

## July 2018 Newsletter

### Goldensun Welcomes Newest Members!

June brought an exciting change to Goldensun as we have opened our sixth home and have welcomed two new members to our community!

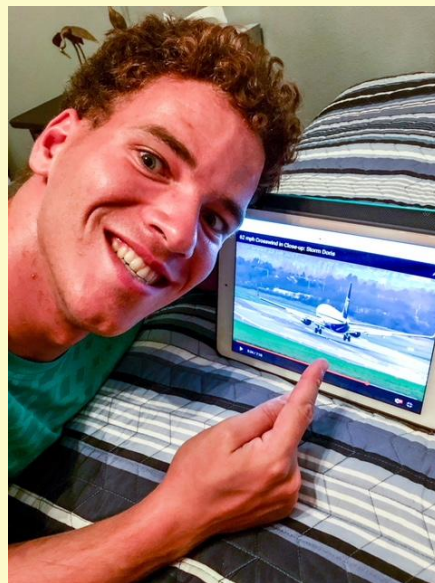

D and A have been friends since high school and decided they wanted to live together as housemates. D loves reading the Bible and going to church. He wants to become a pastor someday and is currently a volunteer with the special needs ministry at his church. A works at Luke Air Force Base as a custodian and LOVES anything having to do with planes! He also enjoys sports and will be participating in Goldensun's Special Olympics swim team this summer.

This is D and A's first experience living away from parents and in their own home. Goldensun will support them in teaching skills for independent living as they continue to seek Christ's calling for them in adulthood.

We are excited for the wonderful addition these two gentleman are to Goldensun!
