

CFC DISCOUNT BOOKS

Quayside Publishing Group offers a 50% discount to all CFC club members on all their books, including the recently released "CORVETTE STINGRAY – The Mid-engine Revolution" about the new C8. The discount applies to all automotive and motorsports books, as well as other books on aviation, history, sports, music, etc. The books can be found on the Quayside websites: <http://motorbooks.com> and <http://www.qbookshop.com/>. You can view the websites to find any books that interest you. They also make great gifts.

The 50% discount applies to ALL BOOKS on BOTH websites. The 50% discount is off the RETAIL LIST price, not any marked down price. NC sales tax is extra. Free shipping is available on orders of \$75 or more. The only restrictions are that orders must be placed and paid for by one person and shipped to one address.

Tony Caracciolo has volunteered to handle orders for our club members and will group orders to qualify for free shipping.
