EWING

SAFETY AND INDUSTRIAL, INC.

***In a fiercely competitive business, we set ourselves apart
in many ways...***

- Strong Leadership:** We were founded by Katie Ewing who sets forth a fair, safe, and productive work environment.
- Community:** We believe that giving back to our communities is of utmost importance, and we're committed to actively contributing and getting more involved to make a meaningful impact on our communities.
- Deliveries:** We offer pickup at our storefront or direct delivery to sites in localities to Morris, IL with the capability of dropshipping anywhere in the USA.
- Reliability:** We have extended hours for your convenience, pride ourselves on communication, and pay careful attention to detail and pricing. See our hours on the back of this linecard.
- Quality and Innovation:** We stay on top of all the trends in our market and source quality materials for your projects.
- Expertise and Experience:** We collaborate with a wide range of key suppliers, engage in joint training sessions, and proactively seek solutions to ensure your projects are completed on time and within budget.
- Relationships:** We embrace a family-like atmosphere, ensuring that the care and respect we extend to our employees naturally flows to our customers and vendors. This commitment fosters a collaborative environment where we work together to find effective solutions tailored to your needs.
