Dear Dusk Brotherhood,

We would like to express our deepest gratitude for your generous contribution to the Circle of Life Shelter. Your donation is very important to us and will help assist COL residents who are in need. The Circle of Life Shelter treatment facility is a 501 c 3 status organization who has been servicing the community of Newark, NJ as of 2006. Here at the Circle of Life, we take pride in empowering our clients by helping them reach their fullest potential by providing them with the support, tools, and encouragement necessary along their path to self-sufficiency. Our mission is to provide our residents with the stepping stones aiding them to reach heights they may have never believed they were capable of. To continue to do so companies, schools, and organizations as yourself helps makes the difference in allowing us to further reach our goal of aiding more individuals in need. Once again thank you for helping our community and the lives of those that compose it!
