## PRESIDENT'S MESSAGE

Our next meeting  
will be held  
**Thursday,**  
**February 6, 2025**  
**at 7:00pm**

**Hernando Beach  
Yacht Club**  
**4163 Shoal Line Blvd.**  
Doors open at 6:30pm  
to socialize.

**The purpose of  
this organization is  
to unite the  
property owners of  
Hernando Beach.**

Happy February to our Hernando Beach Community and Association. A word of inspiration and optimism by the Dalai Lama ...Optimism doesn't mean that you are blind to the reality of the situation. It means that you remain motivated to seek a solution to whatever problems arise". Words to consider, as we move ahead in 2025.

February is the month when we celebrate Valentines Day with that special person in our daily lives. Your Association has planned accordingly. You are cordially invited to a special time during our February Membership Meeting on February 6, 2025. Social hour starts at 6:30 Pm and the membership meeting begins at 7:00 Pm.

Want something for free? Well come on out! During our February meeting, we will be giving away door prizes at no charge to those in attendance. Can you say restaurant gift card? Thank you to one of our many business sponsors for your generosity. The sponsor will be announced at our membership meeting. In addition, our business spotlight will be the Owners of the Marina Rose. They will share details about their reservation system and coastal dinner cruises.

Lots happening in Hernando County Government these days. The word for the coastal community is now "Resilience". More details to follow in the months ahead, but as I tell my partner in life, "...It's not if it happens, but when it happens". Unfortunately we all witnessed that in 2024. Much will be driven by the Federal Emergency Management Agency and directed by our Board of County Commissioners in the next year ahead. Also the word for 2025 is "Strategic Plan". Approximately 90 residents from across Hernando County participated in a public sensing session in December 2024. The unanimous message communicated to those county leaders in attendance was"...No New Taxes and Control

Growth..”. More to follow on that as future sessions will be announced in the months ahead. Good news is Hernando Beach was represented by at least two of our neighbors. Tax increases are also on the horizon as our Commissioner debate a new Municipal Service Benefit Unit, and garbage collection contracts.

The mission of the HBPOA is to improve the quality of life in our community and to inform our membership of the in’s and out’s of what is happening in our greater Hernando County community. We are a “do for good” and not a political association. We only represent the interests of our membership. We need your financial support, and if you have not paid your annual dues please do so soonest. All proceeds go back to doing good in our community. Join us on February 6, 2025, socialize with your neighbors, find out what is going on. Let’s all collectively make a difference in our Hernando Beach community.

BRRRR - WHO OPENED THE REFRIGERATOR DOOR? And, it feels like we have taken up residence in the ice box lately with near freezing temperatures that greeted us many mornings in January.. We know this is temporary but Florida folks struggle with temperatures below 70 degrees. Ice Box, isn't that what our ancestors

called the piece of kitchen equipment that kept their garden perishables cold? I remember when the freezer in that ice box was a small square of metal located in the upper portion of the equipment. It had tubes running around the exterior and no auxiliary door. The box was about one foot square. Here is a little trivia. It wasn't until the 1930's when the Ice Box became known as the Refrigerator. Oh my, how far technology has brought us. Many of us have lost our refrigerators as well as other appliances due to the flooding of Helene. I have begun to shop for replacements and the appliance options are endless. It makes me dizzy.....Welcome to 2025.

It was wonderful to see so many Hernando Beach residents attend January's Hernando Beach Property Owners meeting. We greeted a number of new residents and guests. County commissioner Ryan Amsler was our guest speaker. Please try to attend, meet your neighbors, enjoy some social time, and gain valuable information about the community in which you live. When you join, you will also receive The

Beachcomber each month.

In Hernando Beach, we offer a monthly ladies breakfast. It usually takes place the third Wednesday at Silver Dolphin. If you would like to get on the breakfast list, contact any number in the Beachcomber for information. We send out a monthly Evite to those on the list.

Hernando Beach Front Porch Art Walk, have you heard of it? This is a great place to volunteer your time, meet the artists and folks who come out to enjoy a lovely day on the first Saturday of each month..

Our Yacht Club and Hernando Beach Club also offer social opportunities for our residents and beyond. Becoming involved, even if just a little, cements our place in our community and helps us call Hernando Beach "Home". And, by the way, our restaurants offer a plethora of dining options.

