OUR SERVICE

Last Minute Wedding Films are a collection of top videographers in the wedding industry, looking to fill gaps in their diaries last minute. We match a videographer with the availability to your date and location, which means we can offer high quality films at a discounted price.

One of our videographers will be with you on your day to capture all the key moments from preparations, right through ceremony and speeches until the evening celebrations.

This then is all packaged together in a beautifully edited cinematic film for you and your family to cherish forever.
