To Who it May Concern,

On behalf of the St James Fishing Club (SJFC), we are pleased to be making a donation in the amount of \$250 in honor of Randy Lewis and The Back Porch Rockers.

Randy has in the past happily provided our club with a PA system to use at the annual Youth Fishing Derby and most recently donated a set that he wasn't using to our club for use at future outdoor events.

We asked Randy if we could make a donation on his behalf and without hesitation suggested Stepping Up for Arts. We hope you are able to use this donation for building awareness of the arts in our community.

Best regards,

Craig Thompson  
President, SJFC
