[Verse 1]

Well, I'm shameless when it comes to loving you
I'll do anything you want me to, I'll do anything at all
And I'm standing, here for all the world to see
Oh, baby that's what's left of me, I don't have very far to fall

[B-Section]

You know now I'm not a man who's ever been
Insecure about the world I've been living in
I don't break easy and I have my pride
But if you need to be satisfied

[Verse 2]

I'm shameless, honey I don't have a prayer
Every time I see you standing there I go down upon my knees
And I'm changing, swore I'd never compromise
Aw, but you convinced me otherwise, I'll do anything you please

[B-Section]

You see in all my life I've never found
What I couldn't resist, what I couldn't turn down
I could walk away from anyone I ever knew
But I can't walk away from you

[Bridge]
