2. The Board of Directors may change the form of the seal or the inscription thereon at pleasure.

C. Offices

1. The principle office of the Corporation shall be located within Arizona Planning District VI and in the city or town selected by the Board of Directors.
2. The Corporation may also have offices at such other places as the Board of Directors may from time to time appoint, or as the purposes of the Corporation may require.

D. Fiscal Year

1. The fiscal year shall begin on the first day of July and end on the last day of June each year.
2. The program year shall conform with the fiscal year unless another time frame is established by program requirements or regulation.

ARTICLE II – BOARD OF DIRECTORS

A. Purpose

1. The Board of Directors, as the governing body of the SouthEastern Arizona Community Action Program, Incorporated exercises ultimate authority and responsibility for the establishment and accomplishment of agency goals, objectives and policies.

B. Number of Board Seats

1. There shall be a Board of Directors of twelve (12).

C. Board Composition

1. The Community Services Block Grant, as amended in 1998, requires that a private nonprofit Community Action Agency (CAA) administer its Community Services Block Grant Program (CSBG) through a tripartite board whose members fully participate in the development, planning, implementation, and evaluation of the program. The tripartite board must be composed as follows:
 - a. One-third of the board must consist of elected public officials, holding office on the date of selection, or their representatives (except that if the number of such elected officials available and willing to serve on the board is less than one-third of the membership of the board, membership on the board of appointive public officials or their representatives may be counted toward meeting the one-third requirement); and
 - b. Not fewer than one-third must be persons chosen in accordance with democratic selection procedures adequate to assure that the members are representative of low-income individuals and families in the

neighborhood served and, if they represent a specific neighborhood, that they live in that neighborhood;
and

- c. The remainder must be members or officials of the private groups and interests in the community (business, industry, labor, religious, law enforcement, education, or other major groups and interests).

D. Representation of Public Elected Officials

1. The Designating Officials, that is the Board of Supervisors of each County within Arizona Planning District VI, shall appoint Public Officials to constitute one-one (1/3) of the Board. That is four (4) seats.
2. Both the elected and the appointed Public Officials selected to serve on the Board shall have either general governmental responsibilities or responsibilities which require them to deal with poverty related issues. They may not be officials with only limited, specialized or administrative responsibilities.
3. In the event that there are not enough elected Public Officials reasonably available and willing to serve on the Board, the Designating Officials shall notify all public entities within their political subdivision's boundaries, before designating appointed Public Officials to assure elected officials an opportunity to serve on the Board.
4. Each elected official selected to serve on the Board may appoint one (1) permanent representative to serve on the Board either full-time in his/her place or whenever he/she is unable to attend a meeting. This representative need not be an elected official, but shall have full authority to act for the elected official whom he/she represents at meetings of the Board. Representatives of Public Officials are not alternates, and, therefore, the restrictions placed on alternates Article II, Board of Directors; Section G., Other Requirements, Subsection 5., Alternates, Paragraph c., Restrictions on Alternates, Subpart c., do not apply to representatives of elected officials. Appointed representatives of elected officials may not themselves select representatives.
5. No public sector representative shall serve more than a total of two (2) three-year terms.

E. Representative of Low-Income Sector

1. Representatives of low-income individuals and families will be "chosen in accordance with the democratic selection procedures". The democratic selection procedure can be done by any of the following:
 - a. Nomination and elections within the neighborhoods.
 - b. Selection at a meeting of low-income persons such that the date, time and place of such a meeting have been adequately publicized.
 - c. Through a similar democratic process such as election to a position of responsibility in another significant service or community organization such as a school PTA, a faith based organization leadership group, or an advisory board/governing council to another low-income service provider (for example Head Start). This is to ensure that those who currently live in areas served by the agency are represented so that they have a strong voice in agency governance and direction and are able to convey to those they represent the presence and significance of community action in their lives.
 - d. Selection on a small area basis (such as a city block or town) or representatives who in turn select members for the CAA or other eligible entity Board of Directors.
 - e. Advertisement (fliers, local newspapers, etc) of low-income board representative vacancy to serve on SEACAP Board of Directors within each community served by the agency. Once slate of applicants is identified (based on applications submitted and reviewed for appropriateness/eligibility to be a low-income member), a list of candidates, with small biography, would be prepared and made available in all SEACAP offices for clients to vote when they come to the offices for services. The length of time to vote will be a maximum of four (4) weeks, but not less than two (2) weeks and this will be clearly identified on the "ballot". The votes will be tallied in the presence of the Secretary/Treasurer, and presented to the

