

New Mexico Special Supplement

ASSIGNMENT: Your group will teach your fellow classmates about a particular topic, and how it may (or may not) be useful to police management.

- Your group's presentation should last 10 minutes.
- Please use a Powerpoint type slide-deck presentation of 10-20 slides.
- You may use one video that is no longer than 4 minutes as part of the presentation.
- Every member of your group should participate and speak during their part of the presentation.
- Give examples of how the topic may relate to police work.
- Compare and contrast your topic to others presented by the instructor and the other classmate groups.
- Search Assist – Feel free to use: Google, Wikipedia, YouTube, .ppt, .pdf and any other search term or AI.
- Review web pages, .pdf documents, videos, and other available resources.
