Sustainable Innovation

# An Alternative to Chemistry

## Eco-cleaning, what is it?

Eco-cleaning is an alternative solution to traditional chemistry by optimising methods/products/procedures in order to:

- To improve the indoor air quality of facilities
- Reduce risks to users
- Reduce toxic emissions into the environment
- Ensuring the sustainability of facilities
- Surpassing the performance of the chemical industry

No CMR  
Substances

Easily  
Biodegradable

Ultraconcentrated

Ingredients of 100%  
vegetable and  
mineral origin.

Odour  
Control

VOC Free

## InnuScience™ Industrial: benefits for employees

An integrated approach to industrial eco-cleaning is:

- A healthy work environment
- Simple procedures
- Reduced risk of accidents
- **Uncomplicated performance**

# An Alternative to Chemistry - Case Study

One of our global clients; (A municipal public transport agency) has adopted the **InnuScience™** Industrial Eco-Cleaning programme within its organisation.

In summary :

**14 t.**

Tonnes of volatile organic compounds (VOCs) reduced in the environment

Reduction of

**60%**

in plastic waste

A Saving of

**33%**

on the product purchase budget

# The Product Range

## Industrial

### Nu-Life™

Heavy-duty  
eco -  
degreaser

### Nu-Pro Kleen™

Industrial cleaner -  
High performance

### Nu-Kleen Parts™

Degreaser for  
brakes, parts and  
parts washer

### Nu-Attraktion™

Cleaner -  
Vehicle exteriors

### Nu-Tag™

Graffiti remover for  
hard and smooth  
surfaces

### Nu-Fuzion™

Specialised all-purpose  
cleaner and degreaser

## Odour Eliminators

### Nu-Compact Kleen™

Odour eliminator  
with cleaning action

### Nu-Odor™

Odour destroyer -  
Garbage

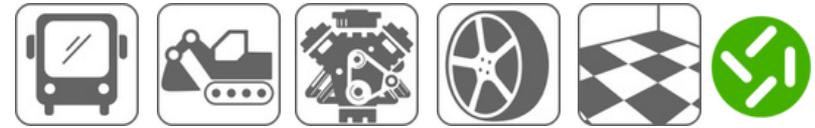

### Nu-Smell Plus™

Odour destroyer -  
Urine

### Nu-Multi Odor™

Multi-purpose  
odour destroyer

## Nu-Life™

### Heavy Duty Foaming Degreaser

#### Description

**Nu-Life™** is a heavy duty foaming degreaser. Concentrated foaming degreaser that dissolves mineral oils and greases and removes industrial soil accumulations. Neutralises the strong stench from pits, drains and pipes. Replaces the use of organic solvents. **FOR PROFESSIONAL USE ONLY.**

