Atten: Jenny Fuller,

On behalf of the St James Fishing Club (SJFC), we are pleased to make a donation in the amount of \$270.00 to the school's Natural Resource Program under Jenny Loughs' leadership.

Jenny presented the school's program at our Fishing Club meeting last night and subsequently donated her speaker's honorarium (\$50.00) back to the Natural Resource Program. In addition, the Club runs a 50/50 raffle during our meetings and the winner (Ted Stephens) graciously donated his winnings (\$220.00) to the school's program after hearing how wonderful the program is.

The St. James Fishing Club has been honored to be associated with this program for the past several years and we are pleased to be able to continue to provide support for the program and the children involved.

On behalf of the Club's 245+ members, and Board of Directors, please accept this donation to foster continued growth in Jenny's program.

Best regards,

Craig Thompson
President, SJFC
