

Wendy Brook Bursaries

Deadline for application: April 15

The committee will accept applications for partial reimbursement of fees for special events such as workshops, clinics, camps, master classes that take place throughout the year. The events should be educational programs in the fields of music or speech arts. Bursaries are not given for regular music lessons. The amount of the bursary will be influenced in part by the number of applications received. Presently the maximum amount per grant is \$300.

These bursaries will be available to all present participants in the Wendy Brook Music Festival. Bursaries will be awarded at the discretion of the Board of Directors. The decision of the Board is final.

THOSE WHO RECEIVE BURSARIES WILL BE REQUIRED TO PERFORM THEIR FESTIVAL PIECE AT A SHORT EARLY EVENING CONCERT TO BE HELD AT A LOCAL RETIREMENT HOME IN LATE APRIL OR MAY. Bursaries will be presented at that concert.

For reimbursement of sessions that have already taken place since the beginning of the present school year to date - please submit applications with receipts. Reimbursement will be made to the person named on the receipt.

For bursaries designated for a session which you intend to attend before the beginning of the next school year please include the name and address of the organization or individual providing the workshop, etc. A cheque will be issued to that name and given to the participant for partial payment of fees.

In the event that you are unable to attend the camp or workshop the bursary must be returned to the Wendy Brook Board. The Board will consider designating the bursary for another purpose should the participant request it. Please notify the committee before July 31, if you will not be able to use your bursary.

Deadline for applications April 15.
