OVERVIEW

Welcome to the **9th Annual REITs and Real Estate Investment Summit Asia Pacific 2024™: “Profiting Through Sustainable Technology And Net Zero Imperatives”**. This year’s event is a premier gathering of industry leaders, innovators, and investors committed to revolutionizing the REITs and real estate sector through sustainable practices and advanced technologies. Attendees will explore how integrating net zero practices, smart building systems, and renewable energy can drive higher yields, reduce operational costs, and attract premium tenants, thereby transforming environmental commitments into financial gains.

Join us for an insightful exploration into the future of real estate investments in the Asia Pacific region. Our expert-led panels, innovative case studies, and interactive exhibits on the latest proptech and sustainable building technologies will equip you with actionable strategies to leverage government incentives, navigate regulatory landscapes, and adopt cutting-edge advancements. The event will conclude with the prestigious **Asia Pacific Best of The Breeds REITs & Real Estate Investment Awards™**, celebrating the top performers and innovators in the REITs and real estate sector, where sustainability and profitability go hand in hand.