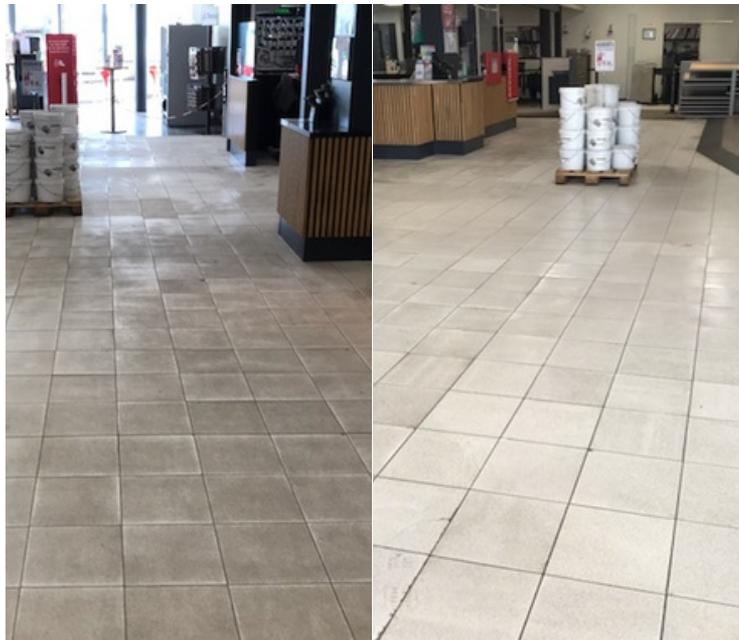

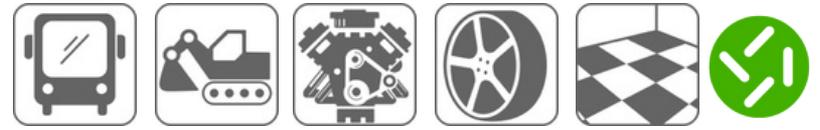

#### Benefits

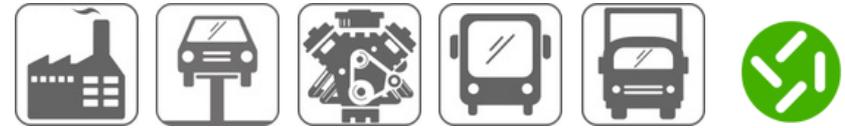

- Continuous action: biological degreasing.
- Neutralises odours from wash water recovery sumps and gutters.
- An effective alternative to solvents that are hazardous to your staff's health.

pH 7

# Nu-Pro Kleen™

Symbio

Industrial Cleaners and Degreasers

Full of life!

## Nu-Pro Kleen™

HP (High Performance) Industrial Cleaner

### Description

**Nu-Pro Kleen™** is a HP (High Performance) industrial cleaner. Concentrated high performance industrial cleaner for heavy duty work. Easily sticks to vertical surfaces and inaccessible places. Replaces favorably solvents and chemical components harmful to the environment and workers' health. **FOR PROFESSIONAL USE ONLY.**

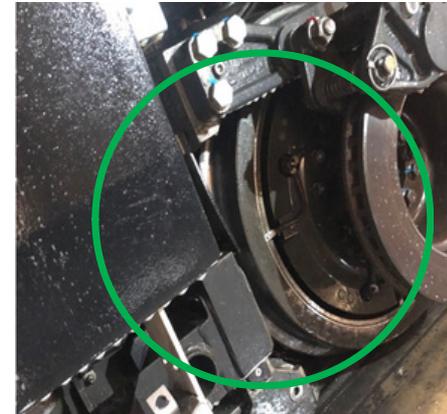

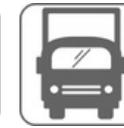

### Benefits

- Very effective on mineral oils, heavy greases and stubborn stains.
- Very low odour and low VOC content.
- Useful in cutting through hydraulic oil and carbon dust.
- Versatile product that is non-corrosive to cover all needs.

pH 11,5

# Nu-Pro Kleen™

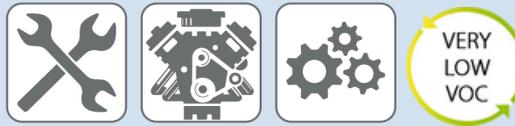

## Nu-Kleen Parts™

High Performance degreaser for mechanical parts

### Description

**Nu-Kleen Parts™** is an aqueous industrial ecological degreaser with corrosion inhibitors. Designed to clean brakes and mechanical parts, it can also be used in cleaning fountains. **Nu-Kleen Parts™** is safe and helps to dislodge strong accumulations of oils, grease, carbon dust and deposits, light graffiti and many other types of soiling. **FOR PROFESSIONAL USE ONLY.**

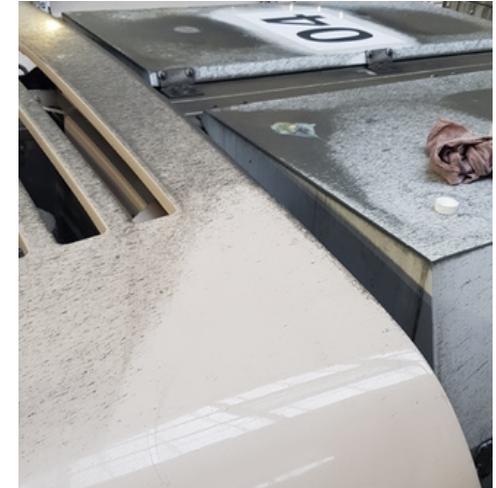

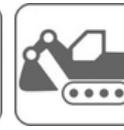

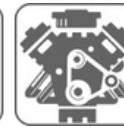

### Benefits

- Highly performant - Our strongest formulation.
- Efficiently replaces solvent-based degreasers.
- Does not damage plastic and rubber.

pH 11,5

# Nu-Kleen Parts™

## Nu-Tag™

### Graffiti Remover for Hard and Smooth Surfaces

#### Description

**Nu-Tag™** is a graffiti remover for hard and smooth surfaces. Ready to use. Effectively removes most graffiti. Works especially well on hard and smooth surfaces rather than porous areas. Excels in transport settings. Odor-free and low in VOC. **FOR PROFESSIONAL USE ONLY.**

