"Making our community SMILE"

A NEW YEAR WITH WPDC

2022 is here and we are ready for it! The crew at WPDC has GROWN and we are happy to have more smiling faces on our team to help you with your dental needs. Our goal as a team this year is to provide top notch dental care to our patients new and old. Whether you have been part of the Windsor Preventive Dental Care family for one year or twenty you can expect to be treated as part of our FAMILY. Welcome 2022, we can't wait to see what you will bring us this year.
