PRESIDENT'S MESSAGE

Happy September to our Hernando Beach Community and Association (HBPOA). Welcome Back and we hope everyone had a fun and safe summer! September is here, and we are starting back with our regular monthly membership meetings. The membership meeting for September is on Thursday, September 4th, Hernando Beach Yacht Club, social hour starts at 6:30 and the meeting starts at 7:00 Pm. Words of inspiration for September. "September is the bridge between summer's warmth and autumn's charm. Walk it with grace and purpose. Happy September". Author unknown. Since our Luau was such a great success, for October we are planning a special event with an October Fest theme. More to follow, but plan on dressing the October Fest part. Prizes will be awarded for most authentic dress, both to a male and female attendee.

Our Guest Speaker for September will be an Emergency Management Specialist who will address Hurricane Preparedness and Mitigation Techniques. Also, I received a call from one of our valued members recently concerning a correspondence they received from the Planning and Zoning Department concerning the "50 Percent" flood rule. For any concerns or questions please contact Ms Cassie Harmon, Flood Plains Manager, 352-540-5189. She is good people, but very busy these days. She will however return your phone call. In person appointments are also available in Brooksville at the Building Department.

Lots happening in Hernando County Government these days. As it relates to the debris and garbage located on the spoil islands adjacent to the Entrance Chanel, the County Waterways group in partnership with your HBPOA removed most, if not all the debris. They are also on a schedule to replace navigational markers that were destroyed during last years hurricanes. September is budget season with an effective date of October 1st. By the time you receive your Beachcomber, we all will have

received our "Trim Notice" which will present the alternatives for the 2026 property tax rates. The good news is that the Commissioners have agreed to adopt the "Roll Back" rate which is the lowest millage rate. Two parts to our tax notices. Ad Valorem and Non-Ad Valorem. Ad Valorem is based on our property assessed value, and is subject to the millage rates. Non-Ad Valorem are flat fees and assessments. Our Commissioners recently decided to institute a New flat \$15 fee, per trip, to the Convenience Centers. No effective date has been published, but I suspect it will be effective on October 1st, this year. Of note under our Non-Ad Valorem fees there is already a facility charge for the Landfill and both east and west convenience centers. The \$15 is a new fee or tax depending on how you look at it? As part of budget negotiations County Departments and Constitutional Officers such as our Sheriff are negotiating their 2026 budgets with our Commissioners. The Fire Service is looking at about a 6-7 percent increase. The Office of the Sheriff is asking for about a 10.3 percent increase on top of six years of successive, sizable annual budget increases. He does not own any facilities, so the expense is for labor, maintenance and operations. Our county budget is approaching about \$1 Billion, which does not include the Schools. Our total population is about 223,000(+). If granted the 10.3 percent increase, this would constitute about 1/10 of the total County budget. "FLOCK" tag reader cameras are a hot topic, county wide. They are innocuous looking solar powered cameras popping up just about everywhere on public roads and big box store locations. The cameras read license plates and the data goes back to a central national data center. Very little is known other than the cameras are made in China and Law Enforcement has access to the real time location data through out Hernando County. So in short, yes we are being tracked in our vehicles. How you feel about that is a personal opinion and the information is only being provided for situational awareness, Traffic enforcement is up in our Golf Cart Friendly community, in order to provide for life, health and safety. The traffic unit has a couple of unmarked vehicles, so please be aware and do the speed limit. In September there are two scheduled budget meetings, in the evenings in order for residents to provide their input for the 2026 budget. The Republic Waste Collection Contract is being replaced by a new company by the name of

Coastal. Details to follow. The Citizens DOGE community has been active for about 30(+) days now, reviewing county departmental budgets and I am sure at some point will provide their findings to our Commissioners. The Office of the Sheriff, Parks and Recreation, County Administration, Public Works and Clerk of Courts have been identified as areas of interest. Finally, two Candidates for County Commission District 2 and District 4 have filed their candidacy. Silvia Dukes and Marvin Baynham respectively. Incumbents are Brian Hawkins and Jerry Campbell. Primary elections are in August of 2026. School Board and Commission races for the most part are determined during the primary. A special election will be held in September for a vacated Senate seat for Hernando, Citrus and Pasco Counties. Be sure to be registered to vote either in person or by mail. Last year the turnout of all registered Hernando County voters was only 23 percent for the general election.

Hope to see all at our September membership meeting. "Scooby Snacks" as a welcome back will be served. Solicitations will be taken for up-

# COLDWELL BANKER

## WEAVER GROUP REALTY

### From the Office to New Horizons: Laura Ghent Retires

After over a decade of dedicated service, Laura Ghent is beginning a well-deserved new chapter in retirement. Family has always been at the heart of Laura's life, and retirement will allow her to enjoy even more special moments with her eight grandchildren and husband. Laura has been a true pillar of Coldwell Banker Weaver Group Realty, providing the heart and dedication that have shaped our success long before we became the new owners in November 2022. She dedicated over a decade to working alongside Margaret Weaver, watching Weaver Group Realty grow into the company it is today, and we were blessed that she chose to remain with us when we took over in 2022.

She has helped contribute in countless meaningful ways for our team! She has a deep appreciation for this community of Hernando Beach and has shared with us the beauty of it when we were still the new kids on the block. She has aided us when doing our transition of ownership and became our broker throughout our time being here.

We also wanted to add a special thank you to her husband, Russ, who was our go-to person for anything and everything! He was a true supporter of our team and was such a multi-skilled technician that was consistently dependable when called upon. We truly appreciate the commitment and care that he brought to the team.

While we will deeply miss her presence, the impact of her contributions and the legacy she leaves behind will continue to shape our organization for years to come. We are profoundly grateful for all she has given and wish Laura a retirement filled with joy, health, and new adventures!

## HOSPITALITY COMMITTEE

By: Judith Hughes

Hello Hernando Beach,

September, September, September...yes it is and our thoughts are beginning to stray toward Autumn. We are witnessing bronze, gold, and orange displays in our stores and thoughts of Halloween, cooler weather, and hot chocolate, are beginning to surface. HBPOA was on hiatus during July and August but the planning for months ahead continues. Save the date for Octoberfest at the Yacht Club at our October 2nd meeting. We hope you will plan to attend and reconnect with your neighbors..

Many Hernando Beach residents take the summer months to escape the heatwave. They enjoy the opportunity to travel to cooler areas of the USA. Some return to their home state to visit friends and family. So, July and August, have been a little quieter around The Beach. Our loyal restaurant patrons are the exception. Each weekend they flock to The Beach to escape their daily

routine for a few hours of great food, entertainment, and social time with friends.

We are part of the Adventure Coast. Recreation opportunities abound. Not only do we have fishing, kayaking, and boating in the Gulf, but our Weeki Wachee Preserve offers trails for walking and bicycling. Did you know that you may spot a bear or deer at The Preserve? Sandhill cranes, one of the oldest bird species, visit our area often. You may see them lurking along Shoal Line Boulevard. Please be mindful of their presence. Of course, Weeki Wachee is known as the City of Mermaids and is the oldest roadside attraction. It has been here since 1947... Did you know celebrities such as Elvis, Don Knotts, Esther Williams and Larry the Cable Guy have visited Weeki Wachee? Buccaneer Bay is a great escape from the summer heat. The water in the river is a steady 74 degrees all year. As we go about our daily lives we don't always think about the natural spaces that surround us. Take a moment to explore nature. Your mind and body will thank you.

And, our thoughts continue to encourage patience as some of our residents continue to reconstruct after Helene and Milton. It is a long process. Some are embarking on the process of raising their homes and some are still waiting for the availability of contractors. Patience!
