Our Newest Remodel!

Goldensun has recently completed a remodeling project in one of our homes. The remodel included the update of a bedroom and a bathroom, as well as the widening of a laundry area and addition of a half bathroom. A major focus of this project was to help make the space more accessible to the members living in the home. We are continually blessed by the donations we receive to help make projects like this possible. Thank you!

Staff Spotlight

Rebecca has been serving with Goldensun for a little over 2 years. She began as a volunteer, and discovered how much she enjoyed spending time with members that she became a part-time employee!

Rebecca represents Goldensun's mission of encouraging the growth of the members' independence and spiritual growth. Rebecca's favorite part of working at Goldensun is getting to be a part of the member's lives. She feels privileged to be a part of experiencing their highs (teasing, hugs, singing and laughs) and to be entrusted as they encounter and work through the lows (fears and frustrations).

To Rebecca, Goldensun means family. As she describes it, "Goldensun is a diverse community, but we come together with encouragement and care for one another."

Thank you Rebecca for your service to our Goldensun community!!!
