NAICS CODES

- 541611 – Administrative Management and General Management Consulting Services
- 541613 – Marketing Consulting Services
- 541618 – Other Management Consulting Services
- 611430 – Professional and Management Development Training

CORE CAPABILITIES

- **Program & Project Management Excellence** – Ensuring project and program success through optimized delivery.
- **Process Innovation & Workflow Design** – Driving innovation and efficiency with streamlined processes and workflows.
- **Organizational Readiness & Enablement** – Strengthening organizational readiness to drive growth, innovation, and operational success.

KEY DIFFERENTIATORS

- **Government and Nonprofit Focus:** Specializing in federally funded and compliance-driven projects.
- **Integrated Expertise:** A seamless blend of capacity building, project management, and process innovation.
- **Proven Program Management Expertise:** Leading complex, multi-phase programs for measurable success.

PAST PERFORMANCES

► Government Agencies:

- **Experience:** Successfully managed multi-phase program implementations, ensuring compliance with federal requirements for reporting, funding utilization, and operational efficiency.

► Private Corporations:

- **Experience:** Led end-to-end software implementation projects, delivering seamless execution through Agile, Waterfall, and Hybrid methodologies to meet diverse project needs.

► Non-Profit Organizations:

- **Experience:** Delivered process innovation solutions to streamline administrative workflows in federally funded healthcare programs, while providing change management support and technical assistance to guide transformation initiatives and ensure successful adoption.
