

GREENFIELD MUSIC FESTIVAL

Sponsorship Packages

The Greenfield Music Festivals Board of Directors is thrilled to host the 2nd annual Greenfield Music Festival, drawing community members and visitors alike together on June 7-9, 2024. Last year's family-oriented festival was a success attracting over 4,000+ attendees and over 20 volunteers. As such, we are truly motivated to deliver another outstanding event this year, with eyes high on growing attendance by at least 50%.

We have already received a significant amount of support even at such an early stage of planning for this year's festival. To date, the following activities are included in our planned festivities: Grand Parade; Car Show; Antique Tractor Show; Jeep Show; Craft Show; 5k Run; Live Entertainment to include our headlining act Jess Kellie Adams an emerging Nashville artist who was just signed by Country Music Television (CMT); A Charity Auction benefiting the Greenfield Rotary Club; A midway full of food, games, commercial and craft vendors; and things for kids of all ages.

Of course, we must remember that what sets the Greenfield Music Festival apart is that all of the proceeds go directly back into the community. By returning festival proceeds back into the community in the form of grants and other programs the Greenfield Music Festival Board of Directors is creating a strong, sustainable, and successful community - our community.

Being a part of this event is your opportunity to join us in supporting our community here in Greenfield, Ohio - please accept our invitation to review the attached sponsorship proposal. All sponsorships go towards benefiting our community by helping us to host a successful family oriented festival.

Do not hesitate to contact me to discuss the festival, benefits of your sponsorship, or to tailor a package that best suits you and your company.

Sincerely,

Andrew Surritt III
