# Our Core Values

Our core values form the foundation of PT SHM Shipcare Indonesia, guiding our culture, decisions, and commitment to safety, excellence, and integrity across all operations.

## RESPONSIBLE

Confident and in control, we take responsibility for our actions.

## AMBITIOUS

Always looking for new opportunities, always trying to improve how we do things.

## DEEPLY HUMAN

Respecting life and people. Behaving in a friendly and approachable manner.

## EFFECTIVE

We get the job done quickly and easily for the client.

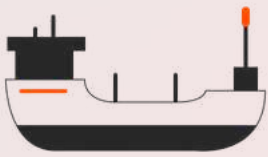

## SUSTAINABLE

We do our best to have a positive impact on the world around us.

It is “He” who gives life,  
We simply protect it.

# 100 Years

SHM is built on a 100-year family legacy in the maritime industry, combining generations of hands-on experience with modern, certified marine safety solutions. This heritage underpins our commitment to reliability, technical excellence, and long-term partnership.

## Our Mission

To become the leader in creating safe and secure working environments that enable businesses' freedom at sea and onshore

We will achieve this by partnering with our customers to increase their productivity, fuel their sustainable growth by providing the most reliable safety products and engineering solutions, and having a positive impact on the world around us and on people's lives.

# Charting Our Course: A Message from the Vice President SEA

At PT SHM Shipcare Indonesia our purpose is clear: to protect lives at sea through reliable solutions, skilled teams, and strong technical capabilities. As we continue to support the maritime and offshore sector across Malaysia, we remain committed to delivering services that uphold SOLAS, IMO, and Class standards.

The industry continues to evolve, and we see this as an opportunity to enhance our capabilities, embrace new technologies, and strengthen the expertise of our people. These pillars drive our commitment to ensuring every vessel and operation we support is safe, compliant, and ready for service.

**Thank you for your trust and continued support.**

Di PT SHM Shipcare Indonesia, tujuan kami jelas: melindungi kehidupan di laut melalui solusi yang andal, tim yang terampil, serta kemampuan teknis yang kuat. Seiring kami terus mendukung sektor maritim dan lepas pantai di seluruh Malaysia, kami tetap berkomitmen untuk memberikan layanan yang menjunjung tinggi standar SOLAS, IMO, dan Klasifikasi.

Industri ini terus berkembang, dan kami melihat hal tersebut sebagai peluang untuk meningkatkan kemampuan kami, mengadopsi teknologi baru, serta memperkuat keahlian tim kami. Pilar-pilar inilah yang mendorong komitmen kami untuk memastikan setiap kapal dan operasi yang kami dukung tetap aman, patuh terhadap regulasi, dan siap beroperasi.

**Terima kasih atas kepercayaan dan dukungan Anda yang berkelanjutan.**

**Avnish Sharma**  
Vice President SEA  
SHM Group

# LIFEBOATS & RESCUE BOATS

Engineered for Safety, Built for Survival

## Product Categories:

- Free-fall Lifeboats
- Totally Enclosed Lifeboats
- Partially Enclosed Lifeboats
- Davit Systems
- Release Gear Systems
- Rigid Rescue Boat
- Inflatable Rescue Boat
- Outboard engines & fittings

## Key Services:

- Annual & 5-yearly inspections
- Engine Service & Maintenance
- Refurbishments
- Installation & Commissioning of Lifeboat and Rescue Boat systems
- Load Testing
- Sea Trials
- Hydraulic Troubleshooting & Mechanical Repairs

