## K-WON GLOBAL

### We Make K-BEAUTY Win The World

K-Won Collection is a curated global platform specializing in premium K-beauty and functional skincare.

We combine advanced Korean cosmetic science with carefully selected ingredients to deliver effective, safe, and elegant beauty solutions for modern consumers worldwide.

We curate, develop, and distribute premium Korean beauty brands with a strong focus on science, safety, and global scalability.

# ALWAYS WITH CARE

## Conveniently manage your skincare in daily life

No more “I don’t have time.”  
Enjoy effortless skincare with a honey wash-off pack during your daily routine, and keep your skin nourished on the go with collagen-infused care.

## ANTI HAIR LOSS CARE TONIC

**Premium functional patented scalp solution to reduce hair loss.**

Formulated with patented ingredients extracted from ginseng berries, featuring a high concentration of ginsenosides and a low molecular structure for enhanced scalp absorption.

## PREMIUM GOLD

**Everything you need for your daily skincare routine**

A complete anti-aging skincare set powered by the synergy of gold and collagen. Highly nourishing, high-performance formulas designed for concerns such as wrinkles, skin elasticity, freckles, and blemishes.

# PROBIOTICS MAGIC

## Lactocell Probiotics Skincare

Helps suppress the growth of harmful bacteria while promoting beneficial probiotics. Strengthens the skin's natural defense system and supports long-lasting moisture and healthy pH balance.

## PERFECT FOUNDATION

### A Fusion of 'Cell' and 'Grandir'

This functional hair-care line is designed to help alleviate the symptoms of hair loss.

Known for its soft texture, gentle formulation, and refined fragrance, it delivers both performance and comfort for daily use.

## SAFE BLOOMING

### Essential Care to Calm and Restore Sensitive Skin

Formulated with skin-friendly ingredients to help soothe irritation and support a healthier skin condition with continued use.

# BARRIER-REPAIR SOLUTIONS

100% E-beam  
sterilized  
for maximum  
safety and purity

MOISTURE &