Board of Directors identifying the person with the most votes as the member to be appointed as the Low-Income Representative, and the person with the second highest number of votes as the alternate.

- f. When there is only one candidate running for office in a given election, once elected, the candidate may nominate another qualified individual to serve as his or her alternate, subject to the approval of the Board of Directors.
2. The number of low-income representatives must equal at least one-third (1/3) of the total Board membership and shall be four (4) in order to adequately represent the low-income sector of the four (4) counties. Low-income representatives must:
 - a. Must be representative of low-income individuals and families in service area, but do not need to be low-income themselves
 - b. Must live in the service area
 - c. Must be able to participate actively in development, planning, implementation and evaluation of CSBG programs.
3. In selecting the low-income representative, only the low-income shall be eligible to vote, and no person may vote more than once.
4. The selection of the low-income representatives shall take place during the month of July, at least every three (3) years or as needed to fill vacancies.
5. Low Income representatives shall not serve more than a total of two (2) three-year terms.

F. Representative of Private Organizations

1. The Board as a whole shall select the private sector organizations or agencies to ensure that the Board will benefit from a broad based community involvement. The Board shall draw representation as stated in the agency Bylaws; Article II, Board of Directors, Section C. Board Composition, Subsection 1., Paragraph c.
2. The Board of Directors hereby authorizes the Executive Director to solicit representation from business, industry, labor, religious, law enforcement, education or other major groups and interests in the communities served.
3. The private sector representatives shall be selected by ratings of eligibility as set forth by the Board based on the following criteria:
 - a. Geographic service area of private organization or agency relative to the CSBG geographic area.
 - b. Empathy of the proposed private sector representative with CSBG goals, objectives and needs of the poor in the four (4) county CSBG area.
 - c. Activities and service area of the private organization or agency directed primarily to needs of poor persons.
 - d. The need for the private sector representative is to ensure a balance in broad community involvement.
4. Once an organization or agency is selected, it shall choose the person to represent it on the Board of Directors. Each representative shall be empowered to speak and act on behalf of the organization or agency which he/she represents in connection with the Board's business.
5. If the number of groups exceeds the available seats in this category of membership, these groups shall be rotated every three (3) years on the basis of a priority list, established by the Board of Directors, with the exception that there must be continuous representation for significant minority groups without interruption.

Maintaining a rotation system does not necessarily mean that a group be placed low in the priority list because it had previous representation. The ratings for eligibility set forth in the agency Bylaws Article II, Board of Directors, Section F., Representative of Private Organizations, shall weigh heavily in the rotation selection criteria.

6. Any organization or agency not represented and which feel themselves inadequately represented on the Board may petition the Board for adequate representation.
 - a. The petition shall be a written request from the private sector organization requesting membership and must be signed by the officers of that organization.
 - b. The petition shall be received by the Board to determine eligibility pursuant to Article II, Board of Directors, Section F., Representative of Private Organizations, Subsection 3. The Board shall notify the petitioner, in writing, of the action taken.
 - c. In the event the Board does not act favorably on the petition, the petitioner may request, in writing, within a thirty (30) day period, a hearing for review of petition.
 - d. The Executive Committee of the Board shall conduct a hearing within ten (10) days after receiving the request for hearing.
 - e. The Executive Committee shall notify the petitioner in writing of the action taken.
7. Should the Board decide to grant representation to the petitioning organization and no private sector seat is available, the Board will place that organization of priority for the next available seat in the county in which the petitioning organization requested its inclusion to the Board.
8. Private sector representatives shall not serve more than a total of two (2) three-year terms.

G. Other Requirements