# FIRE-FIGHTING APPLIANCES (FFA)

*Certified Solutions for Marine & Offshore Fire Safety*

## Product Categories:

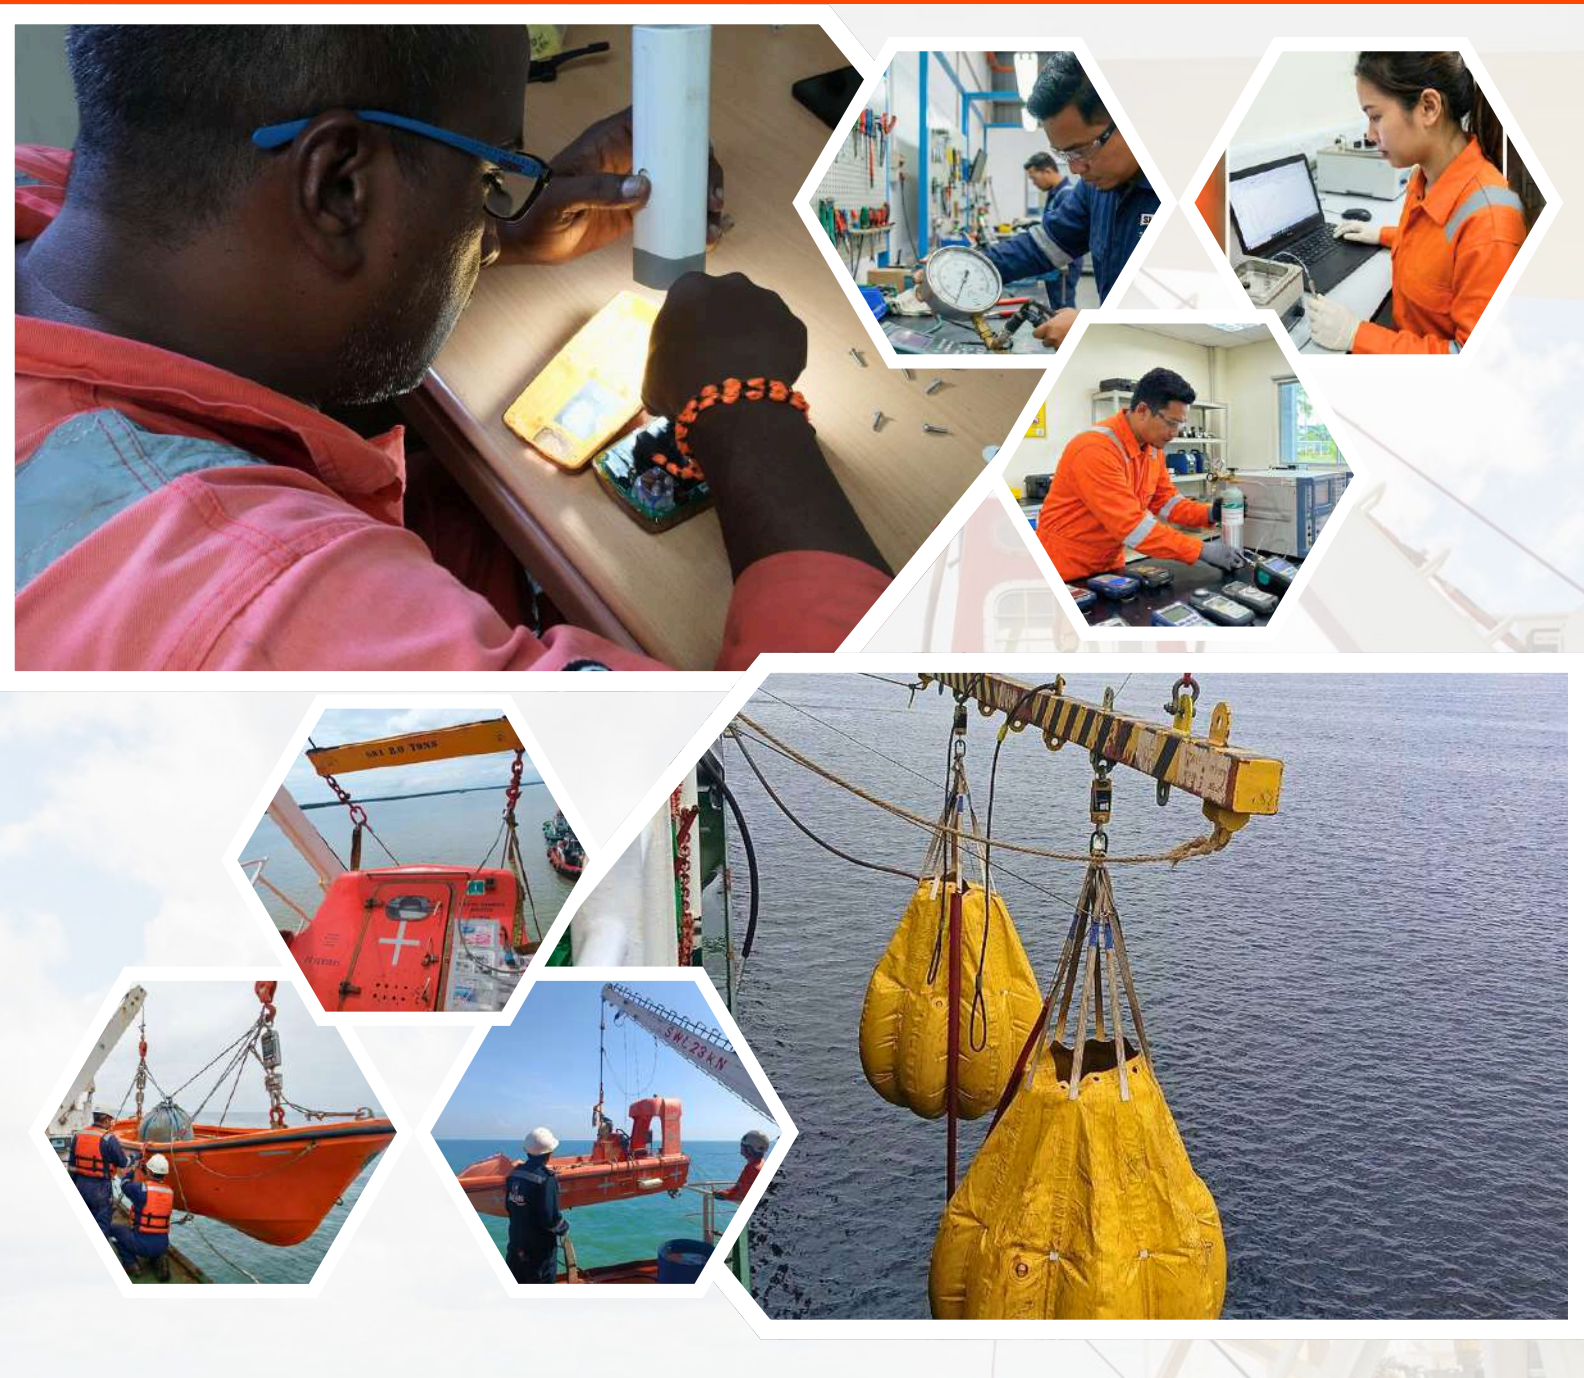

- Portable and Trolley type
- Fire Extinguishers of all types.
- Fixed CO<sub>2</sub> System
- FM200 & Clean Agent Systems
- Fire Detection & Alarm Panels
- Fireman Equipments
- Fire Hose, Nozzles & Hydrants
- EEBD (Emergency Escape Breathing Device)

## Key Services:

- Annual Servicing & Certification
- Refilling & Pressure Testing
- CO<sub>2</sub> Room Inspection & Weight Check
- FM200 System Integrity Testing
- Hydrostatic Testing of Cylinders
- Fire main pump Repair & Overhaul
- Engineering, Design and Commissioning for new builds.

# CALIBRATION & LOAD TESTING

*Precision Testing for Marine & Offshore Compliance*

## Instruments We Calibrate

- Pressure & Vacuum Gauges
- Temperature Sensors & Thermocouples
- Multimeters & Electrical Testers
- Gas Detectors & Analyzers
- Torque Wrenches
- Flow Meters
- Manometers

## Load Testing Services

- Lifeboat Load Test
- Release Hook Load Test
- Davit & Winch Load Test
- Crane & Lifting Appliance Load Test
- Load Cell & Dynamometer Testing
- Windlass and Mooring Equipment Load Test/ Brake Proof Test.
- Onboard & Workshop Testing Options

# LIFE-SAVING APPLIANCES (LSA)

*SOLAS-Compliant Equipment for Marine & Offshore Survival*

## Liferaft and Accessories

- SOLAS A & B pack Liferafts
- Throw-Overboard Liferafts
- Davit-Launched Liferafts
- Open Reversible Liferafts (ORL)
- Hydrostatic Release Units (HRU) and Cradles.