Our Neighbors might still need a little assistance since the storms. If you see that they are strug-

## **COLDWELL BANKER**

### **WEAVER GROUP REALTY**

Coldwell Banker Weaver Group Realty loves being part of the Hernando Beach Community. Its members, many of which have been customers over the years, are dear to our hearts. We care about rebuilding Hernando Beach and uplifting our neighbors after the devastation of the recent storms.

This ensuing story illustrates our mission to support the community and its residents.

#### **THE STORY**

Before Hurricane Helene hit the Gulf Coast of Florida, a wonderful couple planned to sell their home in Hernando Beach so they could return to Pennsylvania where they were needed by family members. But just like many others, this couple was affected by Hurricane Helene's devastation. They didn't know what to do and didn't think they would be able to return to Pennsylvania to help their family within their desired timeline.

They received an unsolicited offer from an investment group who offered to buy their flooded home at a very low price. Because of their desire to be near family, they considered accepting the offer. This couple saw our sign "We Buy Houses" and stopped at our office to see if Coldwell Banker Weaver Group Realty could offer a more desirable alternative. Our team went to work by completing an evaluation of the home and the current market conditions. We then made an offer to purchase their flooded home in its as in condition that was substantially higher than the first offer.

Knowing the importance of maintaining the integrity and culture our community, we knew it was important to prevent these outside investment groups from buying up homes when they have no vested interest in the community or its members.

We also offered this couple the option of listing their home for sale with the intention of accomplishing three goals. The first goal was to Sell their home quickly so they could return to Pennsylvania. The second goal was to allow enough time for the insurance claim to be processed. The third and final goal was to maximize the sale price they received for the home.

#### **THE RESULTS**

##### **· GOAL #1-SOLD IN A TIMELY FASHION**

o Under contract on day 32 and Closed on day 47 with a Cash Buyer

##### **· GOAL #2-COMPLETED INSURANCE PROCESS**

o Insurance claim was settled and paid on day 36

##### **· GOAL #3-INCREASED SALE PRICE**

o Sellers received \$70,000 MORE than the original investment offer and were elated to have met their goals with our guidance and assistance.

We would be happy to discuss your options. We care about you and are here to help!! Please contact us if you are interested in Buying or Selling or are in need of professional Property Management Services.

## HERNANDO COUNTY SHERIFF'S OFFICE CITIZEN VOLUNTEER CORPS

What is the Citizen Volunteer Corps?

The Citizen Volunteer Corps was created on March 1, 2011 in order to reorganize and expand the current pool of volunteers within the Hernando County Sheriff's Office. In an effort to better serve the community and provide much needed resources to the Sheriff's workforce, the Citizen Volunteer Corps began as a supplemental force to the existing services of the agency. With the creation of this program, the Sheriff's Office is better able to make use of the volunteer services that have defined our agency through many different functions.

INTERNET SALES SAFE ZONE**

In an effort to make online transactions safer for both buyers and sellers, the Hernando County Sheriff Office is now allowing citizens to use its lobbies and parking lot to complete sales setup through online sites such as eBay and Craigslist.

The goal of creating these "Safe Zones" is to deter crimes from occurring during such transactions.

Law enforcement agencies in Florida as well as other states have set up similar "Safe Zones" in

## MOTION TO EXPAND THE CURRENT BOUNDARIES OF THE HBPOA

I move that the current boundaries of the HBPOA be expanded to include everything designated as Hernando Beach on the 2020 Federal Census report (new boundaries shown on attachment).

The motion was seconded and discussion followed. After discussion was finished the members, by more than two thirds of the members present and voting, approved the motion (only two members voted in opposition). The new boundaries will immediately replace the current boundaries shown as ATTACHMENT A to the HBPOA Bylaws.

an effort to make in-person transactions more secure.

"Today's technology makes it more convenient than ever for sellers and buyers of personal items to find each other," said Sheriff Al Nienhuis. "Unfortunately, it also has created an opportunity for thugs to take advantage of unsuspecting citizens. We cannot do much about the international scams, but we can provide a safe haven for those wishing to complete these transactions here in Hernando County."

"If even one honest citizen is spared the trauma of being a victim, the program will be worthwhile," the Sheriff said. "Citizens should know that if the other party refuses to meet at the Hernando County Sheriff's Office, they are up to no good."

Citizens are encouraged to utilize the Sheriff's Office lobby in Brooksville, 18900 Cortez Blvd. between 8 a.m. and 5 p.m., Monday through Friday.
