Attention: Hank Pomeranz

Hank,

Please find enclosed a check in the amount of \$500.00 as a donation to MAD from the members of the St. James Fishing Club.

St. James as a community, and our Club specifically, has been a supporter of the various MAD events over the years. The fishing event we believe is core to our being as a club and it is a very worthy cause. Over the years, a number of our members boats have been entered into the MAD fishing event, and I know from personal experience that it is both fun and rewarding for all involved. Supporting our Troops and giving back is important to us.

Two of our members (Phil Moseley and Jerry Hrabica) serve as organizational members to the MAD event and we are proud to have them represent the St James Fishing Club.

Please accept our donation to help fund the event.

On behalf of all club members,

Craig Thompson

President