## Liferaft Services

- Periodic Inspections
- Inflation (GI), NAP, FS Testing
- HRU Installation & Replacement
- Emergency Pack replacement
- Leak & Pressure Testing
- Load Testing
- Re-certification (As per SOLAS/IMO)

## LSA Equipment Supply & Service

- Lifejackets (SOLAS, inflatable, foam)
- Lifebuoys & Marker Lights
- Immersion Suits & Thermal Protective Aids
- Survival Craft Accessories (paddles, flares, repair kits)
- Emergency Signalling Devices
- Any other life-saving appliance.

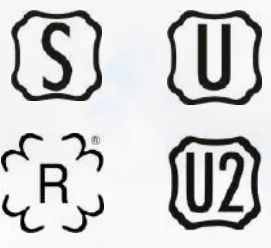

# HEAT EXCHANGERS

Maintenance, Repair & Performance Restoration

**ICV**  
برنامج المحتوى الوطني  
National Content Program

## Types of Heat Transfer units

- Plate Heat Exchangers
- Shell & Tube Heat Exchangers
- Charge Air Coolers
- Oil Coolers
- Condensers & Evaporators
- Fresh Water Generators

## Heat Exchanger Services

- Chemical & Mechanical Cleaning
- Re-Tubing & Tube Replacement
- Plate Restoration & Gasket Replacement
- Hydrostatic Pressure Testing
- Leak Detection & Repair
- Performance Testing & Flow Verification
- Removal, Overhaul & Installation Support

# WASTE WATER MANAGEMENT

*Marine Sewage & Drainage Treatment Solutions*

## System & Equipment

- Membrane / Biological Sewage Treatment Plants (STP / MBR)
- Oily-Water & Grease Separators (Galley drainage)
- Special polymer Sewage treatment plants for long life.
- Vacuum / Pressure Pipe Systems & Push-fit Drainage Pipes
- Holding & Sludge Tanks
- Piping, Valves & Control Systems for Sewage & Grey Water

## Services & Support

- System Installation & Commissioning
- Retrofit & Upgrade for Existing Vessels
- Membrane Servicing / Replacement / Overhaul
- System Cleaning, Sludge Handling & Disposal
- Drainage & Pipe System Maintenance
- Compliance Testing & Certification (IMO / MARPOL / Class)
- Onboard & Workshop Support

# FABRICATION & ENGINEERING SOLUTIONS

*Integrated fabrication, welding, and modular systems*

## **Modular Skid & Pressure Vessel**

- Modular process skids and packaged systems
- Pressure vessels, tanks, and storage units
- Structural frames and integrated piping
- Assembly, testing, and readiness for site installation

## **Welding & Fabrication Works**

- Carbon Steel, Stainless Steel, Duplex & Alloy Steels
- Qualified welding procedures and skilled welders
- Fabrication for piping, vessels, skids, and structures

## **Designed & fabricated in accordance with recognised standards, including:**

- ASME • API • AWS • DNV • ISO

# ENGINES – BUKH & AMAROQ

SOLAS-Approved Lifeboat Engines & NATO-Certified Diesel Outboards

powering **marine** safety

**BUKH V8**  
DIESEL PERFORMANCE

DV29

DV48

## BUKH Engine Families:

- R210 Series
- S270 Series
- V8 Series
- DV Series
- G7 Series
- H10 Series
- L13 Series

## AMAROQ Range Supported

- Diesel outboards (multiple horsepower configurations)
- NATO single-fuel compliant
- Ideal for rescue boats, patrol craft & tactical operations

**SHM Shipcare Malaysia** is the **authorised dealer, certified workshop**, and **genuine parts distributor** for all **BUKH** and **AMAROQ** engines, providing full solutions from supply and installation to servicing, overhaul, diagnostics, and testing in accordance with OEM and Class standards.

# APPROVALS & ACCREDITATIONS

Certified to Global Marine & Offshore Standards

## Member of Association:

# Enabling your freedom at sea

“Enabling freedom at sea” stands for SHM’s commitment of offering our clients peace of mind at sea and on shore. It talks about the peace of mind you have when you know that someone you trust is taking care of you. It talks about what safety enables you to do:

- Freedom to Operate
- Freedom to Trade
- Freedom to Travel
- Freedom to Explore
- Freedom to Innovate
- Freedom to Excel

The SHM logo consists of the letters "SHM" in a bold, black, sans-serif font, set against a white, stylized shape that resembles a ship's hull or a wave. A registered trademark symbol (®) is located to the upper right of the logo.

**SHM**®