#### Benefits

- Low in VOCs.
- Will not leave graffiti "ghosts."
- Ideal for cleaning in enclosed spaces.

pH 7 - 8

# Nu-Tag™

## Nu-Attraktion™

Cleaner for Vehicle Exteriors

### Description

**Nu-Attraktion™** is a cleaner for vehicle exteriors. Concentrated cleaner for manual or automatic wash use for vehicle exteriors. Eliminates bad odours emanating from vehicle wash system and drains. The formulation is non-corrosive and fully biodegradable. Will not damage sensitive parts including plastic, seals, or lettering on vehicles. **FOR PROFESSIONAL USE ONLY.**

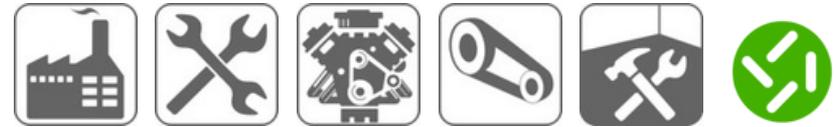

### Benefits

- Rinses off easily, leaving no residue.
- Neutralizes odours from wash water recovery basins.
- Can be used on all types of machinery:  
road vehicles, airplanes, trains, subway cars.

pH 7

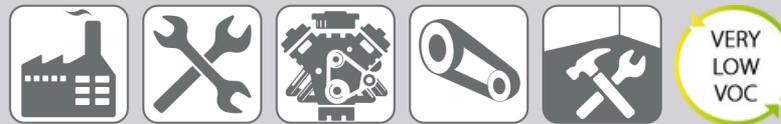

## Nu-Fuzion™

### Specialised Degreaser

#### Description

**Nu-Fuzion™** is a specialised degreaser. Ready to use or concentrated. Removes accumulations of oil and grease, light graffiti, traces of glue and many other types of stubborn stains. Can be used diluted in a scrubber dryer (moderate foaming). Adequately replaces solventborne spray. **FOR PROFESSIONAL USE ONLY.**

#### Benefits

- Very effective on mineral oils and stubborn stains.
- Low odour, low VOC content.
- An effective alternative to solvents that are hazardous to your staff's health.

pH 11,5

Suitable for ESDprotected work surfaces and floors according to IEC 6134051

# Odour Eliminators

## Nu-Compact Kleen™

Odour Neutraliser and Cleaner

### Description

**Nu-Compact Kleen™** is an odour neutraliser and cleaner degreaser. Concentrated all surface cleaner. Purifies ambient air and removes odours from drains and pipes. **FOR PROFESSIONAL USE ONLY.**

### Benefits

- Continuous action: biological elimination of grime and unpleasant odours.
- Easy to use.
- Safe for users, gentle on finished surfaces and the environment.

pH 7

## Nu-Smell Plus™

Odour Destroyer - Urine

### Description

**Nu-Smell Plus™** is an odour destroyer. Urine. Ready to use or highly concentrated bacterial formulation that eliminates at the source unpleasant odours of urine and feces, leaving a bacterial flora that continues to eliminate odours. Leaves a residual fragrance. **FOR PROFESSIONAL USE ONLY.**

### Benefits

- Continuous action: biological elimination of unpleasant odours.
- Effectively unpleasant odours at source.
- Eliminates musty smells that deteriorate indoor air quality.

pH 7

## Nu-Odor™

Odour Destroyer - Garbage

### Description

**Nu-Odor™** is an odour destroyer. Garbage. Ready to use high performance bacterial formulation that destroys odors from decaying organic matters. Masking and remanent fragrance. **FOR PROFESSIONAL USE ONLY.**

### Benefits

- Continuous action: biological elimination of unpleasant odours.
- Pleasant, long-lasting smell.
- Safe for users, finished surfaces and the environment.

pH 7

## Nu-Multi Odor™

Multipurpose Odour Destroyer

### Description

**Nu-Multi Odor™** is a multipurpose odour destroyer. Ready to use multi-purpose bacterial formulation that destroys odors. For use in toilets, trash compactors, grease traps, drains, pipes and septic tanks. **FOR PROFESSIONAL USE ONLY.**

### Benefits

- Continuous action: biological elimination of unpleasant odours.
- A single product for virtually all cleaning needs.
- Safe for users and the environment.

VERY LOW VOC
