[Intro]

D E F#m E
D E F#m E

[Verse 1]

 D E F#m E
Tell me do you think it'd be all right, If I could just crash here tonight
 D E F#m E
You can see I'm in no shape for driving, And anyway I've got no place to go
 D E F#m E
And you know it might not be that bad, You were the best I'd ever had
 D E F#m E
If I hadn't blown the whole thing years ago, I might not be alone

[Chorus]

 A D A D
Tomorrow we can drive around this town, And let the cops chase us around
 F#m E D
The past is gone but something might be found, To take its place
 D E F#m E
Hey jealousy, Hey jealousy
 D E F#m E
Hey jealousy, Hey jealousy

[Verse 2]

 D E F#m E
And you can trust me not to think, And not to sleep around

D **E** **F#m** **E**
If you don't expect too much from me, You might not be let down
D **E** **F#m** **E**
Cause all I really want is to be with you, Feeling like I matter too
D **E** **F#m** **E**
If I hadn't blown the whole thing years ago, I might be here with you

[Chorus]

LYIN EYES

[Verse 1]

G **G7** **C**
City girls just seem to find out early,
Am **D**
how to open doors with just a smile.
G **G7** **C**
A rich old man and she won't have to worry,
Am **C** **G**
she'll dress up all in lace and go in style.

[Verse 2]

G **G7** **C**
Late at night a big old house gets lonely,
Am **D**
I guess every form of refuge has its price.
G **G7** **C**
And it breaks her heart to think her love is only
Am **C** **G**
Given to a man with hands as cold as ice.

[Verse 3]

G **G7** **C**
So she tells him she must go out for the evening
Am **D**
To comfort an old friend who's feeling down.
G **G7** **C**
But he knows where she's goin' as she's leavin',
Am **C** **G**
She's headed for the cheatin' side of town.

[Chorus]

G C G
You can't hi-ide your lyin' eyes,
Em Bm Am
and your smi-ile is a thin dis-guise.
D G G7 C A
I thought by no-ow you'd real-i-ize,
Am D G
there ain't no way to hide your lying eyes.

[Verse 4]

G **G7** **C**
On the other side of town a boy is waiting
Am **D**
with fiery eyes and dreams no-one could steal
G **G7** **C**
She drives on through the night antici-pating
Am **C** **G**
Cos he makes her feel the way she used to feel

[Verse 5]

G **G7** **C**
She rushes to his arms they fall to-gether
Am **D**

She whispers that its only for a while
G G7 C
She swears that soon she'll be coming back for-ever
Am C G
She pulls away and leaves him with a smile

[Chorus]

You can't hi-ide your lyin' eyes,
G C G
and your smi-ile is a thin dis-guise.
Em Bm Am
I thought by no-ow you'd real-i-ize,
D G G7 C A
there ain't no way to hide your lying eyes.
Am D G

[Verse 6]

She gets up and pours herself a strong one
G G7 C
And stares out at the stars up in the sky.
Am D
A-nother night, it's gonna be a long one,
G G7 C
She draws a shade and hangs her head to cry.
Am C G

[Verse 7]

She wonders how it ever got this crazy
G G7 C
She thinks about a boy she knew in school
Am D
Did she get tired or did she just get lazy
G G7 C
She's so far gone, she feels just like a fool
Am C G

[Verse 8]

My, oh my, you sure know how to ar-range things,
G G7 C
You set it up so well, so carefu-lly.
Am D
Ain't it funny how your new life didn't change things,
G G7 C
You're still the same old girl you used to be.
Am C G

[Chorus]

You can't hi-ide your lyin' eyes,
G C G
and your smi-ile is a thin dis-guise.
Em Bm Am
I thought by no-ow you'd real-i-ize,
D G G7 C A
there ain't no way to hide your lying eyes.
Am D G
