – 9:00 PM
Who: All ERC operators,
preparedness specialists, and
anyone else with an interest in GMRS

*Dave Carleton, North America Northwest ERC
coordinator, will make a special presentation for the
wards and stakes of Eastern Idaho.*

Dave Carleton
Amateur: K7DSR
GMRS: WRCY281

A special
ERC GMRS
Zoom
presentation
will replace
all ERC
radio nets
on
Wednesday
February 26,
2025 from
7:00 - 9:00
PM.

A special guest speaker will join us from Spokane Washington to discuss GMRS and FRS radio services and why wards and stakes should consider using these radio services for emergency communications.

All ERC radio operators are encouraged to participate.

Join the Zoom call and learn:

- How a large implementation in Spokane Washington links wards, stakes, and missionaries.
- How stakes and wards can set up GMRS/FRS radio nets
- How to run GMRS radio nets.
- How to train new GMRS operators on how to participate in a GMRS radio net.
- Bring your questions and learn from years of experience.

Elder Dave Carlton will join us live from Spokane Washington to share his experience in making GMRS a strong part of Church Emergency Response Communications in the Spokane area. Elder Carlton is a dynamic speaker who is very knowledgeable of Church emergency communications and the use of GMRS/FRS radio services. He is the North America North West ERC Coordinator.

Invite ward and stake preparedness specialists, priesthood leaders and others who are interested in how GMRS can be utilized in ward and stake emergency communications.
