

**ST. JAMES
FISHING CLUB**

August 4, 2021

Dutchman's Bait and Tackle

Attention: Angie Leach

Angie, spontaneity is a good thing! You have been such a great supporter of the St. James Fishing Club on so many occasions that the Club decided last night to show our appreciation with a "thank you" voucher.

Vouchers are nice but sometimes can be limiting or focused on one vendor or merchant So, we decided why not simply Cash!

Rumor has it you like a good steak dinner – so please use the enclosed money to treat yourself to a nice steak dinner!

Sincerely,

Craig Thompson – Club President
